Rethinking Disability Jan W. Valle,David J. Connor,2019-02-05 Now in its second edition, *Rethinking Disability* introduces new and experienced teachers to ethical framings of disability and strategies for effectively teaching and including students with disabilities in the general education classroom. Grounded in a disability studies framework, this text's unique narrative style encourages readers to examine their beliefs about disability and the influence of historical and cultural meanings of disability upon their work as teachers. The second edition offers clear and applicable suggestions for creating dynamic and inclusive classroom cultures, getting to know students, selecting appropriate instructional and assessment strategies, co-teaching, and promoting an inclusive school culture. This second edition is fully revised and updated to include a brief history of disability through the ages, the relevance of current educational policies to inclusion, technology in the inclusive classroom, intersectionality and its influence upon inclusive practices, working with families, and issues of transition from school to the post-school world. Each chapter now also includes a featured voice from the field written by persons with disabilities, parents, and teachers.

The Entrepreneur's Survival Handbook Derreck Ford,2020-12-28 Being an entrepreneur is risky. USA Today has written that "only 1 out of 5 new businesses survive past their first year of operation." Even fewer new businesses make it to five or ten years. Those who want to buck the odds must have persistence, resilience, and creativity to survive. An entrepreneur with over 30 years of experience knows all too well what a challenge it can be to start a business and has created a book to help budding entrepreneurs to not only build their business but to thrive. The Entrepreneur's Survival Handbook covers challenges entrepreneurs face that are not common knowledge—or even discussed. It includes essential topics such as these: • The wisdom of hiring friends and family • The importance of an employee manual • Overcoming the fear of such a big undertaking • How to read a room • Solutions to potential problems The handbook features 52 pointers for entrepreneurs—one for each week of the year—to study and record results. Entrepreneurs can read them one by one or shuffle them like a deck of cards. This one-of-a-kind resource serves as an excellent complement to traditional business school training, allowing entrepreneurs their best chance to achieve success and build their businesses.

Deep State Chris Hauty,2023-03-14 THE INSTANT NATIONAL BESTSELLER "One of the more surprising double-reverse plot twists...in some time." —The New York Times In this "propulsive, page-turning, compelling, fragmentation grenade of a debut thriller" (C.J. Box, #1 New York Times bestselling author), a deadly plot against the president's life emerges from the shadows of the Deep State. Recently elected President Richard Monroe—populist,

controversial, and divisive—is at the center of an increasingly polarized Washington, DC. Never has the partisan drama been so tense or the paranoia so rampant. In the midst of contentious political turf wars, the White House chief of staff is found dead in his house and West Wing intern and ex-Army grunt Hayley Chill is positive that it's not from natural causes. Determined to find the truth, Hayley uncovers shocking evidence that a wide-ranging conspiracy is running beneath the surface of DC in an effort to undermine the rule of law—and democracy itself. Soon, Hayley is in a race against time to reveal the truth and save the life of the next victim: the president. "Deep State rings eerily true [and] will keep you turning pages well into the night" (Jack Carr, former Navy SEAL and author of *The Terminal List*).

Reading God's Story George H. Guthrie, 2011-11-01 Stories are basic to life. Everybody loves a good story. We have been reading, listening to, or watching stories all of our lives, so we intuitively know a lot about how they work. Yet, more and more, Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together. Indeed, God gave us the stories of the Bible to reveal great truth about Himself and about our lives, and He wants to draw us into the ongoing story of what He is doing in the world. By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively. *Reading God's Story* takes that clear narrative approach to the Bible, arranging the complete text into a fresh chronological reading plan developed for the Read the Bible for Life biblical literacy initiative. In this plan the books, chapters, and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture, day by day, from beginning to end, understanding the flow of events and how all the different parts fit together to make sense. *Reading God's Story* features two-color interior page layout and is organized into 52 weeks of readings (six readings per week). It presents Scripture in three main acts (God's Plan for All People; God's Covenant People; God's New Covenant People) and seventeen total scenes, providing an introduction for each act and scene to orient the reader to its importance in the grand story. Unlike other chronological Bibles, this arrangement is not date specific (e.g. January 1), so a person can begin using this edition at any point in the calendar year.

