*Farm and Garden Rule-Book* L. H. Bailey,2018-02 Excerpt from Farm and Garden Rule-Book: A Manual of Ready Rules and Reference With Recipes, Precepts, Formulas, and Tabular Information for the Use of General Farmers, Gardeners, Fruit-Growers, Stockmen, Dairymen, Poultry-Men, Foresters, Rural Teachers, and Others in the United States and Canad The old form of the book, under the title The Horticulturist's rule-book, is now to be discontinued, having served its place and day. So far as I know, it was the first compilation of its kind in this country, and therefore it was very imperfect and incomplete. The intervening years, covering nearly a quarter century, have also seen a vast enlargement of the farmer' S hori zon, so that the little book that I prepared in my novice days can no longer represent the situation. I am sure that I have more misgiving in putting out this larger and completer book than I had in the small first effort. The field is wider, and therefore more difficult to cover; and knowledge has grown so uninterruptedly that one knows scarcely where to begin and what to compass. The only definite point is where to end, for publishers fortunately set limits to sizes of books; and when this limit was reached I discarded three or four chapters and prepared the index.
