Your Soul's Plan Robert Schwartz,2010-05-18 Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.

The Art of Disappearing Brahm,2011-09-27 Whether mere bumps in the road or genuine crises, we live in a world of unwanted events that no willpower can prevent. In The Art of Disappearing, Ajahn Brahm helps us learn to abandon the headwind of false expectations and follow instead the Buddha's path of understanding. Releasing our attachment to past and future, to self and other, we can directly experience the natural state of serenity underlying all our thoughts and discover the bliss of the present moment. In that space, we learn what it is to disappear. Ajahn Brahm, an unparalleled guide to the bliss of meditation, makes the journey as fun as it is rewarding. The Art of Disappearing, comprised of a series of teachings Ajahn Brahm gave to the monks of Bodhinyana Monastery, where he serves as abbot, offers a unique glimpse into the mind of one of contemporary Buddhism's most engaging figures.

Alcohol Explained William Porter,2015-04-14 Alcohol Explained is the definitive, ground-breaking guide to alcohol and alcohol addiction. It explains how alcohol affects human beings on a chemical, physiological and psychological level, from our first drinks right up to chronic alcoholism. Despite being entirely scientific and factual in nature the book is presented in an accessible and easily understandable format. For those with an alcohol problem it will explain why they have a problem and what they can do about it. For those who are unsure whether they have a problem or not it provides them with firm guidance. For those who have someone close to them who has an alcohol problem it will help them to understand what that person is going through, how they ended up where they are, and what they can do to help them. However this is not just a book for people with links to problem drinking, it is compulsive reading for anyone who has ever, or will ever, drink an alcoholic drink. How many people have inadvertently drunk too much on occasion? Virtually every drinker on the planet has done that! But how many people have actually stopped to think why? There is in fact a logical, scientific explanation for this phenomenon, it is fully and simply explained in this book. Even for those who have never imbibed alcohol this book provides a fascinating insight into addiction generally and, more specifically, into a substance that has pervaded our society to such a great extent that it is now an integral part of our culture.
