Darn Easy: Work Half as Hard, Earn Twice as Much, While Living the Life of Your Dreams Peggy McColl,Brian Proctor,2015-12-11 From the New York Times bestselling author of *Your Destiny Switch* and the successor to motivational legend Bob Proctor comes a step-by-step guide that makes running a business as easy as 1-2-3—based on the Proctor Gallagher Institute program What if someone told you that . . . ? You don't have to work hard to make a lot of money. You can set any goal you want and make it happen. You can change your whole life in less than 24 hours. You can cut your work time in half and double your income. You can achieve more success than you ever dreamed—and enjoy every single minute of it. It's not impossible. In fact, it's DARN EASY. If you think it takes long hours of stress-inducing, brain-numbing, back-breaking work to build a successful career or business, this book will change your mind. The simple truth is: once you put your mind to it, you can do just about anything. You can build a business that is not only profitable but sustainable, too. You can take your career to higher and higher levels, grow your profits quarter by quarter, increase your income year after year. And the best part is: you can do it with ease! The secret—according to bestselling author Peggy McColl and motivational expert Brian Proctor—is to find the joy in the work that you do. To be truly successful in business, you need to make an emotional investment in your dream as well as a financial one. This book is a wake-up call that will open your mind, fill your heart, and transform your life with a simple but powerful message: It's not hard to become rich, successful, and happy. It's a choice. And once you make that choice, it's easy. Whether you're growing a business, building a career, or simply trying to make more money, *Darn Easy* offers a proven formula for success. Learn how to: • Work half as hard and profit twice as much • Set goals that are achievable, sustainable, and downright enjoyable • Build a network of good people you like doing business with • Aim high and be specific—the sky's the limit! • Let go of negative thoughts and watch positive things begin to happen • Give yourself time to live your life and embrace your success You'll discover step-by-step techniques for growing your business, healthier strategies for handling your money, and easier ways to increase your chances for success—along with a few reality checks you might need to cash. You'll also find invaluable tools to put in your personal toolbox, including a goal card, power life script, gratitude journal, accomplishment list, and so much more. There's no reason you can't be rich, successful, and happy. With the right attitude and the right tools, it's not hard at all. It's *Darn Easy*. Peggy McColl is the president and founder of Dynamic Destinies, Inc., and the author of the New York Times bestseller *Your Destiny Switch*. Brian Proctor is the VP of Business Development at the Proctor Gallagher Institute.

How to Cheat in Photoshop Elements 8 David Asch, Steve Caplin, 2009 Photoshop Elements is the cut-down, lower-price version of Adobe's powerful Photoshop software, and, like Photoshop, it's not just intended for tweaking and retouching those less than perfect photographs—it has huge creative potential, too. How to Cheat in Photoshop Elements 8 is the Elements equivalent to Steve Caplin's How to Cheat in Photoshop—a fun, quirky and inspiring guide, packed with tips, tricks and effects that reveal the power of Elements for design-oriented image manipulation and photomontage. With more than 80 step-by-step projects on page spreads showing the before and after, and all stages in between, this is a practical guide to stir the imagination. QuickTime movie tutorials and images for all projects in the book are included on the accompanying CD-ROM, with additional support and an active reader forum on the website for the book: www.howtocheatinphotoshopelements.com. * Fun and creative, with more than 80 full colour, step-by-step projects, supported by QuickTime movie tutorials and image files * In-depth coverage of photomontage and image manipulation not seen elsewhere—most Elements books focus on the essentials for photography post-capture editing * Part of the successful Focal Press How to Cheat in... series, featuring Steve Caplin's best-selling How to Cheat in Photoshop titles

The Responsible Methodologist Aaron M. Kuntz, 2016-06-03 Winner of The University of Alabama 2017 President's Faculty Research Award What does it mean to be a responsible methodologist? Certainly it is more than being a research middle-manager who ensures that the tools used in a thesis or dissertation are of the right gauge. In The Responsible Methodologist, leading education scholar Aaron Kuntz uses the latest movements in social theory to challenge qualitative researchers to reconceptualize their work away from the technocratic toward an intervention, an ethical disruption of the norm, an activist stance toward progressive social change. Inviting creativity and vision, he insists that the responsible methodologist become a force leading the discourse toward social justice. His book-challenges the technocratic role given to qualitative methodologists in university settings;-urges them to become a force for change through Foucault's parrhesia, risky truth-telling;-includes research projects that have incorporated this vision.
