**I.M.** Isaac Mizrahi,2019-02-26 "Honest, insightful, and thoroughly entertaining...Mizrahi comes off in writing just like his onscreen persona: warm, witty, humble—and ready to dish." —Booklist, starred review Isaac Mizrahi is sui generis: designer, cabaret performer, talk-show host, a TV celebrity. Yet ever since he shot to fame in the late 1980s, the private Isaac Mizrahi has remained under wraps. Until now. In I.M., Isaac Mizrahi offers a poignant, candid, and touching look back on his life so far. Growing up gay in a sheltered Syrian Jewish Orthodox family, Isaac had unique talents that ultimately drew him into fashion and later into celebrity circles that read like a who's who of the twentieth and twenty-first centuries: Richard Avedon, Audrey Hepburn, Anna Wintour, Mikhail Baryshnikov, Meryl Streep, and Oprah Winfrey, to name only a few. In his elegant memoir, Isaac delves into his lifelong battles with weight, insomnia, and depression. He tells what it was like to be an out gay man in a homophobic age and to witness the ravaging effects of the AIDS epidemic. Brimming with intimate details and inimitable wit, Isaac's narrative reveals not just the glamour of his years, but the grit beneath the glitz. Rich with memorable stories from in and out of the spotlight, I.M. illuminates deep emotional truths.

**It's Decorative Gourd Season, Motherfuckers** Colin Nissan,2021-09-28 A passionate and profane love letter to fall, the best fucking season of the year. Do you get excited at the first brisk breeze of the year? Are you overcome with delight when you see piles of red leaves? Do you lose your fucking mind at a pumpkin patch? At last, the epically funny internet sensation It's Decorative Gourd Season, Motherfuckers is now a visual tour-de-force, teeming with a cornucopia of perfectly paired photos and seasonal enchantments to make it really fucking sing. Whiffy candles, wicker baskets, motherfucking gourd after gourd, and people going insane they love fall so much? Check! Also included: the equally lifechanging meditation It's Rotting Decorative Gourd Season, Motherfuckers, because all good things must end. Give it to everyone you love, or put it on your fucking coffee table next to a pile of shellacked vegetables to really tie the room together. Perfect for: For anyone who fucking loves fall, and fans of McSweeney's, Go the Fuck to Sleep, Deep Thoughts, the Onion, and the New Yorker.

**Talent Chooses You** James Ellis,2020-06-03 If you want your business to grow, you need to be able to rely on your ability to hire talent reliably and consistently. No talent pipeline? No growth, and no business. But your recruiting team is drowning (I asked them). They need help. Now, if you ask recruiters, they will ask for headcount. Or more technology. But more bodies and more tools won't solve the issue (though it will eat up your budget). What you need is a better strategy. And that strategy is called employer branding. Employer branding is about understanding, distilling and communicating what your company is all about in order to attract all the talent you need. That will differentiate your company as a place where people will want to work, rather than a place they land because they didn't know better. If you've heard about employer branding in business magazines, it might seem like something only big companies can do. Something that requires a dedicated team, expensive platforms, or a bunch of consultants. That isn't true. If you understand where your brand

comes from, and how to apply it, any company (especially yours) can hire better with it. And this book will teach you how to do all of that, and then some. In this book, you'll learn what employer branding really is, how to make a compelling argument internally to leadership that creates commitment, how to work with other teams and be creative in finding solutions. As a special bonus, we are including a handbook on how to work with recruiting teams. This hands-on workbook is chock full of examples, checklists, step-by-step instructions and even emails you can copy and paste to make things happen immediately.

**Steal This Book** Abbie Hoffman, 2002-02-25 A handbook of survival and warfare for the citizens of Woodstock Nation A classic of counterculture literature and one of the most influential--and controversial--documents of the twentieth century, *Steal This Book* is as valuable today as the day it was published. It has been in print continuously for more than four decades, and it has educated and inspired countless thousands of young activists. Conceived as an instruction manual for radical social change, *Steal This Book* is divided into three sections--Survive! Fight! and Liberate! Ever wonder how to start a guerilla radio station? Or maybe you want to brush up on your shoplifting techniques. Perhaps you're just looking for the best free entertainment in New York City. (The Frick Collection--Great when you're stoned.) Packed with information, advice, and Abbie's unique outlaw wisdom (Avoid all needle drugs--the only dope worth shooting is Richard Nixon.), *Steal This Book* is a timeless reminder that, no matter what the struggle, freedom is always worth fighting for. All Power to the Imagination was his credo. Abbie was the best.--Studs Terkel

**A Darkness at the Door** Intisar Khanani, 2022-07-21 I've been cursed, betrayed, and sold into slavery - but the truth I carry can't be allowed to die. Only Rae knows the extent of the corruption at the heart of the kingdom of Menaiya, from the noble lord who betrayed her, to the Circle of Mages whose wards protect the slavers from discovery. Injured and imprisoned on a slave ship, Rae's options are quickly running out. When a desperate escape attempt goes terribly wrong, she finds herself indebted to a terrifying Fae sorceress. Now Rae will not rest until she has rescued her fellow prisoners and freed her land from the darkness that has taken hold. To succeed, she'll need every ally she can find—including Bren, the thief who may have stolen her heart. But Bren is hiding his own bloody secrets, and the curses that encircle Rae have sunk their claws into her mind. With her debts coming due and time running short, all the truths in the world may not be enough to save her kingdom, or herself. What critics are saying: Full of action, magic, and intrigue. - Foreword Reviews, starred review A fairy tale that goes beyond happily-ever-after, exploring the will and vigilance needed to achieve justice and equity. - Kirkus Reviews, starred review Snap up the thrilling sequel to *THE THEFT OF SUNLIGHT* now!

