**American Wasteland** Jonathan Bloom,2011-08-30 What Tom Vanderbilt did for traffic and Brian Wansink did for mindless eating, Jonathan Bloom does for food waste. The topic couldn't be timelier: As more people are going hungry while simultaneously more people are morbidly obese, American Wasteland sheds light on the history, culture, and mindset of waste while exploring the parallel eco-friendly and sustainable-food movements. As the era of unprecedented prosperity comes to an end, it's time to reexamine our culture of excess. Working at both a local grocery store and a major fast food chain and volunteering with a food recovery group, Bloom also interviews experts—from Brian Wansink to Alice Waters to Nobel Prize–winning economist Amartya Sen—and digs up not only why and how we waste, but, more importantly, what we can do to change our ways.

*Linked* Gordon Korman,2021-07-20 An unforgettable novel from the New York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer Link, Michael, and Dana get to the truth, the more there is to face-not just the crimes of the present, but the crimes of the past. With *Linked*, Gordon Korman, the author of the acclaimed novel *Restart*, poses a mystery for all readers where the who did it? isn't nearly as important as the why?
