**The Book of Blood and Shadow** Robin Wasserman, 2012 While working on a project translating letters from sixteenth-century Prague, high school senior Nora Kane discovers her best friend murdered with her boyfriend the apparent killer and is caught up in a dangerous web of secret societies and shadowy conspirators, all searching for a mysterious ancient device purported to allow direct

communication with God.

*Prague in Black and Gold* Peter Demetz, 1998-03-18 Prague is at the core of everything both wonderful and terrible in Western history, but few people truly understand this city's unique culture. In *Prague in Black and Gold*, Peter Demetz strips away sentimentalities and distortions and shows how Czechs, Germans, Italians, and Jews have lived and worked together for over a thousand years.

**Wolf on a String** Benjamin Black, 2017-06-06 Bestselling author Benjamin Black turns his eye to sixteenth century Prague and a story of murder, magic and the dark art of wielding extraordinary power. Christian Stern, an ambitious young scholar and alchemist, arrives in Prague in the bitter winter of 1599, intent on making his fortune at the court of the Holy Roman Emperor, the eccentric Rudolf II. The night of his arrival, drunk and lost, Christian stumbles upon the body of a young woman in Golden Lane, an alley hard by Rudolf's great castle. Dressed in a velvet gown, wearing a large gold medallion around her neck, the woman is clearly well-born—or was, for her throat has been slashed. A lesser man would smell danger, but Christian is determined to follow his fortunes wherever they may lead. He quickly finds himself entangled in the machinations of several ruthless courtiers, and before long he comes to the attention of the Emperor himself. Rudolf, deciding that Christian is that rare thing—a person he can trust—sets him the task of solving the mystery of the woman's murder. But Christian soon realizes that he has blundered into the midst of a power struggle that threatens to subvert the throne itself. And as he gets ever nearer to the truth of what happened that night in Golden Lane, he finally sees that his own life is in grave danger. From the spectacularly inventive Benjamin Black, *Wolf on a String* is a historical crime novel that delivers both a

mesmerizing portrait of a lost world and a riveting tale of intrigue and suspense.

**Empty Streets** Michal Ajvaz, 2016 In a junkyard on the outskirts of Prague, a painter stumbles across a mysterious wooden object. As he begins to notice the object's strange shape reproduced in various places around the city, he realizes that it holds the key to uncovering the truth about the recent disappearance of a young girl. His attempts to understand the meaning of the object bring him into contact with an array of characters, and the stories they tell him widen the vortex of uncertainty that the object has opened. Will the increasingly intricate web of clues eventually lead him to the truth? *Empty Streets* is both a thrilling fantasy and a philosophical meditation on the search for meaning in modern life.

*Prague Tales* Jan Neruda, 1993-04-15 This is a collection of Jan Neruda's intimate, wry, bittersweet stories of life among the inhabitants of the Little Quarter of nineteenth-century Prague. These finely tuned and varied vignettes established Neruda as the quintessential Czech nineteenth-century realist, the Charles Dickens of a Prague becoming ever more aware of itself as a Czech rather than an Austrian city. *Prague Tales* is a classic by a writer whose influence has been acknowledged by generations of Czech writers, including Ivan Klíma, who contributes an introduction to this new translation.

*The Broken Compass* Peter Hitchens, 2009-06-20 The main enemy of conservatism in Britain is the Conservative Party.

**Franz Kafka** Franz Kafka, 2020-12-08 Franz Kafka: The Office Writings brings together, for the first time in English, Kafka's most interesting professional writings, composed during his years as a high-ranking lawyer with the largest Workmen's Accident Insurance Institute in the Czech Lands of the Austro-Hungarian Empire. Franz

Kafka (1883-1924) is commonly recognized as the greatest German prose writer of the twentieth century. It is less well known that he had an established legal career. Kafka's briefs reveal him to be a canny bureaucrat, sharp litigator, and innovative thinker on the social, political, and legal issues of his time. His official preoccupations inspired many of the themes and strategies of the novels and stories he wrote at night. These documents include articles on workmen's compensation and workplace safety; appeals for the founding of a psychiatric hospital for shell-shocked veterans; and letters arguing relentlessly for a salary adequate to his merit. In adjudicating disputes, promoting legislative programs, and investigating workplace sites, Kafka's writings teem with details about the bureaucracy and technology of his day, such as spa elevators in Marienbad, the challenge of the automobile, and the perils of excavating in quarries while drunk. Beautifully translated, with valuable commentary by two of the world's leading Kafka scholars and one of America's most eminent civil rights lawyers, the documents cast rich light on the man and the writer and offer new insights to lovers of Kafka's novels and stories.