The Indiscretion Judith Ivory, 2009-03-17 The elegance, warmth, wit, and emotional intensity of award-winning author Judith Ivory's superbly romantic tales are unsurpassed. Now, in her most dazzling novel yet, she transports the reader to the rugged moors of England to celebrate a love that is daring, passionate....and most indiscreet. Daring to love Lady Lydia Bedford-Browne's small rebellion becomes the adventure of her life, when her coach crashes and leaves her stranded on the treacherous Dartmoor with the only other passenger: a rugged, disarmingly attractive Texan named Sam Cody. Sam's slow, melodic drawl and dark, hypnotic eyes tempt Lydia in ways she never thought possible. But dare the lord's daughter loosen her proper English restraints any further? Foul luck has caused the dashing American millionaire to miss his own wedding to an unforgiving bride...for the second time! Worse still, he's stuck in the middle of nowhere with a straight-laced noble beauty. But there is an unmistakable spark of courage, sensuality, and wild passion beneath Liddy's prim exterior, daring Sam to pursue even further what his heart and his soul now desperately desire -- even though both the Texan's and the lady's vastly different worlds will be rocked if they dare surrender to...*The Indiscretion*

Motion to Suppress Perri O'Shaughnessy, 2007-12-18 Returning from her late shift as a barmaid at a casino in Lake Tahoe, Misty Patterson struck her violently jealous husband in self-defense. She admits that—but did she kill him? She says she can't remember. Like so many times before, Misty blacked out and the rest of the evening is a

blank. Now her husband has disappeared, leaving behind a trail of blood, and she's the number-one murder suspect with no one to turn to for help. San Francisco attorney Nina Reilly is also on the run—from a bad marriage and a worse career setback. Relocated to Lake Tahoe, Nina is resolved to recover her spirit, give her young son a secure home, and build up a small solo practice. But, when Misty Patterson walks in the door, a blond Barbie doll of a cocktail waitress accused of murder, it triggers a harrowing series of events that will change both women's lives forever. Common sense says Misty is lying. To win this case Nina will have to trust her own instincts, diving headlong into the dark convolutions of the human mind. This murder case—teeming with sinister secrets, unspoken betrayals, and jolting revelations—is going to change everything Nina Reilly believes about the law. It's going to rock everything Misty believes about herself. And if they can learn to trust each other, it's going to give both women their one and only chance to reclaim their shattered lives. In a spellbinding novel that doesn't let go from the first page until the shocking unforgettable conclusion, Perri O'Shaughnessy delivers an electrifying legal thriller about two women risking all they have for the truth that could cost them their lives—or set them both free.

The Roommate Rosie Danan,2020-09-15 Warmly funny and gorgeously sexy.—New York Times Book Review A LibraryReads Pick House Rules: Do your own dishes Knock before entering the bathroom Never look up your roommate online The Wheatons are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She's the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara's childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it's also too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton's most scandalous story yet. His professional prowess inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too.

Guns of the Dawn Adrian Tchaikovsky,2015-02-12 Guns of the Dawn is a pacey, gripping fantasy of war and magic,

from Arthur C. Clarke Award-winning author, Adrian Tchaikovsky. 'One of the best books I've ever read' - Peter Newman, author of *The Vagrant* The first casualty of war is truth . . . First, Denland's revolutionaries assassinated their king, launching a wave of bloodshed after generations of peace. Next they clashed with Lascanne, their royalist neighbour, pitching war-machines against warlocks in a fiercely fought conflict. Genteel Emily Marshwic watched as the hostilities stole her family's young men. But then came the call for yet more Lascanne soldiers in a ravaged kingdom with none left to give. Emily must join the ranks of conscripted women and march toward the front lines. With barely enough training to hold a musket, Emily braves the savage reality of warfare. But she begins to doubt her country's cause, and those doubts become critical. For her choices will determine her own future and that of two nations locked in battle. 'An engrossing story, beautifully told' - SFX 'Moving, gripping and wonderfully paced' - The Bookbag

The Attorney Steve Martini, 2001-01-01 Paul Madriani takes on dual roles—defense attorney and sleuth—in this riveting legal thriller by the New York Times bestselling author of *Blood Flag* and *The Secret Partner*. "Legal thrillers don't get much better than this," wrote Publishers Weekly in praise of *The Judge*. Kirkus Reviews hailed *Undue Influence* as "the courtroom novel of the year." Now Martini delivers one of Paul Madriani's most challenging cases in *The Attorney*: where a drug-addicted mother is pitted against her daughter's newly rich grandfather in a contentious custody case that leads to criminal accusations—and ultimately murder...

Property Thomas W. Merrill, Henry E. Smith, 2012 This revised casebook is designed for a building block property course that serves as a student's foundation for the rest of law school and beyond. Avoiding the typical hodge-podge of issues, the book presents material in an integrated way, starting with the central role of exclusive in rem rights in property, and systematically developing elaborations, exceptions, and counterfoils to this idea using vivid cases, both old and new. Timely issues in intellectual property, mortgages, and regulatory takings, as well as traditional topics like equity and restitution, are given expansive treatment. The emphasis throughout is on fundamental principles and policy questions.
