Easy Words Angela V. Woodhull,1988-01-01 This 5 & 1/2 by 8 & 1/2 book is highly recommended by English teachers, reading instructors, vocabulary

enrichment programs, study skills specialists, librarians, & teenagers! Using a 4-panel cartoon format, each word is comically illustrated through use of a simple, effective word association technique. University research indicates that students will recall at least 50% of the 84 words/definitions in just one short, fun reading. Students are also apt to use the mnemonic technique for future vocabulary learning. There is an example from the book: (panel one): Today's word is: Catkin---a cluster of flowers (illustration) (Panel two): (1) Find a word that reminds you of Catkin. CAT: your word reminder. (panel three:) (2) Associate your word reminder with the definition: CAT sniffing a Catkin. (Panel four:) (3) Define Catkin. Hint: What was the CAT sniffing? (Format varies as book progresses and students comprehend the basic technique). (Teacher references & results of University research provided upon request.) To order: Call toll- free: 1-800-484-8374 (Then, after the tone, dial) 7746, or call 1- 904-331-7746 or 1-904-332-7746, or write SOULUTIONS Publications, P.O. Box 14423, Gainesville, FL 32604-2423. Word Workout Charles Harrington Elster, 2014-12-02 People judge you by the

words you use. This has never been more true than in our text-driven world of quick communications and often sloppy language use. Word Workout is a practical book for building vocabulary--a graduated program featuring thousands of words that begins with words known by most college graduates and ascends to words known only by the most educated, intelligent, and well-read adults. The workout will be a comprehensive program, chock-full of information about synonyms, antonyms, and word origins, and replete with advice on proper usage and pronunciation. There will be creative review quizzes at each step of the way and longer review tests after each level to reinforce learning. Unlike other vocabulary books, Word Workout provides a complete learning experience, with clear explanations of meanings, word histories, usages, pronunciation, and more. Far more than a cram session for a standardized test, the book is designed as a lifetime vocabulary builder, teaching a vocabulary shared by only the top percentage of Americans, with a proven method that helps the knowledge last. From awoval to proselytize, from demagogue to mendicant, Charles Elster has carefully picked the words you need to know, and given you an easy, fast, and fail-safe way to learn and remember them--