*Beerhiking Bavaria* Rich Carbonara, 2019-10 Beer lovers and

hiking enthusiasts, these 50 hikes are for you] Beer Hiking Bavaria guides you through much of what Bavaria has to offer with wonderful hikes through cobblestoned old towns, dense forests and mountain landscapes, past hilltop castles, traditional monastic breweries and lush barley fields. Beer lovers and hiking enthusiasts, these 50 hikes are for you! Beer Hiking Bavaria guides you through much of what Bavaria has to offer with wonderful hikes through cobblestoned old towns, dense forests and mountain landscapes, past hilltop castles, traditional monastic breweries and lush barley fields. On his quest for great beer, the author has explored a host of picturesque trails far from the madding crowd. The best part? They all end up at a local brewery.

*Whiteshift* Eric Kaufmann, 2019-02-05 “This ambitious and provocative work . . . delves into white anxiety about the demographic decline of white populations in Western nations” (Publishers Weekly). “Whiteshift” is defined as the turbulent journey from a world of racially homogeneous white majorities to one of racially hybrid majorities. In this dada-driven study, political scientist Eric Kaufmann explores how these demographic changes across Western societies are transforming their politics. The early stages of this transformation have led to a populist disruption, tearing a path through the usual politics of left and right. If we want to avoid more radical political divisions, Kaufmann argues, we have to enable white conservatives as well as cosmopolitans to view whiteshift as a positive development. Kaufmann examines the evidence to explore ethnic change in North American and Western Europe. Tracing four ways of dealing with this transformation—fight, repress, flight, and join—he makes a persuasive call to move beyond empty talk about national identity. Deeply thought provoking, enriched with illustrative stories,

and drawing on detailed and extraordinary survey, demographic, and electoral data, *Whiteshift* will redefine the way we discuss race in the twenty-first century.

*What Makes a Marriage Last* Marlo Thomas, Phil

Donahue, 2020-05-05 NEW YORK TIMES BESTSELLER Power couple Marlo Thomas and Phil Donahue have created a compelling and intimate collection of intriguing conversations with famous couples about their enduring marriages and how they have made them last through the challenges we all share. What makes a marriage last? Who doesn't want to know the answer to that question? To unlock this mystery, iconic couple Marlo Thomas and Phil Donahue crisscrossed the country and conducted intimate conversations with forty celebrated couples whose long marriages they've admired—from award-winning actors, athletes, and newsmakers to writers, comedians, musicians, and a former U.S. president and First Lady. Through these conversations, Marlo and Phil also revealed the rich journey of their own marriage. *What Makes a Marriage Last* offers practical and heartfelt wisdom for couples of all ages, and a rare glimpse into the lives of husbands and wives we have come to know and love. Marlo and Phil's frequently funny, often touching, and always engaging conversations span the marital landscape—from that first rush of new love to keeping that precious spark alive, from navigating hard times to celebrating triumphs, from balancing work and play and family to growing better and stronger together. At once intimate, candid, revelatory, hilarious, instructive, and poignant, this book is a beautiful gift for couples of every age and stage. *The Moldau (Vltava)* Bedrich Smetana, 2018-10 The Moldau (Vltava) is the second tone poem in a set of six from *Ma Vlast* (My Homeland). The best description is from the composer himself, The composition describes the course of the Vltava, starting from the two small springs, the Cold and Warm Vltava, to the unification of both streams into a single current, the course of the Vltava through woods and meadows, through landscapes where a farmer's wedding is celebrated, the round dance of the mermaids in the night's moonshine: on the nearby rocks loom proud castles, palaces and ruins aloft. The Vltava swirls into the St John's Rapids; then it widens and flows toward Prague, past the Vysehrad, and then majestically vanishes into the distance, ending at the Labe. Composed rapidly between

