Media,2022-04-26T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 My parents were very strict about their children's grades, but they were also very supportive of their children's interests and dreams. They raised us to be compassionate towards others, and we benefited from that. #2 I had a rapid onset of scoliosis when I was twelve. My parents waited anxiously while the doctors operated on me, fixing my spine by extracting bone from my hip and fusing the eleven curved vertebrae together. I was told that my competitive sports career was over. #3 I had grand ambitions that fell far outside my father's pragmatism. I was obsessed with success, and I was driven by an innate ambition. But I also needed to prove my worth. #4 I retired from skiing, and I fell in love with the uncertainty of being in a foreign place. I made friends with some Gypsy kids in Greece. Their parents had been rounded up and shipped back to Serbia, but they were still able to travel freely.

The Godfather of Poker Doyle Brunson, Mike

Cochran,2012-05-29 Fascinating true-life adventure of an American treasure, a man who bluffed death, survived the mean streets of Fort Worth and mob-run Las Vegas, and bet millions of dollars on everything from poker to golf, to become a two-time world champion poker player. The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. It's a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie Casino), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. Apparently, fate had never played poker with Brunson—he lived. Of a group of 32 men he played poker with in the tough alleys of

Texas, just he and one other survived the treacherous perils of that life. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told he's going to die with a gunman pointing a pistol at his forehead. Again, he lived. He's gambled for millions of dollars—and with his life against the real-life mobsters and killers made famous in the movie *Casino*—and was the biggest sports bettor in the world with a reputation of betting enormous sums of money on just about anything. Doyle has not only made more money at golf than anyone else until Tiger Woods came along, he once bet one million dollars on a single hole—that, when he was virtually wheelchair-bound and could barely stand. He's been hard-up flat broke more times than he's got fingers and has won millions of dollars just as many times. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah's Ark and raise the Titanic. Doyle's rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions—sometimes in seconds—but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary “Babe Ruth of Poker”—the greatest gambler and poker player who has ever lived.

The Biggest Bluff Maria Konnikova, 2021-06-08 A New York Times bestseller • A New York Times Notable Book “The tale of how Konnikova followed a story about poker players and wound up becoming a story herself will have you riveted, first as you learn about her big winnings, and then as she conveys the lessons she learned both about human nature and herself.” —The Washington Post It's true that Maria Konnikova had never

actually played poker before and didn't even know the rules when she approached Erik Seidel, Poker Hall of Fame inductee and winner of tens of millions of dollars in earnings, and convinced him to be her mentor. But she knew her man: a famously thoughtful and broad-minded player, he was intrigued by her pitch that she wasn't interested in making money so much as learning about life. She had faced a stretch of personal bad luck, and her reflections on the role of chance had led her to a giant of game theory, who pointed her to poker as the ultimate master class in learning to distinguish between what can be controlled and what can't. And she certainly brought something to the table, including a Ph.D. in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold'em, their initial end point the following year's World Series of Poker. But then something extraordinary happened. Under Seidel's guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn't. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. She won a major title, got a sponsor, and got used to being on television, and to headlines like How one writer's book deal turned her into a professional poker player. She even learned to like Las Vegas. But in the end, Maria Konnikova is a writer and student of human behavior, and ultimately the point was to render her incredible journey into a container for its invaluable lessons. The biggest bluff of all, she learned, is that skill is enough. Bad cards will come our way, but keeping our focus on how we play them and

not on the outcome will keep us moving through many a dark patch, until the luck once again breaks our way.

Summary of Sam Wasson's The Big Goodbye Everest Media,2022-04-06T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Roman Polanski knew that his attraction to Sharon Tate, or any woman, stirred in him feelings of terrible sorrow as ancient as long-lost wars. He knew the reasons behind it, and he didn't like it, but it made sense. #2 Sharon was a dutiful daughter who loved to cook and help her parents. She was twenty-three when she signed with Ransohoff. She had been seeing someone, Jay Sebring, a

hairstylist to the stars, for about three years. #3 Roman had done acid once or twice. He had a date named Sharon, who was an angel. She was fantastic, and he was in love with her. But he was doomed by the possibility of recurrence, because he knew that could happen again. #4 Roman's father, Ryszard, moved the family to Kraków in 1936. In 1939, the Germans occupied Warsaw. Roman and his sister clung to their mother, while their father did nothing.

Glücksspielsuchtforschung in Deutschland Sven

Buth,Jens Kalke,Jens Reimer,2013-06-20 In § 11 des Glücksspielstaatsvertrages heißt es, dass die Bundesländer die wissenschaftliche Forschung zur Vermeidung und Abwehr von Suchtgefahren durch Glücksspiele sicherzustellen haben. Diese Regelung der Forschungsförderung hat seit dem Jahr 2008 vielfältige Projekte auf den Weg gebracht. Sie reichen von der Grundlagenforschung über epidemiologische Erhebungen bis hin zur Evaluation konkreter Präventionsmaßnahmen. Die Mehrzahl dieser ländergeförderten Studien ist auf einer Fachtagung im Februar 2012 in Hamburg vorgestellt und in Form von Beiträgen für den vorliegenden Tagungsband beschrieben worden. In ihrer Gesamtheit liefern sie eine theoretisch wie empirisch fundierte Grundlage für die zukünftige Gestaltung von glücksspielbezogener Prävention, Hilfe und Politik in Deutschland.

Totaal 3 Marcel van Roosmalen, 2024-05-07 Maak nu Marcel van Roosmalens Totaal-serie compleet met Totaal 3, bomvol verloren gewaande reportages die grotendeels nooit in boekvorm zijn verschenen Als iemand zich de afgelopen jaren hard heeft gemaakt voor het genre van de reportage is het Marcel van Roosmalen wel. Voor dit derde deel dook hij diep zijn archieven in, want veel stukken bleken niet meer digitaal te bestaan, maar nog wel op papier. Zoals zijn reportage over de comeback van NCRV-coryfee Frank Masmeijer als quizmaster bij de commerciële televisie, de reeks waarvoor hij als liftende reporter 'op zoek naar de ziel van het nieuwe Europa' gaat en onderweg wordt beroofd, een hilarische reportage over een goedkope cruise op de Middellandse Zee, of zijn bezoek aan een 'bejaardenparadijs', een luxe verzorgingsflat waar welgestelde ouderen voor veel geld in de watten worden gelegd. De beste verloren gewaande reportages sinds 1996 staan in dit deel, waarmee de Totaal-trilogie, gekenmerkt door Van Roosmalens eigenzinnige gevoel voor understatement en zijn scherpe oog voor het menselijk tekort, is afgerond. In de pers 'Bijna elke zin die Van Roosmalen schrijft is raak. Elke droge zin is een mengeling van irritatie, opstandigheid en berusting, en ook kregelig mededogen.' **** de Volkskrant 'Soms is het alsof Marcel de kloof dicht tussen verslaggeverij en moderne poëzie. In drie zinnen meer zeggen dan waar menig collega een bladzijde voor nodig heeft, dat is het. Literaire journalistiek.' **** NRC 'Ik heb het achter elkaar en met tranen in mijn ogen gelezen. Zo

grappig en zo goed geschreven.’ Onno Blom in Nieuwsweekend, NPO Radio 1
