Audio Postproduction for Digital Video Jay Rose,2012-11-12 Written in the author's clear conversational style, with ample illustrations and visual analogies, this book features software agnostic tutorials and cookbook recipes for each phase of postaudio processing. The author begins with a section of FAQs from readers of the

author's magazine column. After summarizing the significant points of audio theory, the author describes the preliminaries of setting up a post studio. From there he details every aspect of postproduction - from getting the tracks into the computer, to 'fixing and mixing,' to dealing with details of compression and streaming. The companion audio CD contains diagnostics, tutorial tracks, and demonstrations.

Daily Studies for Diatonic Harmonica David Barrett,2019-03-21 How good of a musician you become is predicated on how much practice you do and the quality of that practice. In all likelihood, you don't have access to a harmonica teacher (a rare breed), so it's up to you to identify what will help you grow as a player and how to best spend your valuable practice time. In *Daily Exercises for Diatonic Harmonica*, author David Barrett (the world's most published author of harmonica lesson material) provides recommendations on how to set up your practice room, structure your practice time, what to work on to improve your playing, and how to prepare you for performance. The *Daily Exercises* portion of this book provides essential exercises for the diatonic harmonica—movement patterns, scales, tongue block technique drills, an exercise to help you memorize the chords of the 12 Bar Blues, your harmonica's note layout, and how to choose a note to match over a given chord, at any time, in any range of the harmonica. This book and accompanying recording is an essential text for all students of the diatonic harmonica. You'll need a C Major Diatonic Harmonica for this method. Includes access to online audio.
