Winning 42 Dennis Roberson,2004 There are two types of people in Texas: those who play 42 and those who need to learn. Winning 42 is written for both. A team game that no one tires of playing, 42 relies on neither luck nor memory. Skill and strategy definitely separate the best from the rest. Played casually by those who enjoy socializing or intently by those who relish the logic of each domino played, 42 is perhaps the most widely acknowledged cultural expression in Texas. Book jacket.
