The Reverend

**My Quest for El Dorado** Ross Salmon,1979

The Quest of El Dorado John Augustine Zahm,1917

**In Quest of El Dorado** Stephen Graham,1923

Eldorado and the Quest for Fortune and Glory in South America Peter O. Koch,2021-06-21 This book traces the origin of the legend of El Dorado and the various expeditions that set out to locate that mysterious land of untold wealth in South America. Motivated by both fanciful rumors of a golden city ruled by a man who coated himself daily with gold dust, and the more practical allure of a region abundant in cinnamon trees (a spice that was worth its weight in gold to Europeans), many conquistadors convinced themselves that another native empire awaited their conquest. These quests for fortune and glory would lead to an encounter with fierce female warriors who were believed to be the Amazons of ancient Greek lore, and the discovery of the mighty river later named for the legendary Amazon tribe. The first half of this book details the lesser-known accounts of German interest in locating the wealth of a golden kingdom called Xerira and an elusive passage at Venezuela's Lake Maracaibo which supposedly led to the Pacific Ocean. The second section focuses on the various Spanish efforts to discover El Dorado, each of which was eventually doomed to despair, disappointment, and death.

*The Quest of El Dorado; the Most Romantic Episode in the History of South American Conquest* John Augustine Zahm,2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

*The Quest of El Dorado : the Most Romantic Episode in the History of South American Conquest* John Augustine Zahn,1917

*Sir Walter Raleigh and the Quest for El Dorado* Marc Aronson,2000 Recounts the adventurous life of Raleigh the English explorer who led many expeditions to the new world.

*The Golden Man* Victor Wolfgang Von Hagen, 1974 El Dorado. The golden man. Those doughty adventurers who first began to probe the secrets of the New World were fascinated by whispers of treasure beyond belief somewhere in the mountains of Colombia. There, said the native Indians, lived a people rich in gold with a chief who once a year as part of a religious ritual covered himself with the precious metal's dust. So began an incredible saga of adventure - Spaniards, Germans, French, British, Dutch and Portuguese sprawled across an almost unknown continent in their search for a phantom. The New World replaced the Old World's mythology of unbounded riches in legendary places in the deserts and cities of the Mediterranean and Asia. From a golden man, El Dorado grew into a city of gold and drew untold numbers to death. It became the metaphor for the unattainable. Sir Walter Raleigh, England's hero, great adventurer and man of letters, died on the block because he, too, caught the fever of El Dorado. He and countless others failed to prove its existence was no legend. But they discovered a continent. Victor von Hagen, himself an explorer and traveller of no mean accomplishment, has followed their footsteps through jungles and country where disease and other hazards turned death into monotonous tragedy. He has no need to dramatise the people and events he has documented; his approach to the vast tapestry and his presentation results in the greatest real-life adventure stories yet told. The myths of the heroics of the questers for the Golden Fleece and the Holy Grail become minor narratives alongside von Hagen's brilliant and exciting account of the actual events and the men who precipitated them. -- dust jacket.

*The Golden Dream* Robert Silverberg, 2020-12-04 One of the most persistent legends in the annals of New World exploration is that of the Land of Gold. This mythical site was located over vast areas of South America (and later, North America); the search for it drove some men mad with greed and, as often as not, to their untimely deaths. In this history of quest and adventure, Robert Silverberg traces the fate of Old World explorers lured westward by the myth of El Dorado. From the German conquistadores licensed by the Spanish king to operate out of Venezuela, to the journeys of Gonzalo Pizarro in the Amazon basin, and to the nearly miraculous voyage of Francisco Orellana to the mouth of the Amazon River, encountering the warlike women who gave the river its name, violence and bloodshed accompanied the determined adventurers. Sir Walter Raleigh and a host of other explorers spent small fortunes and many lives trying to locate Manoa, a city that was rumored to be El Dorado—City of Gold.

Celebrated science fiction author Robert Silverberg recreates these legendary quests in *The Golden Dream: Seekers of El Dorado*.

*The Gold of El Dorado* Victor Wolfgang Von Hagen,1978

My Quest for El Dorado Ross Salmon,2015 Where had the Inca fled to when the Spaniards opened up the New World? Broadcaster Ross Salmon bought cameras and equipment, mortgaged his house and made four expeditions into Bolivia to find out.

**The golden man** Victor Wolfgang Von Hagen,1974

*The Quest for the Lost City of Eldorado* Broque Johnson,2023-03-14 The Quest for the Lost City of Eldorado is an adventure story about a team of archeologists who embark on a journey through the Amazon rainforest to uncover the secrets of the legendary Lost City of Eldorado. Along the way, they face many dangers, including treacherous terrain, venomous creatures, hostile tribes, and even betrayal from one of their own. As they solve puzzles and riddles to unlock the city's gates, they discover that Eldorado holds many more secrets than they ever could have imagined. In the end, the team finds the city's greatest treasure, but must decide whether the dangers they faced were worth the reward

Eldorado and the Quest for Fortune and Glory in South America Peter O. Koch,2021-06-23 This book traces the origin of the legend of El Dorado and the various expeditions that set out to locate that mysterious land of untold wealth in South America. Motivated by both fanciful rumors of a golden city ruled by a man who coated himself daily with gold dust, and the more practical allure of a region abundant in cinnamon trees (a spice that was worth its weight in gold to Europeans), many conquistadors convinced themselves that another native empire awaited their conquest. These quests for fortune and glory would lead to an encounter with fierce female warriors who were believed to be the Amazons of ancient Greek lore, and the discovery of the mighty river later named for the legendary Amazon tribe. The first half of this book details the lesser-known accounts of German interest in locating the wealth of a golden kingdom called Xerira and an elusive passage at Venezuela's Lake Maracaibo which supposedly led to the Pacific Ocean. The second section focuses on the various Spanish efforts to discover El Dorado, each of which was eventually doomed to despair, disappointment, and death.
