Five Finger Discount Bailey Dickey, 2018-06-13 Five Finger Discount, is a dialogue-driven, humorous novel based on the idea that good people may commit horrendous crimes and remain good people. Amadeus Franklin is a foul-mouthed young man with a passion for drug abuse, thievery and people, especially his close-knit group of friends and his 7-year-old sister, Chloe. His friend group includes the slovenly Arnold Brown, the musically-inclined Oliver Green, the immortally snarky Sir Douglas Birdswa IV, the drug-dealing Sleepy G and the lovely Synthia Mulligan. When he and his friends manage to stumble into the means of semi-legally obtaining great wealth via stolen gold, they spiral into murder, cleaning, heists and Taco Bell retreats. All seems well until someone is kidnapped by the group of men gunning for the gold. When the honor among thieves comes into question, the story caps off with laughter, betrayal, and a bittersweet lullaby.

Five-Finger Discount Helene Stapinski, 2002-03-12 Now a PBS documentary, this astonishing memoir of growing up in rough-and-tumble Jersey City “will steal your heart” (People) With deadpan humor and obvious affection, Five-Finger Discount recounts the story of an unforgettable New Jersey family of swindlers, bookies, embezzlers, and mobster-wannabes. In the memoir Mary Karr calls “a page-turner,” Helene Stapinski ingeniously weaves the checkered history of her hometown of Jersey City—a place known for its political corruption and industrial blight—with the tales that have swirled around her relatives for decades. Navigating a childhood of toxic waste and tough love, Stapinski tells an extraordinary tale at once heartbreaking and hysterically funny. Praise for Five-Finger Discount “By turns hilarious and alarming, [Helene Stapinski’s] book reads on the surface like something by Damon Runyon and Elmore Leonard, with a dark undertow of real-life pain and disillusion.”—Michiko Kakutani, The New York Times “It’s a brilliant book, a darling book. It is the blessedly modest chronicle of a magical consciousness that seems to have been born pulling diamonds out of the muck, hearing angels’ voices in the fiercest thunder. . . . I adored every word of this wondrous book. Get it. Read it.”—Michael Pakenham, The Baltimore Sun “In the tradition of . . . Rita Mae Brown and Amy Tan, Ms. Stapinski is an exciting writer, unabashedly candid, and at the same time unashamedly self-contained. Five-Finger Discount is a must-read.”—Victoria Gotti, The New York Observer “What [Frank] McCourt did for Limerick, Ireland, Helene Stapinski does for Jersey City.”—The Star-Ledger “Hugely entertaining.”—The Sunday Times (London)

Body Language from Head to Toe Per-Olof Hasselgren, 2015-06-03 Written by a physician, *Body Language - from Head to Toe* is a “dictionary” of American idioms and other expressions that contain the name of a body part. The use of body part-related expressions is both interesting and fun. This book contains about 2,000 such idioms, words, and expressions, such as “with the back against the wall,” “brainstorming,” “sweet tooth,” and “tongue in cheek.” Says author Per-Olof Hasselgren, “As a surgeon, I understand the importance of anatomy and the knowledge of organs and tissues. This book reflects my longstanding interest in idioms and other expressions referring to body parts, and it ‘connects’ anatomy with the spoken and written language.” This book was written for three main reasons. First, anatomy matters, particularly in surgery. During the last several years, collecting such expressions became a hobby for the author. Second, as someone moving to this country from another part of the world, Dr. Hasselgren is interested in the peculiarities of the American language. Idioms, slang, and other expressions are specific for any given language and quite often cannot be directly translated. Third, when one starts to be aware of them, written and spoken body language can become quite entertaining.

