Daly's Billiard Book Maurice Daly,1913 Daly's Billiard Book by William Welton Harris, first published in 1913, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

**Pool Wars** Jay Helfert, 2012-06-08 Jay's recollection of pool stories exceeds any that I've ever heard. His exactness in recalling events as they actually happened is amazing. There are few as qualified to write about pool action as Jay. He has always been right on the money with everything he has accomplished and this book isn't any different. -World 9-Ball Champion Billy Incardona I've known Jay since the 60's. Although he loved to compete, he became more respected as a great game maker and money winner who helped out many a pool player when down on their luck. -World All Around Champion Danny Diliberto Jay is the 'go to' man in pool. He is a living historian and a source for all pool info. As an accomplished player himself, he evolved into every aspect of the sport. He has given sage advice to up-and-coming players as well as champions. Jay is a valued member of the pool community who gets a nod and a smile from all who know him. -Pat Fleming, ACCU-Stats Video Productions
