Hunting Together Simone Mueller, 2020-03-29 Do you wish your dog would listen to you on walks, rather than running after squirrels? Tired of getting left in the dust if a cat shows up nearby? Concerned that your dog's prey drive is coming between the two of you? Conventional training protocols stifle your dog's natural predatory behaviours through punishing or constantly forcing them to return. These restrictive protocols work against your dog's nature and against what they want most: to go for a hunt! Predation is an inner need that makes your dog happy. Suppressing those natural urges is like putting an airtight lid on a boiling pot. Eventually, that pressure needs to escape, and without a proper outlet, it's probably going to get messy. Wouldn't you rather use your dog's predation motivation to improve your training and even grow your relationship with your dog? Predation Substitute Training (PST) is a motivation-based and need-oriented training program, designed to stop uncontrolled predatory chasing and to provide safe outlets for your dog's natural drive. Instead of making discipline the nagging factor that spoils the fun, this training system will help you grow as a team and go hunting together! In this training program, you'll learn: -What is predation? -Why does your dog love to hunt? -Why is predatory behaviour so hard to interrupt? To stop your dog's predatory chasing and see real-life results, just follow the step-by-step instructions: -Prevention: Structure your walks to set your dog up for success -Predation Substitute Tools: Help your dog control their urge to chase in a healthy way. -Predation Substitute Games: Discover new ways to express predatory energy in a safe, controlled environment -Safety net: Build a strong emergency cue to immediately interrupt predatory chasing. Is hunting your dog's favourite hobby? Don't spoil the fun - go hunting together! About the Author: Simone Mueller is a certified dog trainer, dog behaviourist (ATN.AG), and owner of the Training4Paws Dog School near Heidelberg, Germany. Simone is proud to be an Associate Trainer at the Scotland-based Lothlorien Dog Training Club (AT-LDTC) and a member of both the Pet Professional Guild (PPG) and the Pet Dog Trainers of Europe (PDTE). The Public Library, 2014-05-27 A gorgeous visual celebration of America's public libraries including 150 photos, plus essays by Bill Moyers, Ann Patchett, Anne Lamott, Amy Tan, Barbara Kingsolver, and many more. Many of us have vivid recollections of childhood visits to a public library: the unmistakable musty scent, the excitement of checking out a stack of newly discovered books. Today, the more than 17,000 libraries in America also function as de facto community centers offering free access to the internet, job-hunting assistance, or a warm place to take shelter. And yet, across the country, cities large and small are closing public libraries or curtailing their hours of operation. Over the last eighteen years, photographer Robert Dawson has crisscrossed the country documenting hundreds of these endangered institutions. The Public Library presents a wide selection of Dawson's photographs— from the majestic reading room at the New York Public Library to Allensworth, California's one-room Tulare County Free Library built by former slaves. Accompanying Dawson's revealing photographs are essays, letters, and poetry by some of America's most celebrated writers. A foreword by Bill Moyers and an afterword by Ann Patchett bookend this important survey of a treasured American institution.
