Improve Your Eyesight Naturally Leo Angart,2007 Leo's approach is very specific. You will find exercises that work for your degree of vision problem. He explains how you can tone your eye-muscles, release tension and build up energy to regain your natural eyesight with simple exercises. The book

includes simple vision tests that you can use yourself to verify your level of vision and monitor your improvement. Leo Angart's Vision Training approach is effective for: Near-sight: the inability to see at a distance, Astigmatism: uneven stress pattern in the cornea, Presbyopia: the need for reading glasses, Eye coordination: when the eyes point beyond or closer than the object of interest, Anisometropia: when the two eyes have different degrees of visual ability, Amblyopia: also known as lazy eye, a condition where the brain switches off the input from one eye, Strabismus: when one eye diverges either in or out. Book jacket.

Books 10-12: The New Rulebook & Pete Zendel Christian Suspense Series Collection Joy

Ohagwu, 2019-11-14 Books 10-12: The New Rulebook & Pete Zendel Christian Suspense series. Book 10: WHISPER *2018 First Place Winner, CWRC Readers' Choice Literary Lighthouse Awards. It was bad enough for Violet Zendel that her twin brother hated her and avoided her like a plague because of her faith. When he became the CEO of their parents' company, she did everything she could to support his success. Then she planned a vacation to help bridge the gap between them and improve their relationship. However, when the news about a shocking event reached her ears during the trip, it shook her to her core—and led to a trail of broken hearts. Violet saw no other option but to shift her focus from pursuing corporate achievements, to preserving her family members and their legacy. But that came at a very high cost. And in the process, she is challenged by riskier choices, which demonstrate in dangerous ways, that not everything was as it seemed. BOOK 11: THE SECRET HERITAGE (100+ YRS AGO) Shipwrecked and stranded at sea, Christian missionary Sierra Fernando had no choice other than to surrender her freedom. But when she arrives at the beautiful island of Lanzarote as a slave and stumbles into the king, she finds that slavery threatens more than her freedom—it threatens her life. One year ago, King Peralta was sure his destiny as king of Lanzarote was fixed for him according to Lanzarote custom. He would marry the lady chosen for him by the council. Until he met Sierra and his choices shifted. With only twenty-four hours left, he must decide who to marry—a princess or a slave. One choice will lead to a life of misery. The other will end his reign—and possibly his life—and set off the dangerous Hunter after him forever. When time runs out, which bride will he choose? Book 12: HUNTER Veteran police officer Angel Martinez has been searching for her missing brother for almost twenty years. Year after year, each trail ran cold and the clues dried up. With only a few dangerous, unwilling witnesses left, will John's kidnapping ever be solved, or is her hope of finding her brother lost for good? Dr. Ahmed Diaz had no more reason to live—or so he thought. He'd lost everything, and everyone he cared about turned against him. Strolling into the woods to end his life led to a stunning turn of events that would change him for good—and lead him into a path he didn't know existed. Stephanie Martinez was angry with God for letting her brother, John, get kidnapped. So she lived life the crazy way she wanted—until the man she loved changed into a person she didn't recognize. This collection contains books 10-12 of the New Rulebook & Pete Zendel Christian Suspense series. Get your copy of the Books 13-15 Boxed Set after reading.

Vision for Life Meir Schneider, 2017-02-16 All parts of the body need exercise for optimal health, and the eyes are no different. Vision for Life presents an approach to eye health for people with 20/20 vision who wish to maintain their perfect vision as well as people who see poorly and would like to improve their eyesight. Clients of the Meir Schneider Self-Healing Method experience their own capacity to bring about recovery, reversing the progress of a wide range of degenerative conditions including eye disease. Based in part on the established Bates Method of eyesight improvement and in part on his own professional and personal discoveries, Meir Schneider's pioneering approach has helped thousands of people successfully treat a host of eye problems, including near- and farsightedness, astigmatism, lazy eye, double vision, glaucoma, cataracts, macular degeneration, retinal detachment, retinitis pigmentosa, and nystagmus. This

revised edition includes a new chapter on children's eye health and new research and exercises for specific conditions, i.e., glaucoma and nystagmus, near- and farsightedness. In *Vision for Life*, Schneider shares forty years of discoveries made on his personal and professional journey. The book details simple but effective techniques to gain great vision such as sunning and palming. Such exercises are not only strengthening but also restorative and deeply relaxing. The reader learns how to reverse developing issues before they cause damage or to remedy existing problems, including pathologies such as glaucoma, cataracts, macular degeneration, retinal detachment, and optic nerve neuropathy.

My Four Score and Ten Years James W. Drury, 2010-03 *My Four Score and Ten Years* is the memoir of a nonagenarian husband, father, grandfather, Kansas University professor, and world traveler. Jim Drury tells the story of his life, which spans most of the twentieth century, beginning with stories of his own grandfather in the 1880s. His recollections include the time he spent in Japan, Pakistan, Costa Rica and Poland, on the campus of KU and touring around the world with his wife in their later years. Jim Drury was born in 1919 in East St. Louis, Illinois. He studied at the University of Illinois and did his graduate work at Princeton. He lived in Washington, D.C., during the Second World War and served in the US Army. He remained an Army Reservist until his retirement. It was in Washington that he met and married his wife of over sixty-five years, Florence (nicknamed Danny). He and Danny later moved to Lawrence, Kansas, where they have lived for most of their lives and where Jim was a Professor of Political Science at Kansas University for over forty years. Jim and Danny have traveled extensively and lived for short periods in Japan, Pakistan, Costa Rica, and Poland.

Bounded Mobilities Miriam Gutekunst, Andreas Hackl, Sabina Leoncini, Julia Sophia Schwarz, Irene Götz, 2016-05-31 Mobility is a keyword of late modernity that suggests an increasingly unrestrained and interconnected world of individual opportunities. However, as privileges enable some to live in a seemingly borderless world, others remain excluded and marginalized. Boundaries are created, modified and consolidated, particularly in times of hypermobility. Evidently, mobility is closely tied to immobility. This volume features ethnographic research that challenges the concept of mobility with regard to social inequalities and global hierarchies.

Now Eye See Maurice P. Fortune, 2018-03-09 *Now Eye See* is the story of challenge and triumph. It is a tale of fortitude and faith in oneself and in God. It chronicles my life from very humble beginnings in Chester, Pa. to Whaleyville, a tiny town on Maryland's Eastern Shore to an unlikely and fortuitous journey that carries me to the big city of Manhattan, New York. *Now Eye See* tells my story of going from picking blueberries and wearing a straw hat on a farm in Maryland to a job as personal secretary to a permanent mission to the United Nations. From being monolingual to self-learning and the adoption of French as a second language, purely as a survival necessity. Although completely unaware of my own familial roots in Music and Journalism, this is my story of a search for a career as a songwriter and professional recording artist. And as a private custodial business owner that suffered disastrously during the economic crises of 2008, which resulted in my own displacement as well as the loss of all my possessions including all evidence of my small successes in the music industry. This is the story of my life and how I have been able and fortunate to reinvent myself to become successful in a new career. This is the narrative of unbelievable luck and a chance conversation in the offices of a New York City hospital. A conversation that spurred a listener to google my name and to help begin the process of recovery and rejuvenation. Of a mysteriously placed photograph taken by a world famous photographer. And of my namesake and nephew whom I never met: a soldier for the US Army killed in a roadside bombing in Iraq October 2004. This is the story of

the rediscovery of all my work and of my vinyl recordings being offered for sale in eight countries around the world. This then is the unaltered story of my rights and my wrongs. Maurice Fortune