Baby Plays Around Helene Stapinski, 2005-04 By the author of the bestselling *Five-Finger Discount*, a hip, funny, and absorbing memoir of a journalist realizing a lifelong dream-- playing drums in a rock band-- as her marriage hits the rocks Helene Stapinski took guitar lessons when she was a girl, but it was her brother's drums that really held her interest. She used to sneak in and play them when he was away; when he realized what she was doing, he dismantled them each time he finished playing. But Helene figured out how to put them back together. She learned the classic drum solos and followed the careers of famous drummers. As an adult, Helene put the drums aside and became a journalist. When she was thirty she interviewed Julie, the leader of a rock band, for a story. The band needed a drummer, and Helene's long-forgotten ambitions came flooding back. She joined, and then she brought her husband aboard on bass. Just as they started playing out at clubs, though, Helene's husband quit the group. And as Helene's involvement with her bandmates deepened, her relationship with her husband became distant and strained-- and very nearly shattered. *Baby Plays Around* reads like a novel but will ring true to anyone who has ever been in a band or just dreamed of it. Set amid the bars, clubs, and rehearsal studios of Manhattan's Lower East Side, it's an incisive exploration of the romance of rock and roll, and of the realization and relinquishing of youthful dreams-- about ambition, freedom, and infidelity, about love lost and found again. Written with the same wit and insight that distinguished Stapinski's uproarious memoir *Five-Finger Discount*-- and a sense of humor as sharp as the crack of a snare drum-- *Baby Plays Around* is a unique and deeply personal story of music and passion. From the Hardcover edition.

Murder In Matera Helene Stapinski, 2017-05-23 "A murder mystery, a model of investigative reporting, a celebration of the fierce bonds that hold families together through tragedies...*Murder in Matera* is a gem."— San Francisco Chronicle Tantalizing — NPR "A thrilling detective story... Stapinski pursues the study of her family's criminal genealogy with unexpected emotional results." — Library Journal A writer goes deep into the heart of Italy to unravel a century-old family mystery in this spellbinding memoir that blends the suspenseful twists of *Making a Murderer* and the emotional insight of Elena Ferrante's *Neapolitan Novels*. Since childhood, Helene Stapinski heard lurid tales about her great-great-grandmother, Vita. In Southern Italy, she was a loose woman who had murdered someone. Immigrating to America with three children, she lost one along the way. Helene's youthful obsession with Vita deepened as she grew up, eventually propelling the journalist to Italy, where, with her own children in tow, she pursued the story, determined to set the record straight. Finding answers would take Helene ten years and numerous trips to Basilicata, the rural instep of Italy's boot—a mountainous land rife with criminals, superstitions, old-world customs, and desperate poverty. Though false leads sent her down blind alleys, Helene's dogged search, aided by a few lucky—even miraculous—breaks and a group of colorful local characters, led her to the truth. Yes, the family tales she'd heard were true: There had been a murder in Helene's family, a killing that roiled 1870s Italy. But the identities of the killer and victim weren't who she thought they were. In revisiting events that happened more than a century before, Helene came to another stunning realization—she wasn't who she thought she was, either. Weaving Helene's own story of discovery with the tragic tale of Vita's life, *Murder in Matera* is a literary whodunit and a moving tale of self-discovery that brings into focus a long ago tragedy in a little-known region remarkable for its stunning sunny beauty and dark buried secrets.

Even if you feel restricted by budget, staff, or space, this step-by-step guide will help you turn your library into a creativity center. The Maker Movement is sweeping the nation because it is creative and educational—and a lot of fun. Nonetheless, some librarians have hesitated to incorporate the movement into their programming because their libraries do not have dedicated makerspaces. If that describes you, then take heart. Written by librarians for librarians, this cookbook proves that every library is already a MakerPlace and provides you with recipes to make your library come alive with creativity. Easy-to-use, step-by-step guidance helps you create engaging K-8 programs in science and technology, arts and crafts, and home skills that are perfect for the library setting. The menu of ideas is broken into four types of programming. Appetizers add a taste of the Maker movement to existing library programs. Entrees present full programs for a lengthy one-day event or a short series. Side Dishes are programs you can use if you have limited staff, budget, space, or any combination of those. Desserts are low-tech programs, suitable for young children. Each recipe includes extensions, variations, and curriculum tie-ins that give you even more ways to present the program ideas, whether to a different audience or as part of other related activities. Programs that involve creating a Balloon Zip Line, a Zen Garden, or a Maker Marketplace will delight library users and generate activity and excitement in your library.

This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material.
