Russell Ginns, 2018-02-13 Get ready for round-the-world adventure with Sam Spinner and her brother Nipper in the first book in a new hilarious, puzzle-packed series filled with super-secret messages! Perfect for fans of *Escape From Mr. Lemoncello's Library* and classics like *Holes*. Samantha Spinner's uncle Paul disappeared, and here's what he left: \* Samantha's sister got a check for \$2,400,000,000. \* Samantha's brother got the New York Yankees. \* And Samantha got a rusty red umbrella with a tag hanging off its worn handle. The tag says Watch out for the RAIN. Thanks a lot, Uncle Paul. After all the strawberry waffles, stories, and puzzles they've shared, how could he just leave without saying goodbye? And what is the meaning of that mysterious message? The answer is simple. Sam knows in her heart that Uncle Paul is in danger. And if he taught her anything, it's that not everything is exactly what it seems. *Broken News: Journalism in Crisis* Roy

Santoro, 2018-08-27 Broken News will take a look at

the crisis facing journalism in America today. It takes an in depth look at fake news, political bias, racism, social media and much more. You will see how layoffs, a failing money model and consolidation are having a major impact on the news you get every day. It is based on my 40 years in local TV news as a producer, writer and investigative journalist. I will take you inside the newsroom to show readers how stories are selected, how video is edited and how the news they see can be manipulated and distorted. You will learn how you can hold your TV station, radio station and newspaper accountable when they make errors or distort the news. Broken News is the result of an 18 month investigation of the news business. I talked with news managers, reporters, anchors, writers, critics, academics and the journalism students who will become the next generation of journalists. Broken News not only looks at the problems facing the industry, but some of the possible solutions. Broken News takes a look at the important issues facing the industry, like the Fairness Doctrine, Equal Time and Net Neutrality. It also takes you inside a working newsroom to see how the long hours, low pay and stress are forcing many of the best and brightest out of the industry. You will learn why news outlets slap breaking news all over every story, how your daily weather forecast is put together and what really happens inside a news control room when a real story happens. Broken News takes a disturbing look at sexual harassment and abuse in the news business, how crime is covered, racism and what life is like on the

street for the live crews sent out every day to cover the news. It also takes a serious look at how Facebook, Twitter and other forms of social media are contributing the growing culture war in America. Readers will learn how to spot fake news stories, how to avoid websites that are promoting false narratives and how to become better news consumers. Broken News also looks at the changing economics of the news industry and how consumers need to learn that good journalism is not free.
