**Lynne Cantwell**

**Bog Magic** Lynne Cantwell, 2020-03-18 Ah, the Emerald Isle. Mysterious ruins, magic crows, and?golems?A trip to Ireland sounded like just the thing for me - Raney Meadows, half undine and 100% out-of-work actress - and my new Elemental friends. I mean, we had to take some stuff that belonged to the dead brother of Collum, my favorite gnome, back to their parents in County Kilkenny anyway. And we all kind of needed a vacation after that battle with my father for control of a multiple-reality-straddling coal seam in West Virginia. When a river goddess told me that Daddy Dearest had used the uproar to cover his theft of a Key to a door behind which was a thing that could destroy the Earth, and now he was headed for Ireland to use it - well, that kind of sealed the deal. So here we are. We've already found my father. Now we need to beat him to the magic door, wherever it is. And we also need to keep him from catching me - which would be a whole lot easier if he didn't have a bunch of clay men at his beck and call. Good thing Tiger the cat stayed in America with my mother. She could get into some real trouble here?

**River Magic** Lynne Cantwell, 2020-03-11 I thought I'd escaped my troubles when I fled Hollywood to hike the Appalachian Trail. But trouble keeps finding me... There I was - Raney Meadows, a sort-of-famous actress on a really long hike - when a river goddess left this kayaker's body right where I'd stumble over it. Well, not stumble, exactly. The guy was in the water. But then I'm half-undine - a Water Elemental - so I could have stumbled over him. I mean, it's possible. Anyway, then the dead guy's brother shows up and tells me he wasn't a kayaker. And because I play a homicide investigator on TV, he asks me to find the killer. Which, okay. But I think the brother might be an Elemental, too. And since then we've met two people who could also be Elementals. So what's with the Elementals convention? Why here in Harpers Ferry, West Virginia? And why did the dead guy's cat pick me, of all people, to bond with?

Beach Magic: The Elemental Keys Book 4 Lynne Cantwell, 2020-04-05 The four-book saga concludes with its most adventurous adventure yet! So there we were in Colorado - me, Raney Meadows, and my three Elemental teammates. We'd just put my father and his demon keeper on ice - well, actually, on the opposite of ice - and now we had to get past a sylph to grab the final Elemental Key from its hiding place at the top of Mt. Elbert. Then, I figured, it would all be over. The demon would have only three of the four Keys he needed to open the Door to the Very Bad Thing that Could Destroy the Earth. So we'd win. I mean, you can't open a door without all the keys, right? Yeah, no. I should have realized it wouldn't matter whether we had the Air Key. That demon - and whoever his Master was - would do whatever it took to open the Door of Doom, even if it meant tricking our band of Elementals into going through a portal of fire to get it done...

**A New Goddess** Autumn M. Birt, 2018-01-15 The time has come to end their punishment or the world. For nearly destroying the world in an ancient war, the Ashanti were cursed by the Goddess Mhyrah with lifespans of less than a decade. To regain normal lives for his people, Beh'kana, the Ashanti King, will conquer death by gaining control of the source of all elemental magic: the spirit realm. Even if he must burn the world to do so. After all, he already killed his closest friend to gain

the Ashanti throne. But his defeat at the Earth Gate nearly cost him his life. Lavinia did not seek to be named Guardian of the Spheres when she touched each to gain control of elemental power. But now that choice has propelled her to being the key to stop the Ashanti. She controls the gates that allow magic into the world. And she must close them or the Ashanti will cross into the spirit realm and gain power beyond imagination, enough to enslave or destroy the world they once sought to rule. But with the closure of each gate, an elemental power is lost. Only two gates remain open. Magic is faint. Just when the fight grows the most desperate. To win needed help, Lavinia has promised a man who once tried to kill her best friend that she would open the gates and restore magic again. It might give them the power to fight the Ashanti or it will give their enemy the world. Discover the end to the epic fantasy journey begun in book 1 of the Games of Fire trilogy, *Spark of Defiance*, and continued through book 2, *Gates of Fire & Earth*.
