Wonders in the Sky Jacques Vallee,Chris Aubeck,2010-10-28 One of the most ambitious works of paranormal investigation of our time, here is an unprecedented compendium of pre-twentieth-century UFO accounts, written with rigor and color by two of today's leading investigators of unexplained phenomena. In the past century, individuals, newspapers, and military agencies have recorded thousands of UFO incidents, giving rise to much speculation about flying saucers, visitors from other planets, and alien abductions. Yet the extraterrestrial phenomenon did not begin in the present era. Far from it. The authors of Wonders in the Sky reveal a thread of vividly rendered-and sometimes strikingly similar- reports of mysterious aerial phenomena from antiquity through the modern age. These accounts often share definite physical features- such as the heat felt and described by witnesses-that have not changed much over the centuries. Indeed, such similarities between ancient and modern sightings are the rule rather than the exception. In Wonders in the Sky, respected researchers Jacques Vallee and Chris Aubeck examine more than 500 selected reports of sightings from biblical-age antiquity through the year 1879-the point at which the Industrial Revolution deeply changed the nature of human society, and the skies began to open to airplanes, dirigibles, rockets, and other opportunities for misinterpretation represented by military prototypes. Using vivid and engaging case studies, and more than seventy-five illustrations, they reveal that unidentified flying objects have had a major impact not only on popular culture but on our history, on our religion, and on the models of the world humanity has formed from deepest antiquity. Sure to become a classic among UFO enthusiasts and other followers of unexplained phenomena, Wonders in the Sky is the most ambitious, broad-reaching, and intelligent analysis ever written on premodern aerial mysteries.

A Taste of Switzerland Sue Style,John Miller,2009 Now you can discover some of Switzerland's finest recipes and culinary traditions. A Taste of Switzerland includes more than 50 recipes of specialities from all regions of Switzerland. Chapters focus on festivities, breads, cheeses, sausages, game and mushrooms, the significance of chocolate, fruits, wine, and the art of the Swiss hotelier. There is a bibliography, a list of food and wine museums, an index and 119 luscious colour photographs. Swiss food, folklore, history and traditions are interspersed with many recipes to give you a tempting taste of the richness of the country's diverse gastronomic cultures. Sue Style's writing stimulates more than your taste buds as she describes the delectable flavours that give a unique identity to each region. She takes you to dairies, vineyards, butchers and bakers, as well as to

some of Switzerland's finest restaurants and hotels and shares with you her many impressions, anecdotes - and of course recipes. Clear and simple instructions enable you to prepare a whole range of Swiss dishes and specialities.

**No Tomorrow** Tom Wood,2014-09-02 Victor the assassin returns in the new novel from the author of The Killer, The Enemy, and The Game... THE JOB IS SIMPLE When Victor is called to meet with an old friend who ultimately betrayed him, what he thought was an ambush is in fact a plea for help. As a Russian gangster, Norimov is accustomed to death threats, but now an unknown enemy wants more than his life. They intend to kill everyone he cares about, including his missing daughter Gisele. This time, Victor's job is not to kill but to protect. Unfortunately, locating Gisele is his first mistake—because someone is watching his every move. ESCAPE IS IMPOSSIBLE Before she went into hiding, Gisele had uncovered a secret worth killing for—and now Victor has brought the enemy right to her doorstep. The least he can do is help her escape. But the ruthless network they're up against has the police, MI5, and every major news outlet joining in the manhunt across London.
