*The Conscious Closet* Elizabeth L. Cline, 2019-08-20 From journalist, fashionista, and clothing resale expert Elizabeth L. Cline, “the Michael Pollan of fashion,”\* comes the definitive guide to building an ethical, sustainable wardrobe you'll love. Clothing is one of the most personal expressions of who we are. In her landmark investigation *Overdressed: The Shockingly High Cost of Cheap Fashion*, Elizabeth L. Cline first revealed fast fashion's hidden toll on the environment, garment workers, and even our own satisfaction with our clothes. The *Conscious Closet* shows exactly what we can do about it. Whether your goal is to build an effortless capsule wardrobe, keep up with trends without harming the environment, buy better quality, seek out ethical brands, or all of the above, *The Conscious Closet* is packed with the vital tools you need. Elizabeth delves into fresh research on fashion's impacts and shows how we can leverage our everyday fashion choices to change the world through style. Inspired by her own revelatory journey getting off the fast-fashion treadmill, Elizabeth shares exactly how to build a more ethical wardrobe, starting with a mindful closet clean-out and donating, swapping, or selling the clothes you don't love to make way for the closet of your dreams. *The Conscious Closet* is not just a style guide. It is a call to action to transform one of the most polluting industries on earth—fashion—into a force for good. Readers will learn where our clothes are made and how they're made, before connecting to a global and impassioned community of stylish fashion revolutionaries. In *The Conscious Closet*, Elizabeth shows us how we can start to truly love and understand our clothes again—without sacrificing the environment, our morals, or our style in the process. \*Michelle Goldberg, *Newsweek/The Daily Beast*

*Change Your Clothes, Change Your Life* George Brescia, 2014-08-19 Open the door to harmonious, powerful, and positive dressing with a guide that's like *The Secret*—for your wardrobe. In this groundbreaking how-to book, style expert George Brescia shows you how to transform yourself from the inside out. More than a style guide, this revolutionary book by a seasoned stylist teaches a method of conscious dressing that begins with a powerful internal change. Instead of just grabbing for whatever's on hand, you'll learn to set your goals for the day, determining how you want to be perceived, and then dress in a way that helps manifest those intentions. *Change Your Clothes, Change Your Life* reveals the true power your clothing has to affect your life, showing how this second skin impacts your job prospects, your romantic life, your income, and even your deepest sense of self. Translating his styling methods into a philosophy anyone can apply on her own, Brescia also delivers tips and tricks of the trade to help convert even the most hapless dresser into a happy and educated shopper. Because the goal is to have you not only looking great, but feeling more confident, too. From major closet overhauls to a whole new philosophy on color, this is a comprehensive manual for anyone who's ever looked at her closet in despair. Accessible, direct, honest, and thought-provoking, *Change Your Clothes, Change Your Life* takes an eye-opening look at the intersection between our clothing and our emotions, hopes, and dreams, showing us how improving our external appearance can have life-changing effects on how we're perceived by others—and more importantly, on how we perceive ourselves.

**The Curated Closet** Anuschka Rees, 2016-09-20 Is your closet jam-packed and yet you have absolutely nothing to wear? Can you describe your personal style in one sentence?
