The Ministry of the Word, Vol. 12, No. 10 Various Authors, 2008-10-01 This issue of The Ministry of the Word includes the last nine messages of the 2007 spring term of the full-time training in Anaheim, California. The general subject of this series of messages is The Believers. In the final two messages of the previous issue, we covered ten symbols of the believers in the Bible--the wheat of life, the good seed, the salt of the earth, the light of the world, the fishers of men, a lamp, a city situated upon a mountain, the sun, virgins, and plants. In this issue we will consider thirty-one more symbols of the believers in the Bible--living stones, sheep, vessels of mercy unto honor and glory, grains of wheat, branches of the vine, branches of the cultivated olive tree, a wise master builder, stewards, a spectacle, the offscouring of the world and the scum of all things, the temple of the Holy Spirit, threshing oxen, contenders in a game, runners in a race, workman in carpentry, nursing mother, father, captives of Christ in His triumphal procession, incense-bearers, ambassadors, letters of Christ, mirrors, earthen vessels, pillars, luminaries, a laboring husbandman, a good soldier, stars, the man-child, the firstfruits and the harvest, and jasper and other precious stones. These symbols of the believers help us to see who we are in Christ and who Christ is in us. Seeing who we are in Christ and who Christ is in us will revolutionize our living and bring us into the life and living of the divine-human mystical incorporation of the Triune God. In this divine-human incorporation the Triune God abides in us, and we abide in the Triune God as the mutual abode of God and man, in which we are being built together and structured together with the Triune God to be the New Jerusalem. There are no reports or announcements in this issue.

The Ministry of the Word, Vol. 22, No. 10 Various Authors, This issue of The Ministry of the Word contains the final nine messages given during the spring 2018 term of the full-time training in Anaheim, California. The general subject of this series of messages is Enjoying the Riches of Christ for the Building Up of the Church as the Body of Christ. These messages continue to emphasize the enjoyment of the indescribably rich and all-inclusive Christ as everything to us as seen in the New Testament. In the Gospel of Matthew, we see that we need to have a pure heart to see God, which is to gain God so that we may become God in life and nature. The more we experience and enjoy such an all-inclusive Christ, the more we will become the building material for and even the builders of the church, fulfilling the greatest prophecy in the Bible to bring in the kingdom of God.

The Word of the Lord (A 10-week Bible Study) Nancy Guthrie, 2014-05-31 We have found him of whom Moses in the Law and also the prophets wrote, Jesus of Nazareth. (John 1:45) In the Old Testament, God spoke to his people through prophets—men specially called to speak God's Word to his people. The New Testament makes it clear that such prophets, whether chastising or comforting, testified to Israel's final redemption and ultimate hope: Jesus the Messiah. Over ten weeks of guided personal Bible study, relevant teaching, and group discussion, Bible teacher Nancy Guthrie will help you see the person and work of Christ in: Hosea's willingness, as a faithful bridegroom, to redeem his unfaithful bride from slavery the divine King seated on the throne and the suffering Servant who Isaiah says will be punished for his people the stone that Daniel saw—a stone not hewn by human hands that will crush every human kingdom Ezekiel's vision of a new city called The LORD is There, where we will enjoy Jesus's presence forever Gain a fresh perspective on the message of the Old Testament prophets, a broader understanding of Jesus as the fulfillment of Scripture, and much more when you join with Nancy on this incredible journey to see Jesus in the Old Testament! *A leader's guide is available as a free download at SeeingJesusInTheOldTestament.com and a supplemental DVD of Nancy's teaching is also available for purchase.

The Ministry of the Word, Vol. 21, No. 10 Various Authors, This issue of The Ministry of the Word contains the final nine messages given during the spring 2017 term of the full-time training in Anaheim, California. The general subject of this series of messages is The Mending Ministry of John. The overall subject of John's writings, which include his Gospel, his Epistles, and Revelation, is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity. In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God's eternal economy--the New Jerusalem. The mending ministry of John, carried out in the divine and mystical realm of the consummated Spirit, is for the living out and the working out of the New Jerusalem. The New Jerusalem is lived out by the believers becoming the New Jerusalem, and the New Jerusalem is worked out by the believers building the New Jerusalem. The New Jerusalem is the ultimate answer to the Lord's prayer in

