Private Newport Bettie Bearden Pardee,2004-04-14 Newport, Rhode Island, blessed with stunning ocean vistas and constant sea breezes, is home to some of the most exceptional private residences in America. Its deeply rooted history makes it a perennial destination, with more than 3.5 million visitors each year. Although it is one of the most high profile towns in the country, Newport is also one of the most cloistered. Private Newport: At Home and in the Garden offers an invitation to venture beyond the privet hedges and massive iron gates. It is the first book to step inside the privately owned mansions to reveal a diverse collection of architectural jewels complemented by spectacular gardens. These homes, created by distinguished architects and landscape designers, are stunning examples of Newport's 375-year old-world heritage. Eighteen exquisite and unique homes are prominently featured-from the resilient crescent curve of majestic Seafair, which withstood the Hurricane of '38, to the prizewinning Japanese garden at Wildacre, to the nostalgic working farm of heritage breeds at Swiss Village-each contributing its own part to the Eden of America.

The Decorated Home Meg Braff,2017-04-11 In her first book, interior designer Meg Braff presents the building blocks of a pretty, polished home. Everyone wants a house that is filled with grace and charm. Classic yet cheerful, Meg Braff's style has a formality that is never studied, an elegance that is approachable and pretty. In seven chapters that cover the basics of her look, Braff shares advice on creating rooms that are both livable and attractive. In the first two chapters, she explores the key elements of her look—color and pattern—and how to employ them for maximum impact in your home. She discusses the essential elements of stylish bedrooms (hint: bring back the dressing table), explores the fundamentals of inviting baths and breakfast rooms, and gives tips on making chic outdoor spaces. Finally, Braff explains the importance of finishing touches, the little extras that elevate a room's decor from good to great. All of her advice comes together in an overall theme of gracious living that will be warmly welcomed by readers looking to impart polish, color, and grace to their home. Lushly illustrated with vivid images of Braff 's lively work, *The Decorated Home* is an inspiring, idea-filled resource that readers will turn to again and again. "Think Slim Aarons meets Technicolor elegance." —Traditional Home

Science in an Enchanted World Julie Davies,2018-06-14 Best known as the Saducismus triumphatus (1681), Joseph Glanvill's book on witchcraft is among the most frequently published from the seventeenth century, and its arguments for the reality of diabolic witchcraft elicited passionate responses from critics and supporters alike. Davies untangles the intricate development of this text and explores how Glanvill's roles as theologian, philosopher and advocate for the Royal Society of London converge in its pages. Glanvill's broader philosophical method and unique approach to the supernatural provide a case study that enables the exploration of the interaction between the rise of experimental science and changing attitudes to witchcraft.

Coming to My Senses Alyssa Harad,2012-07-05 A sudden love affair with fragrance leads to sensual awakening, self-transformation, and an unexpected homecoming At thirty-six—earnest, bookish, terminally shopping averse—Alyssa Harad thinks she knows herself. Then one day she stumbles on a perfume review blog and, surprised by her seduction by such a girly extravagance, she reads in secret. But one trip to the mall and several dozen perfume samples later, she is happily obsessed with the seductive underworld of scent and the brilliant, quirky people she meets there. If only she could put off planning her wedding a little longer. . . . Thus begins a life-changing journey that takes Harad from a private perfume laboratory in Austin, Texas, to the glamorous fragrance showrooms of New York City and a homecoming in Boise, Idaho, with the women who watched her grow up. With warmth and humor, Harad traces the way her unexpected passion helps her open new frontiers and reclaim traditions she had rejected. Full of lush description, this intimate memoir celebrates the many ways there are to come to our senses.

Grown Tiffany D. Jackson,2020-09-15 An instant New York Times bestseller! "Grown exposes the underbelly of a tough conversation, providing a searing examination of misogynoir, rape culture, and the vulnerability of young black girls. Groundbreaking, heart-wrenching, and essential reading for all in the #MeToo era." —Dhonielle Clayton, New York Times bestselling author of The Belles Award-winning author Tiffany D. Jackson delivers another riveting, ripped-from-the-headlines mystery that exposes horrific secrets hiding behind the limelight and embraces the power of a young woman's voice. When legendary R&B artist Korey Fields spots Enchanted Jones at an audition, her dreams of being a famous singer take flight. Until Enchanted wakes up with blood on her hands and zero memory of the previous night. Who killed Korey Fields? Before there was a dead body, Enchanted's dreams had turned into a nightmare. Because behind Korey's charm and star power was a controlling dark side. Now he's dead, the police are at the door, and all signs point to Enchanted. "Never have I read a story that so flawlessly hits the highest high and lowest low notes of Black girlhood in pursuit of the American Dream." —Nic Stone, New York Times bestselling author of Dear Martin and Jackpot

Sophie's World Jostein Gaarder,2007-03-20 One day Sophie comes home from school to find two questions in her mail: Who are you? and Where does the world come from? Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Uses of Enchantment Bruno Bettelheim,2010-05-11 Winner of the National Book Award and National Book Critics Circle Award A charming book about enchantment, a profound book about fairy tales.—John Updike, The New York Times Book Review Bruno Bettelheim was one of the great child psychologists of the twentieth century and perhaps none of his books has been more influential than this revelatory study of fairy tales and their universal importance in understanding childhood development. Analyzing a wide range of traditional stories, from the tales of Sindbad to “The Three Little Pigs,” “Hansel and Gretel,” and “The Sleeping Beauty,” Bettelheim shows how the fantastical, sometimes cruel, but always deeply significant narrative strands of the classic fairy tales can aid in our greatest human task, that of finding meaning for one’s life.

Enchanted House Ad 507 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Enchanted House Ad 507 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Enchanted House Ad 507 has opened up a world of possibilities. Downloading Enchanted House Ad 507 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Enchanted House Ad 507 has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Enchanted House Ad 507. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Enchanted House Ad 507. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Enchanted House Ad 507, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Enchanted House Ad 507 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
