John Bunyan

Comentario al texto hebreo del Antiguo Testamento C. F. Keil, F. Delitzsch, 2016-04-26
Considerado el comentario por excelencia entre todos los comentarios del A.T., citado constantemente por todos los demás comentaristas, lingüistas y estudiosos de la Biblia, el *Biblischer Commentar über das Alte Testament*, trabajo magistral de investigación filológica realizado por Johann Friedrich Carl Keil y Franz Julius Delitzsch, es reconocido universalmente como la obra más completa, seria y erudita que se ha escrito sobre el Antiguo Testamento. Y la mejor vía de aproximación a la complejidad del sentido original de las palabras utilizadas en el texto hebreo.
