**Ground Beetles** Erin Long,2016-07-16 What is the ground beetle, and why is it important to its ecosystem? Readers will learn the answers to these questions and more through this information-rich title, which is designed to support elementary science curriculum. Age-appropriate language guides readers through important science concepts, such as understanding this insect's life cycle, behavior, physical characteristics, and arms readers with the tool to identify ground beetles in nature. Readers will even learn where the ground beetle gets its name! By the end of this title, readers are sure to understand why this insect is special. Fact boxes and colorful photographs help to reinforce important concepts.

**The Leadership Skills Handbook** Jo Owen,2012-06-03 Winner of the 'New Manager' category at the CMI Management Book of the Year Awards

<http://yearbook.managers.org.uk/> The Leadership Skills Handbook from best-selling author Jo Owen reveals the essential skills you need to be an effective leader. It shows you what works in practice, not in theory. Each skill is presented in concise, easy to follow format. The skills are about the real challenges real leaders have to master. Based on research from over a thousand leaders in the public, private and voluntary sectors, it identifies the practical skills to make you even more successful, and offers guidance on all key topics. This completely revised second edition of The Leadership Skills Handbook is

about more than just technical skills, it is also about developing the people skills, behaviours and values you will need. Full of tips, exercises and practical wisdom, it will help you become a leader that people want to follow.
