**Design Mom** Gabrielle Stanley Blair, 2015-04-07 New York Times best seller  
Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

**Me, Myself, and Mom** Zaria Hathorn, Hailey Willard, 2021-05-14 Ever since a little girl can remember, it has always just been her and her mother, tackling the world together. People always say they look alike with their brown eyes and thick curly hair. But one rainy day when the mother takes the girl to the local bakery to meet a strange man, everything changes. Mr. August, who has skin the color of coffee beans, brings his son, Alex, with him. He has a cool job aboard a US Navy ship and is super funny. Alex is very friendly and creative. A few months after Mr. August and the girl's mom announce they are getting married, Mr. August officially becomes her father as two families blend into one and realize a new beginning together. In this

heartwarming tale for children, a girl and her mother become part of a newly blended military family as they continue on a loving journey through life together.

**The Gift Inside the Box** Adam Grant, Allison Sweet Grant, 2019-10-01 Adam Grant, the bestselling author of Give and Take, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of Goodnight Gorilla, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year. --Dax Shepard of the podcast Armchair Expert

**Winning Gifts** Thomas C. Wilson, 2008-04-04 The secret to getting gifts and making donors feel like winners. Know the best approaches to people-centered fundraising. Understand the role of executive director, fundraisers, program

managers, and volunteers in the win-win framework, the importance of listening, the case for a donor-centered approach, and the direct ways these concepts can be applied in a variety of fundraising settings. Includes numerous real-world examples taken from the author's own experience as chief philanthropy officer in nonprofits and as a leader in a well-known national nonprofit consulting company. Thomas D. Wilson is the vice president and western regional manager for Campbell & Company. His career in fundraising spans more than 25 years and includes building successful campaigns from inception, reinvigorating stalled initiatives, and board/staff training.

*River of Hope* Elizabeth Gritter,2014-02-20 One of the largest southern cities and a hub for the cotton industry, Memphis, Tennessee, was at the forefront of black political empowerment during the Jim Crow era. Compared to other cities in the South, Memphis had an unusually large number of African American voters. Black Memphians sought reform at the ballot box, formed clubs, ran for office, and engaged in voter registration and education activities from the end of the Civil War through the Brown v. Board of Education decision of 1954. In this groundbreaking book, Elizabeth Gritter examines how and why black Memphians mobilized politically in the period between Reconstruction and the beginning of the civil rights movement.

Gritter illuminates, in particular, the efforts and influence of Robert R. Church Jr., an affluent Republican and founder of the Lincoln League, and the notorious Memphis political boss Edward H. Crump. Using these two men as lenses through which to view African American political engagement, this volume explores how black voters and their leaders both worked with and opposed the white political machine at the ballot box. *River of Hope* challenges persisting notions of a Solid South of white Democratic control by arguing that the small but significant number of black southerners who retained the right to vote had more influence than scholars have heretofore assumed. Gritter's nuanced study presents a fascinating view of the complex nature of political power during the Jim Crow era and provides fresh insight into the efforts of the individuals who laid the foundation for civil rights victories in the 1950s and '60s.
