Follow Me Kathleen Barber,2020-02-25 From the author of Truth Be Told (formerly titled Are You Sleeping)–now an Apple TV+ series of the same name–comes “a thriller for the Instagram age” (Amy Gentry, author of Good as Gone) for fans of Jessica Knoll and Caroline Kepnes. Everyone wants new followers...until they follow you home. Audrey Miller has an enviable new job at the Smithsonian, a body by Pilates, an apartment door with a broken lock, and hundreds of thousands of Instagram followers to bear witness to it all. Having just moved to Washington, DC, Audrey busies herself with impressing her new boss, interacting with her online fan base, and staving off a creepy upstairs neighbor with the help of the only two people she knows in town: an ex-boyfriend she can’t stay away from, and a sorority sister with a high-powered job and a mysterious past. But Audrey’s faulty door may be the least of her security concerns. Unbeknownst to her, her move has brought her within striking distance of someone who has obsessively followed her social media presence for years—from her first WordPress blog to her most recent Instagram Story. No longer content to simply follow her carefully curated life from a distance, he consults the dark web for advice on how to make Audrey his and his alone. In his quest to win her heart, nothing is off-limits—and nothing is private. Kathleen Barber’s new novel of suspense, hailed as “gripping, chilling” by Robyn Harding, author of The Perfect Family, is an electrifying new thriller that will have you scrambling to cover your webcam and digital footprints.

Follow Me to Ground Sue Rainsford,2020-01-21 One of Literary Hub’s Favorite Books of the Year “Seethingly assured...like all the best horror, [Follow Me to Ground] is an impressive balancing act between judicious withholding and unnerving reveals.” –The Guardian A “legitimately frightening” (The New York Times Book Review) debut novel about an otherworldly young woman, her father, and her lover that culminates in a shocking moment of betrayal. “You’ve never encountered a father-daughter story like Rainsford’s slim debut” (Entertainment Weekly). Ada and her father, touched by the power to heal illness, live on the edge of a village where they help sick locals—or “Cures”—by cracking open their damaged bodies or temporarily burying them in the reviving, dangerous Ground nearby. Ada, a being both more and less than human, is mostly uninterested in the Cures, until she meets a man named Samson—and they quickly strike up an affair. Soon, Ada is torn between her old way of life and new possibilities with her lover, and eventually she comes to a decision that will forever change Samson, the town, and the Ground itself. “Visceral in its descriptions...this unworldly story is a well-crafted and eerie exploration of desire...beautifully intoxicating” (Shelf Awareness). In Ada, award-winning author Sue Rainsford has created an utterly bewitching heroine, one who challenges conventional ideas of womanhood and the secrets of the body. “A triumph of imagination and myth-bending...equal parts beauty and horror [Follow Me to Ground is] unlike anything you will read this year” (Téa Obreht).

Follow Me Jan D. Hettinga,1996 Jan Hettinga addresses the roadblocks that keep Christians from following Christ in spirit--the mistrust of authority, the fear of giving God full control, the inability to perceive and understand God, the confusion about God and His ways, and peoples' willingness to face their own resistance to God.

Christ's Call, Our Response John MacArthur,2004 From best-selling author John MacArthur, Follow Me reiterates the call of Jesus, offers insight into ways people respond to it, and encourages readers not just to follow, but to follow through. Women followed Jesus to learn His teaching and to support His ministry. The sick followed Jesus to receive divine healing. The rejects followed Jesus to receive God's acceptance. The disillusioned followed Jesus to receive His hope. All those reasons--and many more--still hold true today. This broad-scoped study of Jesus' followers gives bite-sized portions of insight for followers of today and provides them with the tools necessary to continue heeding the call to follow Him.

Follow Me David Platt,2013-02-05 2014 “Christian Retailing’s Best” award finalist! What did Jesus really mean when he said, “Follow Me”? In this new book, David Platt, author of the New York Times bestselling book, *Radical: Taking Back Your Faith from the American Dream*, contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ. Scores of men, women, and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words. As a result, churches today are filled with people who believe they are Christians . . . but aren’t. We want to be disciples as long as doing so does not intrude on our lifestyles, our preferences, our comforts, and even our religion. Revealing a biblical picture of what it means to truly be a Christian, Follow Me explores the gravity of what we must forsake in this world, as well as the indescribable joy and deep satisfaction to be found when we live for Christ. The call to follow Jesus is not simply an invitation to pray a prayer; it’s a summons to lose your life--and to find new life in him. This book will show you what such life actually looks like.

Follow Me Bible Study - Member Book David Platt,2013-02 When Jesus says, Follow Me, it's not an invitation to say a prayer, it's a summons to lose our lives. Pastor David Platt challenges the traditions of cultural Christianity and reintroduces us to Jesus and His most simple request: Follow Me.

Follow Me - Teen Bible Study Book David Platt,2013-03 A short-term, video-enhanced Bible study for all youth by David Platt.

Follow Me, Akhi Hussein Kesvani,2019-07-01 What does it mean to be Muslim in Britain today? If the media is anything to go by, it has something to do with mosques, community leaders, whether you wear a veil, and what your views on religious extremists are. But as all our lives become increasingly entwined with our online presence, British Muslims are taking to social media to carve their own narratives and tell their own stories, challenging stereotypes along the way. Follow Me, Akhi explores how young Muslims in Britain are using the internet to determine their own religious identity, both within their communities and as part of the country they live in. Entering a world of Muslim dating apps, social media influencers, online preachers, and LGBTQ and ex-Muslim groups, journalist Hussein Kesvani explores how British Islam has evolved into a multi-dimensional cultural identity that goes well beyond the confines of the mosque. He shows how a new generation of Muslims who have grown up in the internet age use blogs, vlogging, and tweets to define their religion on their terms -- something that could change the course of 'British Islam' forever.
