**Friend Request** Laura Marshall,2017-09-05 THE #1 INTERNATIONAL KINDLE BESTSELLER A paranoid single mom is forced to confront the unthinkable act she committed as a desperate teenager in this addictive thriller with a social media twist. Maria Weston wants to be friends. But Maria Weston is dead. Isn't she? 1989. When Louise first notices the new girl who has mysteriously transferred late into their senior year, Maria seems to be everything the girls Louise hangs out with aren't. Authentic. Funny. Brash. Within just a few days, Maria and Louise are on their way to becoming fast friends. 2016. Louise receives a heart-stopping email: Maria Weston wants to be friends on Facebook. Long-buried memories quickly rise to the surface: those first days of their budding friendship; cruel decisions made and dark secrets kept; the night that would change all their lives forever. Louise has always known that if the truth ever came out, she could stand to lose everything. Her job. Her son. Her freedom. Maria's sudden reappearance threatens it all, and forces Louise to reconnect with everyone she'd severed ties with to escape the past. But as she tries to piece together exactly what happened that night, Louise discovers there's more to the story than she ever knew. To keep her secret, Louise must first uncover the whole truth, before what's known to Maria--or whoever's pretending to be her--is known to all.

*The Revolt of The Public and the Crisis of Authority in the New Millennium* Martin Gurri ,2018-12-04 How insurgencies—enabled by digital devices and a vast information sphere—have mobilized millions of ordinary people around the world. In the words of economist and scholar Arnold Kling, Martin Gurri saw it coming. Technology has categorically reversed the information balance of power between the public and the elites who manage the great hierarchical institutions of the industrial age: government, political parties, the media. The Revolt of the Public tells the story of how insurgencies, enabled by digital devices and a vast information sphere, have mobilized millions of ordinary people around the world. Originally published in 2014, The Revolt of the Public is now available in an updated edition, which includes an extensive analysis of Donald Trump's improbable rise to the presidency and the electoral triumphs of Brexit. The book concludes with a speculative look forward, pondering whether the current elite class can bring about a reformation of the democratic process and whether new organizing principles, adapted to a digital world, can arise out of the present political turbulence.

**Snow Falling** Jane Gloriana Villanueva,2017-11-14 It's been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award–winning The CW dramedy, has followed Jane's telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane's breathtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. Snow Falling is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel's dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like Josephine's true heart's desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she's been dreaming of for so long?

The Devil Is Smooth Like Honey Mima,2017-09-12 El narco. A monster. Un diablo. Jorge Hernandez had been called many things, and it always made him laugh. If there was one word that could be used to describe him, it would be untouchable. Corrupt politicians combined with his charming disposition had contributed to Jorge's success, but it was often the underlying threats behind his handsome smile that sealed the deal. He was unstoppable. In Paige Nol, he had met his match. She was a woman as dangerous and sadistic as she was soft and gentle. The last thing he expected was to propose after an explosive first meeting, but the intense fire between them was as addictive as the thrill of violence and power. When some of his personal enemies turn up dead, Jorge shuffles his daughter into a Canadian school, deciding that things are getting a little too hot in Mexico; but does life ever slow down in this dark underground world? The devil is smooth like honey, but is heaven ever far away?

**Unprotected** Miriam Grossman,2007-08-28 Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything- goes, women-are-just-like-men, safer-sex agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students' problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Some legends never die... Traveling with her treasure-hunting father has always been a dream for Theodora. She’s read every book in his library, has an impressive knowledge of the world’s most sought-after relics, and has all the ambition in the world. What she doesn’t have is her father’s permission. That honor goes to her father’s nineteen-year-old protégé—and once-upon-a-time love of Theodora’s life—Huck Gallagher, while Theodora is left to sit alone in her hotel in Istanbul. Until Huck returns from an expedition without her father and enlists Theodora’s help in rescuing him. He’s spent seven years putting himself back together under its rule, joining an Umber military academy and becoming the best pilot in his class. Even better, he’s met Gal—his exasperating and infuriatingly enticing roommate who’s made the academy feel like a new home. But when dozens of classmates spring an assassination plot on Gal, a devastating secret comes to light: Gal is the heir to the Umber Empire. Ettian barely manages to save his best friend and flee the compromised academy unscathed, rattled that Gal stands to inherit the empire that broke him, and that there are still people willing to fight back against Umber rule. As they piece together a way to deliver Gal safely to his throne, Ettian finds himself torn in half by an impossible choice. Does he save the man who’s won his heart and trust that Gal’s goodness could transform the empire? Or does he throw his lot in with the brewing rebellion and fight to take back what’s rightfully theirs?
