Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child’s social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

Rogue Clone Steven L. Kent,2006-09-26 Lt. Wayson Harris is one of thousands of clones born and bred to be the ultimate soldiers. But unlike the others, Harris is an outlawed model—one with independent thoughts and an addiction to violence. Presumed dead after his troops were massacred, Harris—who blames the U.A. for the slaughter—has gone AWOL as a bounty hunter. Still, it’s hard for a clone to overcome his conditioning, and Harris finds himself drawn back into the U.A.'s service by his mentor and creator, Fleet Admiral Bryce Klyber. Now, with separatists rebelling throughout the galaxy, the fate of the U.A. depends on Admiral Klyber’s plans for the Doctrinaire—the largest, most powerful battleship ever constructed. But there are those who would do anything to stop Klyber, and Harris must decide whether he should fight against them...or work for them.
