**An English-Romanian and Romanian-English Cultural Thematic Dictionary** Simona Şimon,Claudia Elena Stoian,2019-01-08 Globalisation has reshaped the face of the world, turning the society in which we live into a multicultural one. In such a new world, there is a strong need to master the culture-specific vocabulary in the languages we speak. This book will mainly appeal to translators, interpreters, students, and other professionals that work in the cultural field or in any other field in which intercultural communication plays an essential role, and in which the communication languages are English and Romanian. The dictionary approaches the cultural aspects of today's multicultural society from a broad linguistic perspective, focusing on several topics, such as cultural ideology, national identity, cuisine, clothing, holidays, language and sports. The general and semi-specialised vocabulary offered here is organised thematically and alphabetically. The book structure, the pairs of languages and the included thematic lists make the dictionary a unique and easy-to-use tool.

**Romanian Vocabulary Book** Pinhok Languages,2022-05-01 Romanian vocabulary book + Romanian dictionary This Romanian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Romanian-English as well as English-Romanian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Romanian learning resource is a combination of Romanian vocabulary book and a two-way basic Romanian dictionary: Part 1 - Topic based Romanian vocabulary book: This is the main part of the book and represents a list of chapters each containing Romanian vocabularies for a certain topic. The Romanian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Romanian dictionary: The index in the second half of the book can be used as a basic Romanian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Romanian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off

with a second index that allows you to look for Romanian words and directly find the English translation. How to use this Romanian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Romanian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Romanian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Romanian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Romanian and comes in particularly handy at times when there is no internet to look up words and phrases.
