Titanic Tragedy: A New Look at the Lost Liner John Maxtone-

Graham,2012-03-19 "Maxtone-Graham's take on the Titanic will be catnip to the ship's dedicated buffs."—Publishers Weekly This is a book unlike any other. Rather than offering simply a detailed retelling of the Titanic sinking on her maiden voyage, John Maxtone-Graham devotes his considerable knowledge and impeccable prose to a discussion of salient, provocative, and rarely investigated components of the story, including dramatic survivors' accounts of the events of the fateful night, the role of newly in-vented wireless telecommunication in the disaster, the construction and its ramifications at the famous Harland and Wolff shipyard in Belfast, and the dawn rendezvous with the rescue ship Carpathia. Richly written and vividly detailed, this is the book Titanic buffs have been waiting for.

**Greetings from Detroit** Dan Austin,2017-10-02 Greetings from Detroit: Historic Postcards from the Motor City offers a glimpse into the past through more than two hundred historic postcards of Detroit from the early 1900s to the 1950s, compiled and presented in full color by Dan Austin of HistoricDetroit.org. From familiar sights to long lost landmarks, this book pairs vintage views with rich stories from the Motor City's yesteryear. In the era before cameras became commonplace, postcard shops were

everywhere—allowing folks to send snapshots of their travels to friends and family, or to take home as mementos. Many of these old postcards are now sought after collectibles today, offering a rare look back at a time of tremendous growth and change across Detroit during the first half of the twentieth century. Divided into six sections, Greetings from Detroit showcases the changing times and interests of the city—highlighting some of the distinct neighborhoods, including Midtown, southwest Detroit, and the downtown area. A portion of the book is devoted to Detroit's parks, with special interest in Belle Isle, Palmer Park, Clark Park, and Water Works Park. The book also shines a light on the majestic steamers that often dotted the Detroit River. Greetings from Detroit gathers some of the best, most illustrative postcards in one place and—for the first time, in full color—frames them alongside meticulously researched writing, offering context and stories behind each image. It is a history book. It is a picture book. It is a window into the history of Detroit. As the city grows and changes, there is value in observing a Detroit that is frozen in time. This beautiful collection would make an excellent conversation piece in the home of any local history aficionado.
