The Making of Tomb Raider Daryl Baxter, 2021-12-20 Back in 1994 at the game company 'CORE Design' in Derby, Lara Croft was born. Through eighteen months of pure hard work from the team, Tomb Raider was released in 1996 and became the success that we see today; taking part in the mid-nineties celebrations of Brit-Pop and Girl Power. This is the story of the team who were involved in creating the first two games, then leaving the series to a new team in 1998. Lara Croft brought class, comedy, and a James Bondian role to the game, dreamt up by Toby Gard and helped to become a pitch with Paul Douglas. The game was a gamble, but because everyone at the company believed in it, it led to huge success for everyone, except for Toby and Paul. 'The Making of Tomb Raider' goes into detail of

how Lara and the games were born, alongside why Toby Gard and Paul Douglas left before the sequel was released. Throughout eleven chapters of countless interviews, this book will tell you who was responsible for creating the first two games; from its levels, its music, the many voices of Lara Croft, and much more. The team also reveals all about the star of the second game; Winston the Butler, and how he came to be by Joss Charnet. Over twenty people were interviewed for this story; from the pitch for what would be Tomb Raider, alongside the challenges along the way, up until the release of Tomb Raider 2 in 1997...

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Best We Could Do Thi Bui, 2017-03-07 National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls "a book to break your heart and heal it," *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Screwged Madison Faye, 2018-12-16 We've made a list, and we've checked it, twice And she's about to find out what happens to bad girls tonight. We'll deck her halls with more than holly This Christmas Eve, we want her nice and naughty. They call us ruthless, and cruel. Filthy rich beyond belief, dominant beyond compare, and we run our company with iron fists. It's the night before Christmas, but all is not calm. And all sure as h*ll ain't right or bright. See, someone's been skimming from the company piggy-bank, and selling secrets to our rivals. Not just anyone though. Her. Noelle Healy. The new hire. The innocently tempting, forbidden little tease who's been driving us insane in our need to have her....and we will have her. Dark hair, wild, fierce eyes, and just enough sass in those pouty lips and curvy hips to drive a man wild. Or two of them. But someone's been a bad, bad girl this year, and she's about to find her stocking stuffed with two somethings much harder than coal. We've got some heavy bells for her to jingle, and enough mistletoe to last all night. Christmas might come but once a year, but the two of us are far more frequent than that. And Noelle's about to unwrap a bah-humbugging she'll never forget. The nice list? Psssh. Please. We both know the naughty list is much more fun ;). So double-down, get a little wild, and get ready to indulge yourself in some seriously over-the-top, totally unrealistic fantasy at it's finest. Light a fire, grab a candy cane (or two), and let's put a little extra jingle in your bells this holiday season ;). This mfm romance is ALL about her - no m/m. As with all my books, this standalone novella has no cheating, and a HEA guaranteed.
