Throwing Rocks Lindsey Acton,2020-11-04 Lindsey Acton was a first-year English teacher at a central Indiana high school when a troubled and obsessed student had school officials concerned that something very bad could happen at his hands. A large police presence at school thwarted a scare at the school, but when the student died later that night, the emotion and trauma was a lot to absorb for a 23-year-old teacher who was never trained to deal with such an emotional child. In Throwing Rocks,'' Lindsey takes you deep inside this teacher trauma, how it dragged her to her own lows and how it took a therapist and her homework assignments to bring this young teacher back to life. This book is a must-read for anyone in education, from teachers and administrators to parents and students as well. Teacher trauma is real, and is overlooked far too often.

Her Billionaire Werewolf Mina Carter, 2016-06-23 All three of Alex and Eva's stories now in one volume! Taken by the Billionaire Werewolf Eva is screwed. Maybe. Okay, definitely. And in a bad, not a good, way. Her trouble-magnet little brother has gone and gotten involved with vampires...and the deal's gone bad. Now he owes them and their repayment plan involves dead bodies rather than monthly payments. Which means Eva has no choice but to approach the last person she ever wanted to for help. Alex. Her older, hot, ex-cousin from her mother's short-lived third, or was it fourth, marriage. He's also a billionaire. Hot, ripped, wealthy... Oh, yeah, and an alpha werewolf. There's just one problem. Alex Kingwood never does anything without a price... Her.

For as long as he wants her. Turned by the Billionaire Werewolf She's bartered her body to the big, bad wolf...now she's in danger of losing her heart as well. In return for dealing with her brother's vampire problem, Eva belongs to the Alpha of the Kingwood pack, and billionaire werewolf, Alex. The sex is scorching, and Alex as powerful and charismatic as she'd remembered him. An overbearing asshole she can deal with, but when the mask slips, her heart might end up a casualty of their little war too. One weekend, that's all he'd thought he needed. Now a lifetime won't be enough... Alex has Eva, the woman he's lusted after for years. Sex. That's what he'd told himself was what he needed. He'd get her own from under his skin and get rid of her. But things don't go to plan when long-buried emotions get involved. Then someone else has issues with their arrangement, and Alex finds himself making the hardest choice of his life. Save her, kill her, or condemn her to a fate worse than death? Mated to the Billionaire Werewolf Eva has two problems; Her wolf and her lover are both avoiding her. New werewolf Eva has two problems. One, her wolf seems reluctant to make an appearance and two, Alex, her lover and alpha of the Kingwood pack, is avoiding her. Has she failed at being a wolf before she'd even begun? He bit her to save her life, so why won't he even look at her now? If she's not a wolf, she can't be his... Biting Eva to save her life was a mistake Alex can't regret, but pack law states he has to let her go if her wolf doesn't manifest. So far, Eva's wolf seems non-existent, a fact more than one member of the pack has noticed.

He has to distance himself from her, send her away, but he can't. Add in a deal he doesn't want to make with the local vampires, and Alex is ready to cut loose and deal with some issues with his claws and teeth... But pack law rules absolute and a challenge is issued that could destroy their future before it begins...