John 17 for the glorification of the Triune God through the oneness of the believers built into the Triune God. This city is the City of Jehovah, the city of life, the holy city, and the city of glory. Even in the Old Testament the prophets describe this city as a person that is one with Jehovah. Isaiah says, They will call you the City of Jehovah (60:14), and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be, Jehovah Is There (48:35). The City of Jehovah means that Jehovah is in His redeemed, regenerated, transformed, and glorified tripartite people and that they are in Him. Jehovah Is There refers to the presence of Jehovah Himself who will be united, mingled, and incorporated with His people to be one entity--the great, corporate God-man. The New Jerusalem is also the city of life. The Christ ministered by John is for the dispensing of the Triune God as life into man's tripartite being. Out of such a ministered Christ, the children of God are brought forth by receiving the eternal life. They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light. They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed. As a result, they become the testimony of Jesus--the lampstands as the expression of the Triune God--to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction. Moreover, the New Jerusalem is the holy city. God's living word--His breathing out as the divine breath into the believers--works within them to separate them from the world and to saturate them with the divine nature to make them a holy city, the corporate and ultimate Holy of Holies as the reality of Zion. To live out and work out the New Jerusalem, the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit (the nature of God's person) and by remaining in the divine fellowship to enjoy God as love (the nature of God's essence) and as light (the nature of God's expression). Furthermore, the New Jerusalem is the city of glory. The Lord wants to occupy every room in our being, and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church. The Father will be glorified when His many sons are thus filled with the Triune God. To be filled with the Triune God of glory for His corporate expression, the believers must cooperate with the Spirit, who is daily operating in them, by their allowing the Spirit to infuse and transmit all the riches of the Triune God into them. All believers need to be open to this Spirit to allow the Triune God to fill them, to flow through them, and to overflow out of them so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ. This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man. The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation. To live out the New Jerusalem is to grow up into Christ, the Head, by the mingling of God with man, and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ. Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride, becoming a married couple, are mingled and incorporated together to be one entity--a great, corporate God-man. Thus, the issue of John's mending ministry is the accomplishing of the goal of God's economy, which is to obtain the enlarged, universal, divine-human incorporation of the consummated Triune God with the regenerated believers--the New Jerusalem in eternity.

Making Word 2010 Work for You Hilary Powers,2013-11-30 Assuming you already know how to edit, you can edit in Word 2010 if you know how to get at the files and make changes in them-beyond opening a file, typing and deleting text, and saving, the absolute skill requirement is essentially zero. If you use it for what it is-editing on screen becomes easier (and faster) than editing on paper, and neither less accurate nor harder on your body. The biggest difference between paper editing and on-screen editing is that a straight line is no longer the shortest distance between two points. That is, the steps in the edit are different, and there are more of them, and tasks may happen in a different order from what would work best on paper, but the final effect is that high-quality, medium-level commercial editing-giving a publisher two full read-throughs with substantive overtones and addressing thoughtful queries to the author-can be done at a net rate (considering all the pages and all the time spent on the job) that should come in anywhere between half again and three times as fast as what you can do on paper. Chapter 1. The Shortest Distance: A Concrete Example: Here I detour to the world of travel to provide a detailed example of the way the mind-set of using your computer differs from that of making paper procedures work on screen. This mind-set is what allows me to claim such astonishing speed boosts for real electronic editing. Chapter 2. Building a Working Environment: What you see on the basic Word 2010 screen (or could see with a few mouse clicks), how it serves you, and what to do if you don't like it. Chapter 3. Finding Work for Word's Idle Hands: Where Word 2010 hides the settings that make it second-guess what you're doing, how to fix them, and how to use the basic services the program offers, including AutoCorrect, Find and Replace, and the spelling checker. Chapter 4. Deploying the Custom Features: Where to get hold of the things Word 2010 is built to do but won't volunteer, like keeping track of vocabulary you don't want to use even though it's properly spelled, rearranging the keyboard and ribbon, storing text for quick reuse, and accepting your spoken commands. Chapter 5. Macros and Templates: Digging into the guts of making Word 2010 do your thing instead of its own-with exercises you can use to get up to speed. Chapter 6. Domesticating Tracked Changes: How to use the built-in tracking feature smoothly and comfortably, and how to keep its markup simple enough to avoid frightening your authors. Chapter 7. Coping with Snares and Pitfalls: Where Word's bodies are buried, and how to keep them from rising from their graves and haunting your work. Chapter 8. Locating Useful Additions: Sources of tools, books, and ongoing advice about Word 2010. Chapter 9. A Bouquet of Sample Shortcuts: Some macros-mostly easy and easily understood-to start your collection and give you resources to cannibalize for your first adventures in command development. Chapter 10. Walking Through a Job: The steps involved in a fairly generic nonfiction edit, with notes on ways I use Word 2010 to help in the process
