Santa's Elves Save Christmas ,1991

Ten Little Elves Mike Brownlow,2020-10-27 Ten little elves set off on a mission to rescue Christmas. But what will the little elves do when they meet a growling polar bear, a yowling yeti and a scary Ice Queen? Will the little elves save the day?

Festival of the Elves Angeli Elliott,2020-09-14 The story follows the adventures of two young elves plunged into the human world on a twinkly, swirly, snowy night. Their mission? To share a beloved elf tradition and make the month of December more magical and joyous for humans, one elf note at a time. But will their magic meter register enough magic to get them home?!Elliott and Kemble's spellbinding picture book is saturated with magical characters and cheerful Christmas traditions that champion kindness, merriment, and the magic of sharing. - Publishers Weekly booklife Families looking for additional holiday traditions may enjoy sharing this-and re-creating the activity-together. - KIRKUSWith debut author Angeli Elliott's *Festival of the Elves* comes a charming and precious story of elf siblings Noel and Holly and their quest to bring a secret note tradition to human families. The book written under the pen name of Holly Figgyworth, tells the story of the elf Christmas custom started by Holly and Noel's own Grandpa elf Norris Figgyworth, who wanted the holiday season to be full of surprises and delights. Every night in December, Grandpa Figgyworth left funny little notes and sometimes trinkets for his family, friends, and neighbors. As he delivered each note, he would say with a little half smile, a wiggle of his left eyebrow, and a waggle of his right ear, The magic around you is the magic you make. Filled with lush full-page spreads of glorious and delightfully playful paintings by illustrator Mai S. Kemble, the book showcases the intricate world of North Pole elves and their journey to spread the magic of tradition to a loving human family. The story is the perfect length as a read-aloud for the youngest set and read-alone for those children just learning. Kids of all ages will enjoy poring over the details of the beautifully rendered elves and their elaborate clothing, homes, and objects. *Festival of the Elves* is a perfect addition to any family's treasure of time-honored Christmas books, with an enduring and magical story and tradition to read and share together for years to come.

Better Not Pout Annabeth Albert,2018-11-12 In this gay Christmas romance, a snowstorm traps a gruff military police officer playing Santa gets with an overly enthusiastic do-gooder. Teddy MacNally loves Christmas and everything that goes along with it. When he plays an elf for his charity's events, he never expects to be paired with a Scrooge masquerading as Santa Claus. His new mission: make the holiday-hating soldier believe he was born to say ho-ho-ho. Sergeant Major Nicholas Nowicki doesn't do Santa, but he's army to his blood. When his CO asks an unusual favor, Nick of course obliges. The elf to his Kris Kringle? Tempting. Too tempting-Nick's only in town for another month, and Teddy's too young, too cheerful and too nice for a one-night stand. The slow, sexy make-out sessions while Teddy and Nick are alone and snowbound, though, feel like anything but a quick hookup. As a stress-free holiday fling turns into Christmas all year round, Teddy can't imagine his life without Nick. And Nick's days on the base may be coming to a close, but he doesn't plan on leaving anything, or anyone, behind. Praise for *Better Not Pout* "[A] tender and funny contemporary romance. . . . Their sexual chemistry

is explosive. . . . Albert's obvious affection for her characters, particularly Nick, makes this tale a pleasure." –Publishers Weekly "A lovely, feel-good story about two people who are perfect for each other but need just a bit of Christmas magic to help them to see it. . . . I teared up a bit near the end, and then closed the book with a happy sigh and a smile on my face, which is never a bad thing." –All About Romance

The Elves' Night Before Christmas Holly Kowitt, David Manis, 2016 On no! Santa's elves forgot to make a present for Santa. But it's the night before Christmas... Can the elves create a special gift for Santa in time?

Happy Holidays--Animated! William D. Crump, 2019-03-11 Since the early 20th century, animated Christmas cartoons have brightened the holiday season around the world--first in theaters, then on television. From devotional portrayals of the Nativity to Santa battling villains and monsters, this encyclopedia catalogs more than 1,800 international Christmas-themed cartoons and others with year-end themes of Hanukkah, Kwanzaa and the New Year. Explore beloved television specials such as A Charlie Brown Christmas, theatrical shorts such as Santa's Workshop, holiday episodes from animated television series like American Dad! and The Simpsons, feature films like The Nutcracker Prince and obscure productions such as The Insects' Christmas, along with numerous adaptations and parodies of such classics as A Christmas Carol and Twas the Night before Christmas.

