**The Accidental Landlord** Danielle Babb, Danielle Babb, PhD, MBA, 2008-10 Don't feel like selling your house for less than you paid for it? Need to move but can't because you're unable to find a buyer for your home? Join one of the fastest-growing groups this side of the real estate bubble-the accidental landlord. The low interest rates and double-digit appreciation in the housing market a few years ago have given way to declining home prices, higher rates, more foreclosures, and higher credit standards. Homeowners who need to relocate or want to move are finding it impossible to do so without taking a loss. Many are considering renting their homes until the market rebounds, and this book is for them. The Accidental Landlord helps readers determine if renting is a viable option, and if it is, how to go about the process of being a landlord until it makes sense to sell. In it, readers will learn how to- Determine if it makes financial sense to rent Assess whether or not they have what it takes to be a landlord Decide between the various rental options available Explore different types of rental agreements and decide which is best Prepare the home to be rented Decide if it makes sense to work with a property management company Identify potential renters and market the property Evaluate prospective tenants Collect rent, pay taxes, and change insurance coverage Manage the property and tenants Deal with problems that surface Decide when it's time to sell

*How to be the Smartest Renter on Your Block* HOME Line, 2011-03-30 HOME Line wrote How to Be the Smartest Renter on Your Block to help renters through the process of finding, getting, and maintaining rental housing. Reflecting upon the real-life concerns we hear through thousands of questions on our tenant hotline, this book gives advice

on the best ways to handle and avoid the most common rental problems. This book follows the rental process from beginning to end with several additional chapters on unique rental housing situations. The book begins with advice regarding finding and applying for an apartment and moves on to understanding the terms of a lease. Next, some of the most common issues renters run into once they've moved in are covered: getting repairs made, dealing with neighbors, right to privacy, and more. Later, the book addresses what to expect when a renter intends to move out of an apartment and how to make sure a security deposit is returned. Furthermore, several immediate emerging issues in the rental market are covered: What does a renter do when a landlord is in foreclosure? Who is responsible for paying when an apartment becomes infested with bedbugs? Lastly, we take a detailed look at community organizing and how tenants can work collectively to hold their landlords and elected officials accountable. How to Be the Smartest Renter on Your Block answers these questions and more.

**So You Want to Be A Better Landlord** Rick Hetzel, 2010-12-13 So You Want to Be A Better Landlord provides tips, ideas, and strategies for operating a successful rental property business for better profit. **So You Want to Be a Landlord** H. Clark Adams, QC, 2016-03-18 A warning to those who are considering becoming landlords: investing in rental property is far from a bed of roses! This useful handbook has over thirty cases, documented over years of experience, which illustrate some of the difficulties that landlords face in their relationships with their tenants. So You Want to be a Landlord explores the trials and tribulations of a landlord just trying to do his job. While his accounts are not designed to condemn all housing tenants, this book, he hopes, will serve as a great resource to all prospective landlords, exposing as it does many of the pitfalls that they may encounter. Case history confirms tenants' rights and the imbalance that favours tenants over landlords. With over forty years' experience as a commercial landlord and fifteen years as judge in a small claims court, Judge Adams relays a number of stories that were told under oath, and which will act as an invaluable source of information to any would-be landlord.
