The History of Professional Hockey in Victoria Helen Edwards, 2019-06-04 The History of Professional Hockey in Victoria is an in-depth examination of professional hockey in Victoria. It includes details on the different leagues, statistics on every game played by a Victoria team, and information on every player to dress for at least one regular season game. From the Patrick family to RG Properties, this book covers the ownership of teams and records the highlights and low points of every team. It was produced as a thank-you to the players who entertained Victorians over a century, giving us reason to cheer on many occasions and to be disappointed as well. Victoria enjoyed three championships, including the Stanley Cup victory in 1925. Little did the Cougars know that they would go down in history as the last non-NHL team to win the Stanley Cup, and the last non-NHL team to play in a Stanley Cup series. They were also the last West Coast team to win the Stanley Cup until Anaheim did it in 2007. The 1950-51 Cougars, led by their kid line of Andy Hebenton, Bob Frampton, and Reg Abbott, won the league title while the Maple Leafs (with Hebenton in the lineup) won the Lester Patrick Cup in the 1965-1966 season. Included in the narrative is the story of the construction and operation of the different venues in which games were played. The politics behind arena construction are examined as well, with editorial cartoons to make the reader laugh about the folly of some ideas. Biographies of selected players tell the story of individuals and how they came to play hockey in Victoria. Learn from behind-the-scenes stories told by the players themselves. Lavishly illustrated, this is a book for those who love hockey history and its connection to Victoria, BC.