A Little Book Of Christmas John Kendrick Bangs, 2023-02-22 HETHERINGTON wasn't half a bad sort of a fellow, but he had his peculiarities, most of which were the natural defects of a lack of imagination. He didn't believe in ghosts, or Santa Claus, or any of the thousands of other things that he hadn't seen with his own eyes, and as he walked home that rather chilly afternoon just before Christmas and found nearly every corner of the highway decorated with bogus Saints, wearing the shoddy regalia of Kris- Kringle, the sight made him a trifle irritable. He had had a fairly good luncheon that day, one indeed that ought to have mellowed his disposition materially, but which somehow or other had not so resulted. In fact, Hetherington was in a state of raspy petulance that boded ill for his digestion, and when he had reached the corner of Forty-second Street and Fifth Avenue, the constant iteration and reiteration of these shivering figures of the god of the Yule had got on his nerves to such an extent as to make him aggressively quarrelsome....

Saint Mick Mick Foley, 2017-10-17 From beloved #1 New York Times bestselling author and WWE Hall-of-Famer Mick Foley comes a Yuletide tale like no other. After a lifetime of putting his body on the line to entertain his dozens (and dozens!) of fans, the Hardcore Legend is paying the price – physically and emotionally. When the final bell on Mick's career tolls, not in the ring, but in a neurologist's office, his future seems far from merry and bright. Until Mick is given the chance to become Santa Claus – not dress up, not pretend, but become Santa – allowing him to rediscover the joy of performing. Fully committing to his new mission, Mick details the drastic measures he takes to keep the Christmas magic alive for his young children, as well as the many children he meets in his travels who are in need of some Christmas Spirit. In order to fully embrace his new red-suited responsibilities, Mick enters the fascinating world of the Santa subculture, where he hones his Christmas craft while worrying he'll be excommunicated from the Santa world for, among other things, his Santa character being run over by a motor vehicle on Christmas

Eve on WWE television. And with the help of an unlikely elf – 8-time Grammy award winner Norah Jones – Mick learns valuable lessons about the real power and responsibility of wearing the red suit. Because true success as Santa comes not by appearing in front of millions on TV, but by touching peoples' lives by creating Santa moments for both the young and the young at heart. Part jolly memoir, part whimsical ode to a lifetime love affair with Christmas, part solemn tribute to the power of finding the best part of oneself in the unlikeliest of places, Saint Mick offers the magic of Christmas on every single page. With a foreword by Stephanie McMahon, and featuring never-before-seen photos of the whole Foley family!

The Musical Standard, 1869

The Things They Carried Tim O'Brien, 2009-10-13 Look for O'Brien's new book, *American Fantastica*, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Christmas Comfort Classics Cookbook Gooseberry Patch, 2016-06-01 235 recipes with easy-to-follow directions using familiar ingredients, plus sweet holiday memories and clever tips for creating your own sweet memories.

Subtle Bodies Norman Rush, 2014-06-03 **A NEW YORK TIMES NOTABLE BOOK** In a sophisticated romp through the tribulations and joys of marriage and friendship, a group of college friends reunites two decades after graduation. After the sudden death of Douglas, once the ringleader of a clique of self-styled wits, his four best friends are summoned to his Catskills estate to mourn his passing. Responding to a mysterious sense of emergency in the call, Ned flies in from San Francisco with his wife Nina in furious pursuit; they're at a critical point in their attempts to conceive and she won't let a funeral get in the way. It is Nina who gives us a pointed, irreverent commentary as the men reconvene, while Ned tries to understand what it was that made this clutch of souls his friends to begin with—before time, sex, work, and the brutal quirks of history reshaped them. Filled with unexpected, funny, telling aperçus, Norman Rush's *Subtle Bodies* is also a deeply moving exploration of the meanings of life.

Blindsight Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force

introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Four Against Darkness Andrea Sfiligoi, 2017-09-13 Four Against Darkness is a solitaire dungeon-delving game that may also be played cooperatively. No miniatures are needed. All you need is this book, a pencil, two dice, and grid paper. Choose four characters from a list of classic types (warrior, wizard, rogue, halfling, dwarf, barbarian, cleric, elf), equip them, and venture into dungeons created by dice rolls and your own choices. You will fight monsters, manage resources, grab treasure, dodge traps, find clues, and even accept quests from the monsters themselves. Your characters will level up, becoming more powerful with each game... IF THEY SURVIVE.

Graphic Novels Paul Gravett, 2005 A comprehensive book about comics, covering the following aspects: Criticism, childhood, war, superheroes, dreams, fear, crime, morality, humor, time travel, love, and desire.

Hands Free Mama Rachel Macy Stafford, 2014-01-07 "Rachel Macy Stafford's post The Day I Stopped Saying Hurry Up was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living "Hands Free" If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society's answer to finding balance in a media-saturated, perfection-obsessed world. It doesn't mean giving up all technology forever. It doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our

loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.

The Children's Book A. S. Byatt, 2009-11-03 From the renowned author of *Possession*, *The Children's Book* is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change – for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until *The Children's Book* becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame's *The Wind In the Willows*, not long after Alice's Adventures in Wonderland. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. *The Children's Book* is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.
