*My Storied Life* Phyllis Blackstone, 2021 Professional storyteller Phyllis Blackstone shares this collection spanning a variety of topics and personal reflections. Committed to telling stories of wisdom and truth, Blackstone's stories evoke universal truths, reflecting participation in a universal experience that encourages further exploration through discussion with others. Storytelling does its best work when it creates a chain reaction. Each story shared is more than the words on the page. They invite further discussion of related experiences. This is how wisdom and truth are attained, and communities are forged--

*The Dickens' Christmas Village Tales* Maxine Johnson, 2021-04-26  
Christmas villages warm the heart and hearth of many homes. Have you ever wondered what the people in those villages are doing? Where they are going? Where did they come from? Have they lived in that village all their lives? Elizabeth has lived in Hillshire Downs

all her life. She has suffered the loss of her family in a plague that swept away almost more lives than it left. Will she and her youngest brother and sister survive the coldest winter remembered? God is their refuge and strength and ever-present help in time of trouble. He never fails. Richard returns after his wife and youngest child die - not from the plague. His heart is heavy, and he is at the end of his means. He must recover from his loss of everything. His son, Billy, needs him to be strong. Richard realizes he needs help and prays God will send him a job and some way to survive. Billy has loved Rebekah since childhood. Will she love him back? Will family complications create a situation in which his love will never be declared? What of the lost boys and their futures? As Hillshire Downs comes back from the devastating plague, will the townsfolk be able to take care of their own and those who have been widowed, orphaned, and left destitute? As the village people find their Christmas treasure, or see their Christmas wishes come true, they find a Christmas worth waiting for.

Tales of Edisto Nell S. Graydon, 2018-02-27 Nell S. Graydon's first book, *Tales of Edisto*, was first published in 1955—14 years after the author's love affair with her second home at Edisto Island began. Her daughter Virginia recalled that a stay there always included daily trips to the post office, especially during the war years when sharing news was of utmost importance. It was there that the summer colony met and mingled with the natives, and it was in the mundane setting of the post office that the tales of Edisto first reached Nell Graydon's ears. She wrote many years later: 'The stories are not new they have

been told many times. The tales fascinated me, and I often wondered why someone had not compiled them in book form....' The historical context of Tales of Edisto includes elements of glamour that will appeal to almost any reader; certainly the 19th century sea island cotton plantations with their 'elegant homes, avenues of magnolias, orange blossoms, beautiful women, and gentleman planters with their mint juleps' were the stuff of which romance is made. Beautifully illustrated throughout by engineer-photographer Carl Julien of Greenwood, South Carolina.

Silas Cully's Tavern Tales Bert Osterberg, 2001-05 Silas Cully's Tavern Tales is a sometimes hilarious, sometimes poignant look at Nineteenth Century America through the eyes of a barkeep. Who else but the local barkeep could tell it all? Here is Silas - expounding against California statehood, chiding ladies for entering his barroom, and telling the jokes and humorous stories that are his stock in trade. Authentic food and drink recipes from 1850 taverns are also provided.

*Hamden* Eric D. Lehman, 2010-04-10 Sail into New Haven Harbor and trek toward the beautiful form of the Sleeping Giant to discover Hamden, a picturesque gem nestled in the rolling hills of Connecticut. Witness the birth of the ?Industrial Revolution with the building of Eli Whitney's famous factory, wander past the buried cars in the Ghost Lot of Hamden Plaza and hear the tale of the courageous Hamden soldiers who fought in the Civil War. Journey with Eric D. Lehman as he uncovers the hidden stories of this fascinating Connecticut town, from its humble Puritan beginnings to its modern-day splendor.

**Black Sheep, White Crow and Other Windmill Tales** Jim Kristofic, 2017 These tales capture the humor and themes of traditional Diné literature. . . . The collection resonates with deep cultural

**Phantoms of Old Louisville** David Domine,2017-07-11 Old Louisville in Louisville, Kentucky, is the third-largest National Preservation District in the United States and the largest Victorian-era neighborhood in the country. Beneath the balconies and terraces of the district's Gothic, Queen Anne, and Beaux Arts mansions, current residents trade riveting stories about their historic homes. Many of these tales defy rational explanation. When David Dominé moved into one of these houses, he dismissed local rumors of a resident poltergeist named Lucy. However, before long, unnerving, disembodied footsteps and mysterious odors caused him to flee his home in the middle of the night. Since that night, Dominé has not only opened his mind to the idea of paranormal phenomena but also turned it into popular tours and a bestselling collection of books, which have brought new attention to this iconic neighborhood. In *Phantoms of Old Louisville: Ghostly Tales from America's Most Haunted Neighborhood*, Dominé recounts a horrifying encounter at the Spalding Mansion and the long history of the kindly spirit Avery, who guards the iconic Pink Palace. These tales of things that go bump in the night not only reveal why Old Louisville is considered the most haunted neighborhood in America, but also help to preserve this historically and architecturally significant community.

**Remembering Franklin County** Luann Yetter,2009 Snow swirled around the first Sandy River settlers in the winter of 1780, testing pioneering spirits. But the founders proved tough and able, incorporating Farmington in 1794 and soon establishing other towns, raising crops, building roads and institutions and bringing Franklin County to life. Former Lewiston Sun Journal columnist Luann Yetter

describes the early years, the rumored Indian attack that led to the discovery of Rangeley Lakes, the World War I sacrifices of Company K and the Weld baseball player who managed Babe Ruth's Red Sox to two World Series championships. Yetter also notes the delinquent debt collected by Paul Revere, the murder suspect who made history by (unsuccessfully) defending himself and the near total destruction wrought by the flood of 1869. Describing war, wealth, industry and oddity, she reveals the richness of Franklin County's past.

**RODEO STORIES** Chimp Robertson, 2014-10-07 What a creative idea! Chimp Robertson has put together an anthology of rodeo stories from the famous and not so famous. Each story was written by the individual rodeo rider, and ranges from flat out funny, to pathos, to “glad that wasn’t me”, to... Every story sits tall in the saddle on its own merits, but put them all together and Chimp has created a fireside reader that will keep you entertained for hours; a great book to travel with, as a gift or to take to your next rodeo for autographs. Every rodeo cowboy/cowgirl has at least one incredible rodeo story, and Rodeo Stories relates some of the best ones. This book not only makes the 8 second buzzer, but it wins the championship belt buckle. Pull your cowboy hat on tight, nod your head to open the gate, and hang on for a great ride! Robert Lorbeer
