Scoop Jack Nelson, 2012-11-30 From a gullible cub reporter with the Daily Herald in Biloxi and Gulfport, to the pugnacious Pulitzer Prize winner at the Atlanta Constitution, to the peerless beat reporter for the Los Angeles Times covering civil rights in the South, Jack Nelson (1929-2009) was dedicated to exposing injustice and corruption wherever he found it. Whether it was the gruesome conditions at a twelve-thousand-bed mental hospital in Georgia or the cruelties of Jim Crow inequity, Nelson proved himself to be one of those rare reporters whose work affected and improved thousands of lives. His memories about difficult circumstances, contentious people, and calamitous events provide a unique window into some of the most momentous periods in southern and U.S. history. Wherever he landed, Nelson found the corruption others missed or disregarded. He found it in lawless Biloxi; he found it in buttoned-up corporate Atlanta; he found it in the college town of Athens, Georgia. Nelson turned his investigations of illegal gambling, liquor sales, prostitution, shakedowns, and corrupt cops into such a trademark that honest mayors and military commanders called on him to expose miscreants in their midst. Once he realized that segregation was another form of corruption, he became a premier reporter of the

civil rights movement and its cast of characters, including Martin Luther King Jr., Stokely Carmichael, Alabama's Sheriff Jim Clarke, George Wallace, and others. He was, through his steely commitment to journalism, a chronicler of great events, a witness to news, a shaper and reshaper of viewpoints, and indeed one of the most important journalists of the twentieth century.

CBS's Don Hollenbeck Loren Ghiglione, 2011 Loren Ghiglione recounts the fascinating life and tragic suicide of Don Hollenbeck, the controversial newscaster who became a primary target of McCarthyism's smear tactics. Drawing on unsealed FBI records, private family correspondence, and interviews with Walter Cronkite, Mike Wallace, Charles Collingwood, Douglas Edwards, and more than one hundred other journalists, Ghiglione writes a balanced biography that cuts close to the bone of this complicated newsman and chronicles the stark consequences of the anti-Communist frenzy that seized America in the late 1940s and 1950s. Hollenbeck began his career at the Lincoln, Nebraska Journal (marrying the boss's daughter) before becoming an editor at William Randolph Hearst's rip-roaring Omaha Bee-News. He participated in the emerging field of photojournalism at the Associated Press; assisted in creating the innovative, ad-free PM newspaper in New York City; reported from the European theater for NBC radio during World War II; and anchored television newscasts at CBS during the era of Edward R. Murrow. Hollenbeck's pioneering, prize-winning radio program, CBS Views the Press (1947-1950), was a declaration of independence from a print medium that had dominated American newsmaking for close to 250 years. The program candidly criticized the prestigious New York Times, the Daily News (then the paper with the largest circulation in America), and Hearst's flagship Journal-American and popular morning tabloid Daily Mirror. For this honest work, Hollenbeck was attacked by conservative anti-Communists, especially Hearst columnist Jack O'Brian, and in 1954, plagued by depression, alcoholism, three failed marriages, and two network firings (and worried about a third), Hollenbeck took his own life. In his investigation of this amazing American character, Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation. Separating myth from fact, CBS's Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America's tortured conscience.

Hot Type, Cold Beer and Bad News Michael D. Roberts, 2018-11-01 The 1960s were the most turbulent era in Cleveland history—and an exciting time to be a newspaper reporter. This memoir takes you back to the tumult. It's an eyewitness account by a veteran journalist who, as an ambitious young reporter, covered the major events of the day: civil rights violence, corruption and crime, Vietnam, Kent State, and more. Cleveland was already changing by the beginning of the 1960s. Racial unrest, migration to the suburbs and the decline of its once-mighty industrial base reshaped the city's politics and population. Cleveland found itself at the forefront of social upheaval that would sweep the nation and alter America. In those days, a journalist could find a story that reflected the times down the street or around the world. Reporting for the Plain Dealer, Michael D. Roberts covered a decade of destruction, death and dissension—from the riots on Cleveland's East Side to the Tet Offensive in Vietnam, the aftermath of the Six-Day War in the Middle East and the tragedy of the Kent State shootings. There were enlightened moments, too. For a good part of that decade the eyes of the nation were on Cleveland, watching whether it would elect the first African American mayor of a major American city. It did, in Carl B. Stokes. It was also the last golden hour of print newspapers—although they didn't know it yet. Technology had not yet altered the business. All a journalist needed was a pen, a notebook, a typewriter, a pay phone and a pocketful of change. Television was only just beginning to make a serious impact on news reporting. Newspapers were a unifying force in communities, a friendly visitor that arrived on your doorstep every day. But by decade's end, the spirit of revolt would come to haunt the newspaper and pluck both the verve and the soul from it. For a reporter in search of a big story, though, bad times were also the best of times. This is the way it was.
