The Indiscretion Judith Ivory, 2009-03-17 The elegance, warmth, wit, and emotional intensity of

award-winning author Judith Ivory's superbly romantic tales are unsurpassed. Now, in her most dazzling novel yet, she transports the reader to the rugged moors of England to celebrate a love that is daring, passionate....and most indiscreet. Daring to love Lady Lydia Bedford-Browne's small rebellion becomes the adventure of her life, when her coach crashes and leaves her stranded on the treacherous Dartmoor with the only other passenger: a rugged, disarmingly attractive Texan named Sam Cody. Sam's slow, melodic drawl and dark, hypnotic eyes tempt Lydia in ways she never thought possible. But dare the lord's daughter loosen her proper English restraints any further? Foul luck has caused the dashing American millionaire to miss his own wedding to an unforgiving bride...for the second time! Worse still, he's stuck in the middle of nowhere with a straight-laced noble beauty. But there is an unmistakable spark of courage, sensuality, and wild passion beneath Liddy's prim exterior, daring Sam to pursue even further what his heart and his soul now desperately desire -- even though both the Texan's and the lady's vastly different worlds will be rocked if they dare surrender to...The Indiscretion

Motion to Suppress Perri O'Shaughnessy, 2007-12-18 Returning from her late shift as a barmaid at a casino in Lake Tahoe, Misty Patterson struck her violently jealous husband in self-defense. She admits that--but did she kill him? She says she can't remember. Like so many times before, Misty blacked out and the rest of the evening is a blank. Now her husband has disappeared, leaving behind a trail of blood, and she's the number-one murder suspect with no one to turn to for help. San Francisco attorney Nina Reilly is also on the run—from a bad marriage and a worse career setback. Relocated to Lake Tahoe, Nina is resolved to recover her spirit, give her young son a secure home, and build up a small solo practice. But, when Misty Patterson walks in the door, a blond Barbie doll of a cocktail waitress accused of murder, it triggers a harrowing series of events that will change

both women's lives forever. Common sense says Misty is lying. To win this case Nina will have to trust her own instincts, diving headlong into the dark convolutions of the human mind. This murder case—teeming with sinister secrets, unspoken betrayals, and jolting revelations—is going to change everything Nina Reilly believes about the law. It's going to rock everything Misty believes about herself. And if they can learn to trust each other, it's going to give both women their one and only chance to reclaim their shattered lives. In a spellbinding novel that doesn't let go from the first page until the shocking unforgettable conclusion, Perri O'Shaughnessy delivers an electrifying legal thriller about two women risking all they have for the truth that could cost them their lives—or set them both free.

Deep State Chris Hauty, 2023-03-14 THE INSTANT NATIONAL BESTSELLER “One of the more surprising double-reverse plot twists...in some time.” —The New York Times In this “propulsive, page-turning, compelling, fragmentation grenade of a debut thriller” (C.J. Box, #1 New York Times bestselling author), a deadly plot against the president’s life emerges from the shadows of the Deep

State. Recently elected President Richard Monroe—populist, controversial, and divisive—is at the center of an increasingly polarized Washington, DC. Never has the partisan drama been so tense or the paranoia so rampant. In the midst of contentious political turf wars, the White House chief of staff is found dead in his house and West Wing intern and ex-Army grunt Hayley Chill is positive that it's not from natural causes. Determined to find the truth, Hayley uncovers shocking evidence that a wide-ranging conspiracy is running beneath the surface of DC in an effort to undermine the rule of law—and democracy itself. Soon, Hayley is in a race against time to reveal the truth and save the life of the next victim: the president. "Deep State rings eerily true [and] will keep you turning pages well into the night" (Jack Carr, former Navy SEAL and author of *The Terminal List*).

Reading God's Story George H. Guthrie, 2011-11-01 Stories are basic to life. Everybody loves a good story. We have been reading, listening to, or watching stories all of our lives, so we intuitively

know a lot about how they work. Yet, more and more, Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together. Indeed, God gave us the stories of the Bible to reveal great truth about Himself and about our lives, and He wants to draw us into the ongoing story of what He is doing in the world. By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively. Reading God's Story takes that clear narrative approach to the Bible, arranging the complete text into a fresh chronological reading plan developed for the Read the Bible for Life biblical literacy initiative. In this plan the books, chapters, and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture, day by day, from beginning to end, understanding the flow of events and how all the different parts fit together to make sense. Reading God's Story features two-color interior page layout and is organized into 52 weeks of readings (six readings per week). It presents Scripture in three main acts (God's Plan for All People; God's Covenant People; God's New Covenant People) and seventeen total scenes, providing an introduction for each act and scene to orient the reader to its importance in the grand story. Unlike other chronological Bibles, this arrangement is not date specific (e.g. January 1), so a person can begin using this edition at any point in the calendar year.

Guns of the Dawn Adrian Tchaikovsky, 2015-02-12 Guns of the Dawn is a pacey, gripping fantasy of war and magic, from Arthur C. Clarke Award-winning author, Adrian Tchaikovsky. 'One of the best books I've ever read' - Peter Newman, author of The Vagrant The first casualty of war is

truth . . . First, Denland's revolutionaries assassinated their king, launching a wave of bloodshed after generations of peace. Next they clashed with Lascanne, their royalist neighbour, pitching war-machines against warlocks in a fiercely fought conflict. Genteel Emily Marshwic watched as the hostilities stole her family's young men. But then came the call for yet more Lascanne soldiers in a ravaged kingdom with none left to give. Emily must join the ranks of conscripted women and march toward the front lines. With barely enough training to hold a musket, Emily braves the savage reality of warfare. But she begins to doubt her country's cause, and those doubts become critical. For her choices will determine her own future and that of two nations locked in battle. 'An engrossing story, beautifully told' - SFX 'Moving, gripping and wonderfully paced' - The Bookbag

With the Fire on High Elizabeth Acevedo, 2019-06-01 From New York Times bestselling author of POET X comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about

making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time, turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life — and everyone else's rules that she refuses to play by — once Emoni starts cooking, her only choice is to let her talent break free.
