Writing Without Bullshit Josh Bernoff, 2016-09-13 Joining the ranks of classics like *The Elements of Style* and *On Writing Well*, *Writing Without Bullshit* helps professionals get to the point to get ahead. It's time for *Writing Without Bullshit*. *Writing Without Bullshit* is the first comprehensive guide to writing for today's world: a noisy environment where everyone reads what you write on a screen. The average news story now gets only 36 seconds of attention. Unless you change how you write, your emails, reports, and Web copy don't stand a chance. In this practical and witty book, you'll learn to front-load your writing with pithy titles, subject lines, and opening sentences. You'll acquire the courage and skill to purge weak and meaningless jargon, wimpy passive voice, and cowardly weasel words. And you'll get used to writing directly to the reader to make every word count. At the center of it all is the Iron Imperative: treat the reader's time as more valuable than your own. Embrace that, and your customers, your boss, and your colleagues will recognize the power and boldness of your thinking. Transcend the fear that makes your writing weak. Plan and execute writing projects with confidence. Manage edits and reviews flawlessly. And master every modern format from emails and social media to reports and press releases. Stop writing to fit in. Start writing to stand out. Boost your career by writing without bullshit.

The woman that Jessica meets is nothing like what she expected. Her grandmother is successful, intelligent, determined, and all too willing to take blame for what has happened to cause the estrangement, and, more importantly, to try and set things right. As Jessica spends time with her grandmother in her beautiful island home, she learns about her family's history and what caused the schism between her mother and grandmother. As days with her grandmother turn to weeks, Jessica is determined to find a way to heal her fractured family. Lucky's Andrew Pippos, 2020-10-27 Lucky's is a story of family. A story about migration. It is also about a man called Lucky. His restaurant chain. A fire that changed everything. A New Yorker article which might save a career. The mystery of a missing father. An impostor who got the girl. An unthinkable tragedy. A roll of the dice. And a story of love - lost, sought and won again (at last). Following a trail of cause and effect that spans decades, this unforgettable epic tells a story about lives bound together by the pursuit of

love, family, and new beginnings. WINNER OF THE READINGS PRIZE FOR NEW AUSTRALIAN FICTION 2021 SHORTLISTED FOR THE MUD LITERARY PRIZE 2021 SHORTLISTED FOR ABIA MATT RICHELL NEW WRITER OF THE YEAR 2021 SHORTLISTED FOR THE MILES FRANKLIN LITERARY AWARD 2021 SHORTLISTED FOR THE PRIME MINISTER'S LITERARY AWARDS FOR FICTION 2021 HIGHLY COMMENDED FOR 2021 ARA HISTORIAL NOVEL PRIZE Praise for Lucky's 'Andrew Pippas has written an unforgettable epic with Australian humour and Greek tragedian turns on every page. Such skill and heart and love pulses through this debut!' - Alice Pung 'A sweeping, sprawling family epic of heartbreak, hope, and redemption. This is the debut of a born storyteller.' - Liam Pieper 'Affecting, authentic and tender' - Rebecca Starford 'A gorgeous novel of wonderful characters, Lucky's is the real deal and I didn't want it to stop. I was so caught up in the casual charm of this book that I kept being sideswiped by the excellent turns of its plot, and the wise, sometimes disturbing things it has to say about fate, luck and family over the sweep of decades.' - Ronnie Scott 'From the first pages of this debut novel, it is clear that we are in the hands of a wise, perceptive, and highly-skilled storyteller. Pippas brilliantly distills multiple stories to those pure moments of love, despair, passion and folly that make up the essence of a life, and his fierce and fragile characters will remain in your heart long after the final page. The writing is fresh and fairly crackles with energy. Lucky's is one of the best Australian novels I've read in years!' - Emily Bitto 'Crisp and evocative' - Rick Morton 'A

mouthwatering tale that encapsulates family drama, true crime and Greek tragedy - with pathos-filled characters that pop' - Guardian 'A hugely entertaining, tender, rollicking yarn. Part immigration story, part love story, part adventure, it's a multi-layered original Australian story.' - Sydney Morning Herald 'Lucky's is a bold novel, both backwards- and forwards-looking, a strong start to a career, and a timely reminder that an individual's life story can be quietly vast.' - The Australian 'Pippos writes towards myth while grounding his book in deeply human themes. Lucky's is concerned with the stories we tell ourselves and the chasm between fact and fiction, the space where happiness may lie.' - Australian Book Review 'This is a novel that I'd like everyone to read...Lucky's is a beautiful reminder that lives can be reinvented, that the bad things will eventually give way to the good ones, and that the change we seek could be right around the corner.' - Kill Your Darlings 'One of the most impressive and appealing Australian debuts novels of 2020 - or, frankly, any year, and you can scratch the adjective debut from that description too.' - Readings 'From reading this magnificent debut, it's clear that Andrew Pippos will go down as one of the finest Australian storytellers of his generation ... Pippos dictates the conventions of our humanity perfectly, giving to us the definition of a Greek tragedy interspersed within what is sure to become an Australian classic.' - Glam Adelaide 'Grand, evocative and generous storytelling mark out Lucky's as one of the most rewarding Australian debuts of 2020 ... A wild and sprawling

story is rendered with precision and depth. Every page is a reward for the reader.' - Booktopia

