The Beartown Trilogy Ebook Collection Fredrik

Backman,2022-12-27 Rediscover this “lyrical look at how a community heals, how families recover, and how individuals grow” (The Washington Post) with the complete Beartown trilogy in one unputdownable ebook from the #1 New York Times bestselling author Fredrik Backman. In the “beautifully told” (The New York Times Book Review) Beartown—which inspired the HBO series of the same name—a small town obsessed with the local junior hockey team is rocked by a shocking act of violence. As accusations and rumors fly, the town must grapple with its identity as never before. Tensions rise when it’s rumored that the Beartown hockey team will be disbanded in *Us Against You*. The entire future of the team and the town hinges on an upcoming game that could change everything forever. Finally, the series that “deftly explores recovery and rebirth” (Us Weekly) comes to an evocative conclusion with *The Winners*. In the two years since the events of Beartown, the residents must face difficult questions and determine just what they are willing to sacrifice for their home.

Summer Beach Reads Ebook Collection Various

Authors,2016-05-03 Heat up your summer with three romantic yet clean reads you can take anywhere—be it the beach, vacation, a day relaxing in the sun, or your favorite chair for a moment of downtime. In *Halflings*, book one of the *Halflings* series, after being repeatedly attacked by an evil force, seventeen-year-old Nikki finds herself under the watchful guardianship of Mace, Raven, and Vine, three mysterious young men who call themselves halflings. The three boys vow to Nikki safe while hiding their deepest secret—and the wings that come with. But a growing attraction between Nikki and two of

her protectors presents a whole other danger. As the mysteries behind the boys' powers, as well as her role in a scientist's dark plan, unfold, Nikki is faced with choices that may affect the earthly and heavenly worlds. In *Summer by Summer*, Summer took a nanny job in Belize as a fresh start before college, but things take a turn when she finds herself trapped on an island with Bray, a boy she can't stand. But as their time on the island wears on, the issues that kept them at odds begin to drop away, and both Bray and Summer discover that each may be able to provide the healing they've been searching for. And in *Doon*, book one of the *Doon* series, Veronica keeps seeing visions of an attractive kilted stranger. When she and her best friend, Kenna, find themselves in Scotland for a summer, what appeared to be a sign she was going crazy becomes an adventure when Veronica and Kenna are zapped across the Alloway Bridge and into a world that appears to be a real-life fairy tale. Veronica soon comes face to face with the boy from her dreams, but the kingdom of Doon holds a dark underbelly that may prevent Veronica's happily ever after before it can even begin.

eBooks for Elementary School Terence W. Cavanaugh, 2014-12-02
eBooks offer students as well as teachers, school and public librarians, and parents tremendous possibilities. This book explains how to expand and enhance the reading experience through the use of technology. Today, eBooks are everywhere, and the use of digital learning materials is beginning to supplant traditional printed materials. As the world shifts to digital books, both teachers and students need to be comfortable and effective using materials in this format. This book helps you to apply eBook materials to existing curricula to create interactive educational activities and have access to more materials to support reading instruction, literacy, standards, and reading in the content areas. Author Terence W. Cavanaugh, an expert on teaching with technology, describes numerous strategies for integrating eBooks into reading instruction and remediation for students in preschool through grade 6. He covers the hardware and software used, the wide range of formats available, and research conducted on the use of eBooks with students as well as how to access free resources such as digital libraries and special collections that make eBooks available for schools. The book also contains a chapter dedicated

to using eBooks to help emergent or struggling readers.

Crash Course in Collection Development Wayne

Disher, 2014-09-26 This indispensable resource provides tools for collection management in public libraries, featuring essential strategies for inventory assessment, market analysis, budgeting, marketing, and customer service. This book is a must-have for those just entering the field or professionals in need of a refresher in effective library operations. This professional volume covers all aspects of collection development and management in the public library, from gathering statistics to design a collection that meets community needs, to selecting materials, managing vendor relations, understanding the publishing industry, and handling complaints. Author Wayne Disher provides public librarians—especially those without the benefit of academic training—access to the tools to make them successful, and their collections beneficial to the public they serve. The second edition features two new chapters on digital curation and cooperative collection development. Additional updates include helpful information on infographics, more budgeting formulas, and a section on core collections, as well as content covering eBooks, electronic storage, and digital rights management. Chapters discuss subjects such as marketing the collection to patrons, book repair, and handling censorship issues when collections are challenged.
