The Maritime Labour Convention 2006: International Labour Law Redefined Jennifer

Lavelle,2013-12-13 With the Maritime Labour Convention now in force (as of August 2013), the shipping industry is faced with a new international convention that has comprehensive implications across all sectors. This vital text provides timely analysis and thought-provoking essays regarding the Convention's application and enforcement in practice. Hailed as the Seafarer's Bill of Rights and the fourth pillar of the international regulatory regime for quality shipping, the Maritime Labour Convention is set to significantly alter the playing field for key stakeholders. This book offers diverse and interesting commentary in respect of the Convention's impact on core sectors of the shipping industry, identifying both strengths and weaknesses of the Convention, as well as potential hurdles that will need to be overcome. Each chapter focuses on a different aspect of the Convention, ranging from individual rights of the seafarer to challenges of flag State implementation. Special attention is given to enforcement through examination of the innovative measures provided in the Convention itself, along with discussion of domestic enforcement mechanisms in certain States. Furthermore, the book evaluates whether the Convention has filled existing gaps in maritime labour law, resolved prior difficulties or created new problems. This book expertly addresses issues of fundamental importance to national authorities, shipping professionals and associations, maritime lawyers and academics worldwide. ---In memory of Richard Shaw--

101 Life Skills Games for Children Bernie Badegruber,2011-01-01 How do you teach tolerance, self-awareness, and responsibility? How can you help children deal with fear, mistrust, or aggression? Play a game with them! Games are an ideal way to help children develop social and emotional skills; they are exciting, relaxing, and fun. 101 LIFE SKILLS GAMES FOR CHILDREN: LEARNING, GROWING, GETTING ALONG (Ages 6-12) is a resource that can help children understand and deal with problems that arise in daily interactions with other children and adults. These games help children develop social and emotional skills and enhance self-awareness. The games address the following issues: dependence, aggression, fear, resentment, disability, accusations, boasting, honesty, flexibility, patience, secrets, conscience, inhibitions, stereotypes, noise, lying, performance, closeness, weaknesses, self confidence, fun, reassurance, love, respect, integrating a new classmate, group conflict. Organized in three main chapters: (I-Games, You-Games and We-Games), the book is well structured and easily accessible. It specifies an objective for every game, gives step-by-step instructions, and offers questions for reflection. It provides possible variations for each game, examples, tips, and ideas for role plays. Each game contains references to appropriate follow-up games and is illustrated with charming drawings.

The Magic Drum and Other Favourite Stories Sudhā Mūr̥ti,2006 A princess thinks she was a bird, a coconut that cost a thousand rupees, and a shepherd with a bag of words...Kings and misers, princes and paupers, wise men and foolish boys, the funniest and oddest men and women come alive in this sparkling new collection of stories. The clever princess will only marry the man who can ask her a question she cannot answer; the orphan boy outwits his greedy uncles with a bag of ash; and an old couple in distress is saved by a magic drum. Sudha Murty's grandparents told her some of these stories when she was a child; others she heard from her friends from around the world. These delightful and timeless folktales have been her favourites for years, and she has recounted them many times over to the young people in her life. With this collection, they will be enjoyed by many more readers, of all ages. Age group of target audience is 8+.

Elephant #26 Marc Valli,Robert Shore,2016-06-07 Elephant is a quarterly magazine about art and visual culture. Featuring up-to-the-minute visual material, fresh faces and original voices, the magazine covers and uncovers new trends and talent.The current art world is divided between the traditionally 'proper' realm and what is known as applied and commercial art. The most interesting work seems to be happening in the middle of the two: when photographers, architects, designers and creatives manage to transcend their initial brief and start thinking like artists. Elephant documents when and how artists wander outside the confines of the museum and gallery environment, becoming aware of trends and thinking like designers.Direct, sincere and multi-disciplinary, Elephant aims to have more depth and breadth than any other visual art magazine. It visits art and design studios, steps on graffiti artists' toes, rides fixed-gear bikes, plays with new computer games, disturbs rehearsals and interrupts takes. The 'elephant' is always in the room.
