The Detective's Quota David Cuomo,Elizabeth Pulido, For many years, the Chicago south side neighborhood was virtually free of crime. Every once in awhile someone would commit a burglary, or a theft, and the police charged with keeping the neighborhood free of crime almost always captured the offender. However, in the year of 2010, three Bridgeport women were found raped and murdered in an alley adjacent to White Sox Park. As such crimes were rare in the area, the entire police department, fearing for the safety of women, went on a massive manhunt for the killer. That manhunt took a strange unexpected turn, as the evidence the department gathered indicated that one of its own members, namely John McBride, may have murdered the woman. This novels traces the investigation which led to John McBride's arrest and his trial.

American Detective Thomas A. Reppetto,2018-06-01 From the Roaring Twenties to the 1970s detectives reigned supreme in police departments across the country. In this tightly woven slice of true crime reportage, Thomas A. Reppetto offers a behind-the-scenes look into some of the most notable investigations to occur during the golden age of the detective in American criminal justice. From William Burns, who during his heyday was known as America's Sherlock Holmes, to Thad Brown, who probed the notorious Black

Dahlia murder in Los Angeles, to Elliott Ness, who cleaned up the Cleveland police but failed to capture the “Mad Butcher” who decapitated at least a dozen victims, American Detective offers an indelible portrait of the famous sleuths and investigators who played a major role in cracking some of the most notorious criminal cases in U.S. history. Along the way Reppetto takes us deep inside the detective bureaus that were once the nerve centers behind crime-fighting on the streets of America’s great cities, including the FBI itself, under the direction of America’s “top cop,” J. Edgar Hoover. According to Reppetto, detectives were once able watchdogs until their role in policing became diluted by patrol strategies ranging from “stop and frisk” to community policing. Reppetto argues against these current policing systems and calls for a return to the primacy of the detective in criminal investigations. Purchase the audio edition.

New York Chief of Detectives Gary Hastings, 2012-08-01 George McBain continued his examination of the body and noticed a silver chain around the victim's neck. It was covered in a plastic tube for comfort. George had seen these chains before, and he could feel his heart pounding in his chest. He gently pulled out the chain, and his fears were instantly realized. The chain was attached to a square leather case. On the front was an all-too-familiar sunburst gold shield lettered; 'City of New York Police Detective.' George turned it over, and read the NYPD identification identifying the victim as Detective Second Grade Anthony P. Rodriguez. NYPD Chief of Detectives Pat O'Connor leads a hand-selected team of veteran detectives in the investigation of the murder of one of their own, a New York City Police Detective. Using his skill and powerful resources he negotiates the red tape and politics of New York City while refusing to compromise his relentless pursuit of the killer.

New York Chief of Detectives puts you in the front seat of this major criminal investigation.

7 to 12 a Detective Story Anna Katharine Green,2020-08-04 Reproduction of the original: 7 to 12 a Detective Story by Anna Katharine Green

Cop Talk E. W. Count, Ellen Count, 1994 Journalist E.W. Count interviewed nearly one hundred New York City detectives for this book. In the bold, uncensored style that makes police officers the world's greatest raconteurs, New York's finest detectives recall the famous cases they've worked on: the fiery Happy Land disco homicide, with eighty-seven innocent victims...the trapping of a serial killer in the case of murdered ten-year-old Jessica Guzman...the Brink's robbery...the Preppy Murder case...the rub-out of Big Paul Castellano, perhaps the most professional of all mob executions...the apprehension of the Silver Gun Bandit, who robbed and raped his way through Manhattan...the Central Park Jogger case that rocked a seemingly shock-proof city. Then there are the stories that don't make the front page. A police dog that blows its nose, the better to sniff out human remains. Grave-robbers who steal body parts for Santeria rites. The night Chinatown's notorious Ghost Shadows came to the cops for help with a kidnapping by a rival Colombian drug gang from Queens. How legendary Detective First Grade Olga Ford, one of the toughest cops in Harlem, got inside the head of drug kingpin Leroy Nicky Barnes, known as Mr. Untouchable. The initiation of Detective Robert Chung and Officer Dave Huang into the Taiwanese gang

United Bamboo as bona fide made members, the first time law enforcement officers actually joined the triad - and how a mistake by an FBI agent almost blew the whole operation. The perp who hid in the dryer, the corpse in the refrigerator, Samsonited bodies in a Staten Island Mafia graveyard.

Detective First Grade Dan Mahoney, 2011-04-01 There's a secret war on the streets of the city. Only a New York cop can win it. His claim to fame is finding guns on the bad guys, and Detective Second Grade Brian McKenna has just spotted the beard carrying a piece. What he doesn't know is that he's about to shoot his way into a war with a highly disciplined, well-armed enemy so treacherous, not even the NYPD knows they exist. Exiled from the bright lights of Manhattan for breaking one too many rules, pressured by his girlfriend to quit the job, this is McKenna's last chance to win back his reputation and make the coveted rank of Detective First Grade. But if his moves aren't swift and right, a new breed of criminal-- who has found a leader in an exotically beautiful and ruthless woman-- will own his city. From the savvy and experience of a cop who gave over 25 years of his life to the NYPD comes a stunning novel of undeniable authenticity and unrelenting suspense.

Big City Detective Jack Dautrich, Vivian Huff, 1986 Examines the work and training of detectives in a large metropolitan police department, describing the tools and techniques they use as they investigate a number of true cases.

Homicide Special Miles Corwin, 2004-09 Offers a behind-the-scenes view of the elite LAPD Homicide Special unit in action as they undertake investigations into the murder of a Russian call girl, the shooting of a gangster's daughter, and other cases.

The True Detective Theodore Weesner, 2013-01-01 A police investigator is made

aware of cases of sexual depravity. Child abduction grips the city, and he must use his wits to recover a missing boy alive. Conflicting desires and motivations of a broken family, a sexually confused perpetrator, and an immensely complex detective combine in this powerful, realistic, lightning-fast literary thriller.
