Yearly Home Maintenance Organizer Abode Happy Press, 2020-01-16 Home Maintenance Checklist When it comes to keeping your home in a condition that you're proud of, it seems that there's always something that needs cleaning, repairing, or maintaining. It's easy to become stressed or overwhelmed by the overload of chores. However, the good news is that there are some great strategies you can use to make maintaining your home simpler, less time-consuming, and easier to handle... Simply keeping up on these small tasks can ensure that your home will function better in the long run. Seasonal home maintenance will also ensure that you have less overhaul or major expense repairs than homeowners who do not keep up on small season maintenance. These small maintenance items can also protect your home from fire, flooding, or other damages caused by neglect. To keep from being overwhelmed by the task of home maintenance, it is best to separate these tasks into seasonal chores. For those who live in an area where there are four definite seasons, it is best to follow a logical task schedule that works with necessary maintenance for the different seasons. I've included in this home maintenance journal the following information: Monthly Schedules of what to check on, Deep Clean Oven and Stovetop, Clean Washer, Clean Dyer and Check Vent, Clean Dishwasher & Check Filter, Repairman Contact Information, Home Warranty Information, Appliance Information, Appliance Repair Log and so much more....
