Rachel S Tattersall

Snatched into Paradise (2 Cor 12:1-10) James Buchanan Wallace,2011-01-27 In 2 Corinthians 12:1-10, Paul claims to have been snatched into paradise but then tells how he received a “thorn in the flesh”. Many recent scholars contend that Paul belittles ecstatic experiences such as the ascent to paradise. This monograph places 2 Corinthians 12:1-10 in the contexts of ancient ascent traditions as well as other accounts of extraordinary religious experience in Paul’s letters, and it engages premodern interpretation of the ascent. This study argues that for Paul, extraordinary experiences such as the ascent enable self-transcending love for God and neighbors.

Traversing the Middle Gavin Hyman,2013-10-10 In recent philosophy, theology, and critical theory, postmodern thought has been much criticized on specifically ethical and political grounds. In particular, it has been argued that postmodernism has induced passivity and is impotent in the face of the challenges presented by the hegemonic global market. In response numerous thinkers have called for the return of the metanarrative or have insisted on the necessity of the domain of the universal. In this book, Gavin Hyman accepts the diagnosis, while contesting the cure. Through detailed engagements with the work of Alain Badiou, Slavoj Žižek, and John Milbank--as well as discussions of the work of Simon Critchley, Michael Hardt, and Antonio Negri--Hyman argues that many contemporary thinkers merely invert the problems intrinsic to postmodernism and therefore do not effectively escape them. He argues that the ethical and political are best preserved and perpetuated through the negotiating of an ongoing tension between the domains of the universal, the particular, and the singular. To proceed thus would be to traverse the terrain of the middle--ethically, politically, and religiously.

Braided Selves Pamela Cooper-White,2011-06-10 What if we are more multiple as persons than traditional psychology has taught us to believe? And what if our multiplicity is a part of how we are made in the very image of a loving, relational, multiple God? How have modern, Western notions of Oneness caused harm--to both individuals and society? And how can an appreciation of our multiplicity help liberate the voices of those who live at the margins, both of society and within our own complex selves? Braided Selves explores these questions from the perspectives of postmodern pastoral psychology and Trinitarian theology, with implications for the practice of spiritual care, counseling, and psychotherapy. This volume gathers ten years of essays on this theme by preeminent pastoral theologian Pamela Cooper-White, whose writings bring into dialogue postmodern, feminist, and psychoanalytic theory and constructive theology.

U Turn to Paradise Marilyn D. Alcorn,2023-10-24 U-Turn to Paradise provides the reader with a figurative treasure map that is oftentimes described in literal terms.Revealed in the stories that are retold is a how-to-get-to-heaven-from-here-to-there book. Testimonials from believers provide statements of miraculous deliveries, which also define their level of Christian faith and express how ordinary people overcome day-to-day struggles and relationship dramas through the power of prayer, praise, and living holy to the glory of God. Through the reading of their testimonies, one may find out how to do the same in one’s life—that is, make a “U-turn to paradise.” We see how they, through the power of the Holy Spirit, established true Christian boundaries and practical worship in the name of Jesus Christ in a world that has become more and more accepting of evil with each passing day! Other testimonials are gleaned from the lives of biblical figures. In these stories, Marilyn reveals how these inspired men of God struggled to either regain their spiritual compass or were determined to help others to discover the blessings and the practical benefits of making their “U-turn to paradise.” She uses the retelling of these testimonials to showcase how-to examples, even algorithms, of how one who is living in today’s 2012, 2013, and 2014 generation and beyond can follow the narrow path in the way that Jesus of Nazareth went to return to the great God in heaven! You will also learn that you must be spiritually fit—that is, “U” must repent of your sins and ask God for His unfailing mercy to be cleansed of all unrighteousness! At the writing of the second edition, God has blessed her to reside in Rancho Cordova, California, a city located just east of Sacramento, the state capital! In closing, she prays in the holy name of Jesus is that may it grow fervently, your desire to serve Him, He who can hold you blameless before God (2 Peter 3.14), “in spirit and in truth” (John 4:24) day by day by all day; may you purpose in your heart in these evil-filled days to be with the Lord Jesus Christ; and may you answer the divine call of your shepherd and your King to be a member of His remnant church and thus return unto Him to live in paradise (Psalm 23:1; Revelation 2:7)! A-m-e-n! A-m-e-n! A-l-l-e-l-u-i-a!

Revelation Exegetical Commentary - 2 volume set Robert L. Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing, the book of Revelation has captured the fascination of the Christian church. The earliest Christians were unanimous in understanding it along a premillennial view of Jesus' second coming, but other hermeneutical approaches began to emerge in the third century. These clouded, and added complexity to, the task of explaining the book's meaning. For most of the Christian era, consequently, many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery. An avalanche of interpretive literature has evidenced remarkable interest in the book's contents, but along with the interest has come widespread bewilderment. Written especially for the informed layman, student, and scholar, this commentary seeks to clear the air. The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative, evangelical theology, but the reader will not get a narrow view on areas of disagreement. This commentary interacts with a range of major views, both evangelical and nonevangelical. It reaffirms the basic framework of eschatology espoused by ancient Christianity, but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ. All exegesis and exposition in this 2-volume commentary are based on the original language of the text. Translations used are those of the author, and textual criticism and word study are included where appropriate. This in-depth commentary also includes extended excursions on important topics of theological and historical interest.

Creation and Christology Masanobu Endo,2002 Since previous scholarship has searched for figures equivalent to the personified Logos in the Johannine Prologue, scholars have often ignored the context of which the Genesis creation account is the center. Masanobu Endo examines that reference to the Genesis creation account as it appears in contexts where the unique identity of God is maintained. In eschatological contexts the realization of eschatological salvation is strongly expected on the grounds of the sovereignty of God, which is known in his work of creation. This observation of the theological function of the Genesis creation account in the Second Temple period may shed light on the question of why reference is made to the Genesis creation account in the Johannine prologue. What this means is that the descriptions of the identity of the Word (the Son) in the Johannine prologue were made on the grounds of Jewish monotheistic speculation about the identity of God the Creator.
