The Little Book of Business Cards David E.

Carter, 2005-04-26 The business card has taken on a new level of importance in recent years. In an age where the business letter has been replaced by email, the personal contact evoked by a business card is more crucial than ever. Your card is often the one item taken away from a meeting, defining how people view your business long after any face-to-face meeting has faded from memory. Whether you're a businessperson trying to develop your own letterhead set or a graphic designer trying to come up with that next great idea, your challenge is to communicate the look and feel of your company in the space your card and letterhead allows. The Little Book of Business Cards presents an unparalleled source of inspiration. In these pages, David E. Carter has gathered more than 260 representative examples of effective business cards and matching letterhead sets. Learn how to get the most from your choice of fonts, color, size, layouts, and logos -- and even what to do when you don't have a logo! As an extra bonus feature, David E. Carter provides informative and instructional annotations to the featured business cards -- valuable lessons for you to apply to your own designs. With The Little Book of Business Cards in your library, you'll be sure to have a business-building design in no time.

The Best of Business Card Design 6 Blackcoffee Design Inc, 2006-07-01 This edition of Rockport's best-selling Best of Business Card Design series features an innovative collection of the most

current and best work by top designers worldwide. The go-to sourcebook for business card design inspiration, this volume contains no text, aside from design credits, which allows for pages packed with business cards, highlighting front, back, special elements, and materials used. An unrivaled resource, **Best of Business Card Design 6** provides professional designers, corporate executives and in-house marketing departments with essential identity and branding insight for all types of clients. What are the trends in business card design? This book provides the answers and highlights cards printed with special techniques, such as die-cutting, embossing, foil stamping, and much more; cards printed on unique substrates; and those that are simply downright unusual and memorable.

The Best of Business Card Design 9

Rule29,2012-03 New in paperback, this innovative collection features the most current and best work by top designers worldwide. The “go-to” sourcebook for business card design inspiration, this volume contains pages packed with business cards, showing front, back, and special elements and materials. This unrivaled resource is sought by professional designers, corporate executives, and in-house marketing departments as an essential identity and branding tool.

Business Cards Mike Dorrian,Liz

Farrelly,2004-11-23 **Business Cards: The Art of Saying Hello** is the ultimate business card book, bringing together the best examples of cards created by designers around the world. Business cards are a major design challenge; creating

successful cards is all about the clever use of space; but just a little space. And that's not all. A design needs to make a splash, stand out from the crowd or announce you as part of a team; and how do you solve the problem of creating a universally understood message while catering to cultural differences and multiple languages? Materials are also important; not all cards are machine printed, and this book features cards on punched metal, stitched fabric, cards with heat-sealed cut-outs, or made from recycled subway tickets, plus clever examples of best-practice using "make-your-own" business-card machines. Over 300 cards are grouped into sections reflecting different design approaches: Typography, Photography, Materials, Illustration and Found Objects. Proving just how inventive you can be with a limited space, this book is a rich source of ideas and inspiration both for designers and anyone wishing to make a statement with their business card.

Best of Business Card Design 8 Sibley / Peteet Design Austin, 2008-03-01 Best of Business Card Design 8 features an innovative collection of the most current and best work by top designers worldwide. The "go-to" sourcebook for business card design inspiration, this volume contains no text other than design credits which provides for pages packed with business cards, showing front, back, and special elements and materials. This unrivaled resource will be sought by professional designers, corporate executives, and in-house marketing departments as an essential identity and branding tool.

Best of Business Card Design 8 Sibley / Peteet Design Austin, 2008-03-01 Designing business cards is one of the most common design jobs. The Best of Business Card Design series features an innovative collection of the most current and best work by top designers worldwide. The go-to sourcebook for business card design inspiration, this volume contains no text—other than design credits—which provides for pages packed with business cards, showing front, back, and special elements and materials. This unrivaled resource will be sought by professional designers, corporate executives, and in-house marketing departments as an essential identity and branding tool.

Best of Business Card Design 7 Loewy, 2008-05-01 New in Paperback! The Best of Business Card Design 7 features an innovative collection of the most current and best work by top designers worldwide. Business card design is a very important and common area for the graphic design business, so it is little wonder that each installment in the series is recognized as a high quality resource that is eagerly anticipated by designers. The Best of Business Card Design 7 is the go-to sourcebook for business card design inspiration. This volume contains little text; instead, focusing all its attention on innovative business card designs that push the envelope, showing front, back, and special elements and materials. Professional designers, corporate executives, and in-house marketing departments will seek this unrivaled resource as an essential identity and branding tool.

The Best of Business Card Design No. 5 Cheryl

Dangel Cullen,2002

The Best of Business Card Design 8 ,

Creative Edge: Letterhead And Business Card Design Lynn Haller,2001-04-27 Great letterhead and business card design is crucial because it showcases a designer or client's business at a glance. Depicting the right sense of attitude, service and market position with just a tiny image and type is a major challenge. Where else must a design idea be conveyed so economically, focusing on the brilliance of the concept, uncluttered by coupons, price lists, graphs, or photographs? Designers will find advice and examples that illustrate superb uses of image, type, color, graphics, paper, size, format and printing. They'll also get guidelines for meeting the needs of their clients, creating high impact designs on a low budget and using special production techniques, including thermography, letterpress and die cutting.

The Best of Business Card Design ,1994

Business Cards PBC International,1993

The Best of Business Card Design 3 Rockport

Publishers,1998 There is nothing like the business card to challenge a designer's abilities: creating a clear and effective message in a small space takes creativity and often moments of brilliance. Selected from thousands of entries, this volume presents hundreds of new business-card designs at the actual size or larger, providing details unmatched by other business-card design books. It is a necessary addition to all designers' libraries.

Best of Business Card Design 6 Blackcoffee,2004

- Eximioussoft Business Card Designer Introduction**
- In todays digital age, the availability of Eximioussoft Business Card Designer books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This

article will explore the advantages of Eximioussoft Business Card Designer books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Eximioussoft Business Card Designer books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Eximioussoft Business Card Designer versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Eximioussoft Business

Card Designer books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally,

PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Eximioussoft Business Card Designer books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Eximioussoft Business Card Designer books and manuals is Open Library. Open

Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access

to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Eximioussoft Business Card Designer books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these

digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Eximioussoft Business Card Designer books and manuals for download and embark on your journey of knowledge?

FAQs About Eximioussoft Business Card Designer Books

1. Where can I buy Eximioussoft Business Card Designer books?
Bookstores:
Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
Online Retailers:
Amazon, Book Depository, and various online bookstores offer a wide range of books

- in physical and digital formats.
2. What are the different book formats available?
- Hardcover: Sturdy and durable, usually more expensive.
- Paperback: Cheaper, lighter, and more portable than hardcovers.
- E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Eximioussoft Business Card Designer book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
- Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.
- Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Eximioussoft Business Card Designer books?
- Storage: Keep them away from direct sunlight and in a dry environment.
- Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.
- Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.
- Book Swaps: Community book exchanges or online platforms where people

- exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Eximioussoft Business Card Designer audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