November 20 and December 8 of 1874, it was premiered in Zofrin on April 4, 1875 with the orchestra conducted by Adolf Cech. It was last of the two symphonic poems from the series to be published in the composer's lifetime. The newly engraved edition offered here has been prepared by Richard W. Sargeant Jr. from the primary sources and dispenses with some of the odd additions made by various publishers in the early part of the 20th century and is a must for all who treasure Smetana's orchestral masterpiece. **Corpora and Language Learners** Guy Aston, Silvia

Bernardini, Dominic Stewart, 2004-01-01 Corpus-aided language pedagogy is one of the central application areas of corpus methodologies, and a test bed for theories of language and learning. This volume provides an overview of current trends, offering methodological and theoretical position statements along with results from empirical studies. The relationship between corpora and learning is examined from complementary perspectives ☐ the study of learner language, the didactic use of corpus findings, and the interaction between corpora and their users. Reflections on current theory and technology open and close the volume. With its focus on the learner and the learning setting, *Corpora and Language Learners* is addressed to corpus linguists with an interest in learner language, applied linguists wishing to expand their understanding of corpora and their pedagogic potential, and language teachers wishing to critically assess the relevance of work in this field. This volume grew out of selected presentations at the 5th Teaching and Language Corpora conference in Bertinoro, Italy.

**Pilgrim at Tinker Creek** Annie Dillard, 2009-10-13 Winner of the

Pulitzer Prize "The book is a form of meditation, written with

headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel.” — Eudora Welty, New York Times Book Review

*Pilgrim at Tinker Creek* is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of beauty tangled in a rapture with violence. Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

**Storm Wolf** Stephen Morris,2016-09 Libahunt! Alexei breaks the terms of the wolf-magic he inherited from his grandfather and loses the ability to control the shapeshifting, becoming a killer and slaughtering his neighbors, his friends -- even his family. His grandfather's magical wolf-pelt was meant to protect their rural village in 1880s Estonia by fighting the terrible storms in the sky that could devastate the farms and fields and instead it drives Alexei to kill with impunity. Heartbroken at what he has become, Alexei flees his home and wanders through Estonia, Latvia, Lithuania, Poland, and Bohemia. He encounters the Master of Wolves who controls all the wolves and werewolves, a monster who steals children to turn them into killer-wolves, and the legendary Frau Bertha with her belt of sailor-skin to trap those who anger her in animal form. Dare he hope to ever find an enchanter who can free him from the curse?

The Man on a Donkey H.F.M. Prescott,2023-05-11 A forgotten literary masterpiece, *The Man on a Donkey* is less about the great figures who shape historical change and more about what it's like to live through it. This is a sweeping, immersive historical novel that invites the reader to inhabit Tudor history as it unfolds: Henry VIII's divorce from Catherine of Aragon; Robert Aske's rebels fighting the Dissolution of the Monasteries; the machinations of Cardinal Wolsey

and Anne Boleyn. It is, quite simply, one of the finest historical novels ever written. Praise for *The Man on a Donkey*: 'A classic of historical fiction... Blends real and invented characters and captures all the poignant strangeness of the era' Hilary Mantel 'One of the finest historical novels ever written' TLS 'A masterpiece' Eamon Duffy

*Abattoir Blues* Peter Robinson, 2015-06-16 Brilliantly plotted, beautifully paced, it gathers speed and dread until I could barely stand it. Peter Robinson writes with compassion, with depth, with the assurance of a writer at the top of his game and rewards us with a truly heart-pounding finale.--Louise Penny Now in trade paperback and for fans of Peter Robinson's 22nd book in the much-loved, bestselling (over ten million copies worldwide and counting!) Inspector Banks series--perfect for fans of Ian Rankin and Michael Connelly. The story begins with a series of criminal incidents: a stolen tractor; an apparent crime scene in an old hangar at an abandoned World War II airfield; and, if it weren't enough, two local young men are reported missing. One of them lives in a caravan, which is burned to the ground one night, and the other's girlfriend receives an unwelcome visit from someone impersonating a police officer. Just as Banks and his team are getting a grip on all these cases, a car accident in a freak hailstorm turns up a gruesome discovery that spins the investigation into high gear. In classic Peter Robinson edge-of-your-seat style, a race against time ensues, and it seems that not even the investigators themselves are safe.
