Long May She Reign Rhiannon Thomas,2017-02-21 The Girl of Fire and Thorns meets The Queen of the Tearling in this thrilling fantasy standalone about one girl's unexpected rise to power. Freya was never meant to be queen. Twenty-third in line to the throne, she never dreamed of a life in the palace, and would much rather research in her laboratory than participate in the intrigues of the court. However, when an extravagant banquet turns deadly and the king and those closest to him are poisoned, Freya suddenly finds herself on the throne. She may have escaped the massacre, but she is far from safe. The nobles don't respect her, her councillors want to control her, and with the mystery of who killed the king still unsolved, she knows that a single mistake could cost her the kingdom—and her life. Freya is determined to survive, and that means uncovering the murderers herself. Until then, she can't trust anyone. Not her advisers. Not the king's dashing and enigmatic illegitimate son. Not even her own father, who always wanted the best for her but also wanted more power for himself. As Freya's enemies close in and her loyalties are tested, she must decide if she is ready to rule and, if so, how far she is willing to go to keep the crown.

**Memories of Prophecies** Davis Ashura,2023-01-05 The memories of the past may be forgotten, but prophecies linger. Cinder Shade and his fellow cadets have survived a brutal mission in the vast wilds of the Dagger Mountains. Laying to rest many of their brother warriors, they return to the Third Directorate, battered, bruised, and weary of soul. But the world turns, and new challenges press. Cinder must set aside his grief, especially when granted a task by Anya Aruyen, the elven princess with whom he shares an inexplicable bond. She urges him to further master his skills as a warrior and become worthy of fighting at her side. Others have also taken note of Cinder. His name is spoken in the high halls of elven palaces. The empress watches him, wondering at his unmatched abilities. So, too, do the dwarves. They fear Cinder, worrying that he is the embodiment of their darkest prophecies. And in the distant north, shadows gather. They whisper of their fallen god, Shet, dead three thousand years now. Whispering of his rebirth. But when the prophecies speak conflicting portents and none can decipher the truth, what path can even a consummate warrior take?

**Game Wizards** Jon Peterson,2021-10-12 The story of the arcane table-top game that became a pop culture phenomenon and the long-running legal battle waged by its cocreators. When Dungeons & Dragons was first released to a small hobby community, it hardly seemed destined for mainstream success--and yet this arcane tabletop role-playing game became an unlikely pop culture phenomenon. In Game Wizards, Jon Peterson chronicles the rise of Dungeons & Dragons from hobbyist pastime to mass market sensation, from the initial collaboration to the later feud of its creators, Gary Gygax and Dave Arneson. As the game's fiftieth anniversary approaches, Peterson--a noted authority on role-playing games--explains how D&D and its creators navigated their successes, setbacks, and controversies. Peterson describes Gygax and Arneson's first meeting and their work toward the 1974 release of the game; the founding of TSR and its growth as a company; and Arneson's acrimonious departure and subsequent challenges to TSR. He recounts the Satanic Panic accusations that D&D was sacrilegious and dangerous, and how they made the game famous. And he chronicles TSR's reckless expansion and near-fatal corporate infighting, which culminated with the company in debt and

overextended and the end of Gygax's losing battle to retain control over TSR and D&D. With Game Wizards, Peterson restores historical particulars long obscured by competing narratives spun by the one-time partners. That record amply demonstrates how the turbulent experience of creating something as momentous as Dungeons & Dragons can make people remember things a bit differently from the way they actually happened.

Vijaya Kumari I think 'Adventure of the Twister Devil' is a really good fantasy book. Prologue As Naren and friends progressed, towns and villages gradually became few and far between. They found themselves in a dense forest. The trees were tall and bulky; dense foliage everywhere; and the canopy was so thick, it was quite dark beneath the bright sun. It was the characteristic of Esterwood the Land of Forests. Everything was still. It was like calm before the storm. It portended evil. Suddenly the forest seemed to come alive. An eerie sound came and surrounded them. Wind blew violently; they could not stand on their feet. The tree branches wildly swayed in that wind. The trees and creepers were suddenly moving from their positions. The trees seemed to be closing in on the four friends with their branches. They indeed were. The four friends came to a standstill, and looked in all directions to ward off danger. The trees picked up speed. They closed in from all directions. Naren, and his friends Bulli Mantrik, and Answer the Lamb were all caught in the branches of the trees, and were unable to move. Penny the Parrot tried to fly away. The trees chased him, jumped, and caught him with their branches. Naren tried to move, but the trees and creepers so tightly clasped him, he could not move even an inch. So he could not lay hands on his sword. He felt suffocated by a twig holding him tightly by the neck. The trees seemed to kill them all, suffocating to death. An even queerer thing happened. Then was heard an eerie voice from the heavens. Come to me. ... Please scroll up and grab your copy now.