**November Night Tales** Henry C. Mercer, 2022-02-28 In *November Night Tales*, the reader will find vanishing castles, secret sects, biological weapons, sinister wilderness, lycanthropy, possessed dolls, and mythical lands.

**Swann's Way** Marcel Proust, 2004-11-30 The first volume of one of the greatest novels of the twentieth century, in Lydia Davis's award-winning translation Marcel Proust's *In Search of Lost Time* is one of the most entertaining reading experiences in any language and arguably the finest novel of the twentieth century. But since its original prewar translation there has been no completely new version in English. Now, Penguin Classics brings Proust's masterpiece to new audiences throughout the world, beginning with Lydia Davis's internationally acclaimed translation of the first volume, *Swann's Way*. *Swann's Way* is one of the preeminent novels of childhood: a sensitive boy's impressions of his family and neighbors, all brought dazzlingly back to life years later by the taste of a madeleine. It also enfolds the short novel *Swann in Love*, an incomparable study of sexual jealousy that becomes a crucial part of the vast, unfolding structure of *In Search of Lost Time*. The first volume of the work that established Proust as one of the finest voices of the modern age—satirical, skeptical, confiding, and endlessly varied in his response to the human condition—*Swann's Way* also stands on its own as a perfect rendering of a life in art, of the past recreated through memory.

**A Century of Artists Books** Riva Castleman, 1997-09 Published to accompany the 1994 exhibition

at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

**We Have Always Lived in the Castle** Shirley Jackson, 1990 Merricat Blackwood protects her sister, Constance, from the curiosity and hostility of the villagers after murders occur on the family estate.

**Jane Eyre** Charlotte Bronte, 2021-09 The LitJoy Classics edition of Jane Eyre features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges, and artwork by Felix Abel Klaer.

**Psycho-Cybernetics (Updated and Expanded)** Maxwell Maltz, 2022-09-08 The landmark self-help bestseller that has inspired and enhanced the lives of more than 30 million readers. In this updated edition, with a new introduction and editorial commentary by Matt Furey, president of the Psycho-Cybernetics Foundation, the original 1960 text has been annotated and amplified to make Maxwell Maltz's message even more relevant for the contemporary reader. Maltz was the first researcher and author to explain how the self-image (a term he popularized) has complete control over an individual's ability to achieve, or fail to achieve, any goal. He developed techniques for improving and managing self-image visualization, mental rehearsal and relaxation which have informed and inspired countless motivational gurus, sports psychologists, and self-help practitioners for more than sixty years. Rooted in solid science, the classic teachings in Psycho-Cybernetics continue to provide a prescription for thinking and acting that lead to life-enhancing, quantifiable results.

*Thorn* Intisar Khanani, 2020-03-24 Hunted meets *The Wrath and the Dawn* in this bold fairytale retelling—where court intrigue, false identities, and dark secrets will thrill fans of classic and contemporary fantasy alike. Princess Alyrra has always longed to escape the confines of her royal life, but when her mother betroths her to a powerful prince in a distant kingdom, she has little hope for a better future. Until Alyrra arrives at her new kingdom, where a mysterious sorceress robs her of both her identity and her role as princess—and Alyrra seizes on the opportunity to start a new life for herself as a goose girl. But as Alyrra uncovers dangerous secrets about her new world, including a threat to the prince himself, she knows she can't remain silent forever. With the fate of the kingdom at stake, Alyrra is caught between two worlds, and ultimately must decide who she is and what she stands for. Originally self-published as an ebook and now brought to life with completely revised text, *Thorn* also features an additional short story set in-world, *The Bone Knife*.

*The Theft of Sunlight* Intisar Khanani, 2021-03-23 Perfect for fans of *The Cruel Prince* and *Sorcery of Thorns*, this exhilarating, page-turning fantasy will pull readers into a lush and stunning world where nothing—and no one—can be trusted. I did not choose this fate. But I will not walk away from it. Children have been disappearing from across Menaiya for longer than Amraeya ni Ansarim can remember. When her friend's sister is snatched, Rae knows she can't look away any longer—even if that means seeking answers from the royal court, where her country upbringing and clubfoot will only invite ridicule. Yet the court holds its share of surprises. There she discovers an ally in the foreign princess, who recruits her as an attendant. Armed with the princess's support, Rae seeks answers in the dark city streets, finding unexpected help in a rough-around-the-edges street thief with secrets of his own. But treachery runs deep, and the more Rae uncovers, the more she endangers the kingdom itself. Praise for Intisar Khanani's *Thorn*: "Set in a dark and dangerous world. Well-written and dramatically told, teens will find much to love in a novel in which the princess grows to become a force to be reckoned with." —School Library Journal (starred review) "Khanani beautifully crafts Alyrra's quiet but clear journey of self-definition. —Bulletin of the Center for Children's Books (starred review)

So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow.
