Basic Dictionary Of Synonyms And Antonyms Laurence Urdang, 1982 A dictionary as well as a thesaurus, and a much simplified one at that! It gives you all the basic words used in the English language, their chief meanings, all important synonyms and antonyms where needed. To make the meaning of each entry clear, it uses the words in a sentence and where the secondary meanings are considerably different from the first, uses it in two or more sentences. Much larger dictionaries and synonym books are available, but they often confuse the reader by providing long lists of complicated, often rare words, and other technicalities. This book is much more useful, and used with good judgment, should yield excellent results

Different types of dictionaries Andishe Gottlieb, 2005-11-25 Seminar paper from the year 2005 in the subject English Language and Literature Studies - Linguistics, grade: A (1,0), Middle Tennessee State University, course: Modern English Grammar and Usage, 21 entries in the bibliography, language: English, abstract: Most students don't know how different types of dictionaries can be used. Some of them don't even know that there are different types of dictionaries, although the knowledge of how a term can be best found in the appropriate dictionary is an aid for academic research and will be helpful on their future job. This paper is to inform not only students but also the general public who is interested in dictionaries about the use of dictionaries, as well as the many different types and kinds of dictionaries that are available to them. Dictionaries can help everyone to better understand the own language, or languages one is learning. This paper also contains a list of good monolingual and bilingual dictionaries with some sample pages. It also provides the explanation of certain types of specialized dictionaries which seemed interesting and important to the author.

The Little Oxford English Dictionary, Eighth Edition + the Little Oxford Thesaurus, Second Edition + the Little Oxford Dictionary of Quotations, Third Edition Oxford University Press, Incorporated, 2006-02-01 A Little Reference Set proves that good things come in small packages. The set includes the new edition of the Little Oxford English Dictionary, based on the highly-acclaimed New Oxford Dictionary of English--in a portable and durable format; the Little Oxford Thesaurus, an ideal companion to the Little OED containing more than 150,000 alternative and opposite words in a user-friendly format; as well as the Little Oxford Dictionary of Quotations, a selection of more than 4,000 witty quotations from the best quotations of past and present. Little Oxford English Dictionary: This new edition of the Little Oxford English Dictionary is part of Oxford's new range of dictionaries based on the highly-acclaimed New Oxford Dictionary of English. With an emphasis on clarity and accessibility both in terms of layout and content, and in a portable and durable format, it is an excellent all-purpose dictionary. The

attractive new design makes it very easy to find the information you need, and definitions are written in clear and simple English, avoiding technical vocabulary. Pronunciation guidance is given using a simple respelling system, and extra help is provided in the shape of in-text notes which give guidance on spelling, usage, and selected word origins; special panels also cover general grammar points, such as punctuation, word building, and parts of speech. Little Oxford Thesaurus: A new edition of this handy and affordable thesaurus from Oxford, with a radically new open design. There are more than 150,000 alternative and opposite words, with the most useful alternative words given first to enable fast and easy access to the right word. Clear and comprehensive cross-referencing gives fuller coverage, while the inclusion of more example sentences than ever before enables you to pinpoint the correct sense of the word accurately and quickly. In addition, there is a new Wordbuilder supplement to help build vocabulary skills and increase your confidence in and command of the English language: includes useful lists of related terms, plus foreign words and phrases. Little Oxford Dictionary of Quotations: This new redesigned edition is the perfect gift for every occasion. Selected from the best quotations of past and present, the dictionary is packed with quotable quotes on every subject from Examinations to Weddings. Whatever the special occasion, here you can find special words to express your ideas.
