Forever Optimistic Robert S. Brams,2021-06-29 Join a high-powered lawyer on his fight for life against brain cancer and his continuing efforts to remain Forever Optimistic. At age fifty-five, Robert S. Brams, a former college athlete, was in perfect health. Bob was blessed with a beautiful family, including his wife and two children. He had a circle of close friends and a hard-driving international law practice as partner at one of the most prestigious firms in Washington, DC. But after a fateful car accident, an MRI scan revealed a shadow on his brain that suddenly shattered his carefully constructed life. Brams was diagnosed with brain cancer—one of the most overwhelming challenges a person can face. What would the future hold for Brams and his family? Brams has been through six extraordinary years—four hospitals, two brain surgeries, a seizure, a stroke, a coma, life support, ICUs, radiation, chemotherapy, various rehab regimens, a hemophilia diagnosis, and countless MRIs. With all this, Brams’s insurers categorized him as a “Catastrophic Loss.” Despite all that’s happened, Brams is still in the fight, and he is determined to achieve an important purpose—to help beat brain cancer. While his legal career has ended, his continuing struggles have caused him to reprioritize his values and change his perspective on what really matters in life. Having stood at death’s door and now confronted with an uncertain prognosis, Brams’s insights on life, love, family, education, business, and finding your passion take on a distinctive power and clarity. Readers from every walk of life looking for inspiration and motivation will find it in Brams’s remarkable story. Struggles, setbacks, and failures in his youth were “no fun,” but with optimism and determination, Brams found his best path and ultimately succeeded. He reminds us that it’s not where you start, but rather where you finish. Inspiring, powerful, and eminently readable, Forever Optimistic: Fighting Brain Cancer, Finding Your Best Path, and Leading a Life With Purpose is by turns moving, humorous, and brimming with hard-won wisdom. Brams’s story is one of remarkable courage in the face of tragedy. Please support the brain cancer fight at www.1MBBC.com.

The Interlinear Bible Jay P. Green,1986 An interlinear Bible in English that is useful for pastors, students, and laypeople to research the subtle nuances and layers of meaning within the original biblical languages. Featuring the Hebrew and Greek texts with an English rendering below each word, it also includes The Literal Translation of the Bible in the outside column.

Constantinople Philip Mansel,2011-11-10 Philip Mansel's highly acclaimed history absorbingly charts the interaction between the vibrantly cosmopolitan capital of Constantinople - the city of the world's desire - and its ruling family. In 1453, Mehmed the Conqueror entered Constantinople on a white horse, beginning an Ottoman love affair with the city that lasted until 1924, when the last Caliph hurriedly left on the Orient Express. For almost five centuries Constantinople, with its enormous racial and cultural diversity, was the centre of the dramatic and often depraved story of an extraordinary dynasty.

Trust Hernan Diaz,2023-05-02 WINNER OF THE PULITZER PRIZE IN FICTION A NEW YORK TIMES BESTSELLER ONE OF THE NEW YORK TIMES TOP TEN BOOKS OF 2022 ONE OF THE WASHINGTON POST TOP TEN BOOKS OF 2022 ONE OF BARACK OBAMA'S FAVORITE BOOKS OF 2022 LONGLISTED FOR THE 2022 BOOKER PRIZE WINNER OF THE 2022 KIRKUS PRIZE And named one of the BEST BOOKS OF 2022 by The New Yorker, Vogue, Time, NPR, Oprah Daily, Esquire, BookPage, and more Buzzy and enthralling ...A glorious novel about empires and erasures, husbands and wives, staggering fortunes and unspeakable misery...Fun as hell to read. --Oprah Daily A genre-bending, time-skipping story about New York City's elite in the roaring '20s and Great Depression.--Vanity Fair A riveting story of class, capitalism, and greed. --Esquire Captivating.--NPR Exhilarating. --New York Times An unparalleled novel about money, power, intimacy, and perception Even through the roar and effervescence of the 1920s, everyone in New York has heard of Benjamin and Helen Rask. He is a legendary Wall Street tycoon; she is the daughter of eccentric aristocrats. Together, they have risen to the very top of a world of seemingly endless wealth--all as a decade of excess and speculation draws to an end. But at what cost have they acquired their immense fortune? This is the mystery at the center of Bonds, a successful 1937 novel that all of New York seems to have read. Yet there are other versions of this tale of privilege and deceit. Hernan Diaz's TRUST elegantly puts these competing narratives into conversation with one another--and in tension with the perspective of one woman bent on disentangling fact from fiction. The result is a novel that spans over a century and becomes more exhilarating with each new revelation. At once an immersive story and a brilliant literary puzzle, TRUST engages the reader in a quest for the truth while confronting the deceptions that often live at the heart of personal relationships, the reality-warping force of capital, and the ease with which power can manipulate facts.

Expert Oracle RAC Performance Diagnostics and Tuning Murali Vallath,2014-10-13 Expert Oracle RAC Performance Diagnostics and Tuning provides comprehensive coverage of the features, technology and principles for testing and tuning RAC databases. The book takes a deep look at optimizing RAC databases by following a methodical approach based on scientific analysis rather than using a speculative approach, twisting and turning knobs and gambling on the system. The book starts with the basic concepts of tuning methodology, capacity planning, and architecture. Author Murali Vallath then dissects the various tiers of the testing implementation, including the operating system, the network, the application, the storage, the instance, the database, and the grid infrastructure. He also introduces tools for performance optimization and thoroughly covers each aspect of the tuning process, using many real-world examples, analyses, and solutions from the field that provide you with a solid, practical, and replicable approach to tuning a RAC environment. The book concludes with troubleshooting guidance and quick reference of all the scripts used in the book. Expert Oracle RAC Performance Diagnostics and Tuning covers scenarios and details never discussed before in any other performance tuning books. If you have a RAC database, this book is a requirement. Get your copy today. Takes you through optimizing the various tiers of the RAC environment. Provides real life case studies, analysis and solutions from the field. Maps a methodical approach to testing, tuning and diagnosing the cluster

Larger Print Bible-II-Volume 2 Jay Patrick Sr. Green,2007 Larger Print Edition! The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P. Green, Sr. has been the size of the type. This new printing is in a larger type size, much more readable for long hours of study without the eye strain. This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 and all the content of the 2000 Interlinear New Testament. The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. . Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages.