Donuts and Other Proclamations of Love Jared Reck, 2021-06-08 A sweet romantic story about donuts, food trucks, family, and first loves. It's easy to look at high school senior Oscar Olsson and think: lost. He hates school, struggles to read, and wants nothing to do with college. But Oscar is anything but lost---he knows exactly what he wants and exactly how to get it. Oscar and Farfar, the Swedish grandfather who's raised him, run a food truck together selling rullekebab and munkar, and Oscar wants to finish school so he can focus on the food truck full-time. It's easy to look at Mary Louise (Lou for short) Messinger and think: driven. AP everything, valedictorian in her sights, and Ivy league college aspirations. When Lou hijacks Oscar's carefully crafted schedule of independent studies and blocks of time in the Culinary Lab, Oscar is roped into helping Lou complete her over-ambitious, resume-building service project-reducing food waste in Central Adams High School. While Lou stands to gain her Girl Scout Gold Award, Oscar will be faced with a mountain of uneaten school apples and countless hours with a girl he can't stand. With the finish line in sight, a relationship he never expected, and festival season about to begin (for good), the unthinkable happens, and Oscar's future is anything but certain.

Character-Building Stuff Declan Shorthall, 2012-07-17 I am 39 years old now

and I began writing this book in 2008. I have an honors degree in Childhood and Youth Studies from Exeter University and over ten years experience working with young people in schools and within the care system in the UK. My story is about my life growing up in the care system and then trying to build a good life for myself. I hope it might help young people living a similar situation to remain hopeful for their futures. I hope that adults working with young people will find my book insightful and hopefully it will guide them in their working practice as well as change the way they view the young people they work with and their families. I have been very lucky in that I have gone on to do some good things and build a loving family of my own, although I won't pretend this was easy. Having to unlearn the things I had learned as a child and not just replicate them was hard work but worth every bit of sweat and every tear. I live in a small Somerset village in the UK with my family. I work with the Somerset Youth Offending Team and with children who have emotional and behavioral difficulties, many of whom are in or have been in residential care at some point. I have written this book for many reasons but mainly because growing up I didn't believe that I could have a good life. I honestly thought that good things weren't meant for the likes of me. I was wrong, and I want to give every child the chance to read about how I discovered this. I did manage to break the cycle and I believe that we can all have a good life. It just might not come knocking at your door. I want those that work with young people to believe in them, every child and

young person needs to believe that life is what we make it, not what others have predicted for us.

Marine Corps Values United States Marine Corps, 2005 The User's Guide to Marine Corps Values is to be used as a tool to help ensure that the values of the Corps continue to be reinforced and sustained in all Marines after being formally instilled in entry level training. This document is a compendium of discussion guides developed and used by Marine Corps formal schools. The guides are part of the formal inculcation of values in young Marines, enlisted and officer, during the entry level training process. This guide is designed to be used as a departure point for discussing the topics as a continuation of the process of sustaining values within the Marine Corps. The User's Guide also serves as a resource for leaders to understand the talk and the walk expected of them as leaders. New graduates of the Recruit Depots and The Basic School have been exposed to these lessons and expect to arrive at their first duty assignments and MOS schools to find these principles and standards exhibited in the Marines they encounter. Leaders must remember that as long as there is but one Marine junior to them, they are honor bound to uphold the customs and traditions of the Corps and to always walk the walk and talk the talk. We are the parents and older siblings of the future leaders of the Marine Corps. America is depending on us to ensure the Marines of tomorrow are ready and worthy of the challenges of this obligation. Teaching, reinforcement, and sustainment of these lessons can take place in

the field, garrison, or formal school setting. Instructional methodology and media may vary depending on the environment and location of the instruction. However, environment should not be considered an obstacle to the conduct or quality of the instruction. This guide has been developed as a generic, universal training tool that is applicable to all Marines regardless of grade. Discussion leaders should include personal experiences that contribute to the development of the particular value or leadership lesson being di

Becoming Melungeon Melissa Schrift, 2018-08-01 Appalachian legend describes a mysterious, multiethnic population of exotic, dark-skinned rogues called Melungeons who rejected the outside world and lived in the remote, rugged mountains in the farthest corner of northeast Tennessee. The allegedly unknown origins of these Melungeons are part of what drove this legend and generated myriad exotic origin theories. Though nobody self-identified as Melungeon before the 1960s, by the 1990s Melungeonness had become a full-fledged cultural phenomenon, resulting in a zealous online community and annual meetings where self-identified Melungeons gathered to discuss shared genealogy and history. Although today Melungeons are commonly identified as the descendants of underclass whites, freed African Americans, and Native Americans, this ethnic identity is still largely a social construction based on local tradition, myth, and media. In *Becoming Melungeon*, Melissa Schrift examines the ways in which the Melungeon ethnic identity has been socially constructed over time by various regional and national media, plays, and

other forms of popular culture. Schrift explores how the social construction of this legend evolved into a fervent movement of a self-identified ethnicity in the 1990s. This illuminating and insightful work examines the shifting social constructions of race, ethnicity, and identity both in the local context of the Melungeons and more broadly in an attempt to understand the formation of ethnic groups and identity in the modern world.
