7 Winning Strategies For Trading Forex Grace Cheng,2010-04-19 Many traders go around searching for that one perfect trading strategy that works all the time in the global FOREX (foreign exchange/currency) market. Frequently, they will complain that a strategy doesn't work. Few people understand that successful trading of the FOREX market entails the application of the right strategy for the right market condition. 7 Winning Strategies For Trading Forex covers: - Why people should be paying attention to the FOREX market, which is the world's largest and most liquid financial market - How understanding the structure of this market can be beneficial to the independent trader - How to overcome the odds and become a successful trader - How you can select high-probability trades with good entries and exits. Grace Cheng highlights seven trading strategies, each of which is to be applied in a unique way and is designed for differing market conditions. She shows how traders can use the various market conditions to their advantage by tailoring the strategy to suit each one. This revealing book also sheds light on how the FOREX market works, how you can incorporate sentiment analysis into your trading, and how trading in the direction of institutional activity can give you a competitive edge in the trading arena. This invaluable book is ideal for new and current traders wanting to improve their trading performance. Filled with practical advice, this book is a must-read for traders who want to know exactly how they can make money in the FOREX market.

Forex Trading: Uncut Donjo T. Franklin MBA, 2010-11-07 FOREX is the largest financial market in the world with daily trading volume that can surpass 4 trillion dollars a day. This is perhaps the single largest factor for why many try to tackle this widely untapped means of investing. The countless opportunities are too great to ignore, which lead the majority to try this exciting market only to be left tasting their own defeat. Many of these aspiring traders jump into this market without a plan and usually fall subject to the psychological failures of trading: fear and greed. In this book you are expected to learn the following: The ends and outs of trading the Forex and how to succeed How professional traders overcome fear and greed utilizing a trading plan that focuses on probability and calculated risk Specific scalping strategies that focus on precise entry and flexible exit points The importance of predefined risk to reward ratios And much more..... Trading the Forex can be extremely exciting and profitable but it requires a trading plan that balances risk and reward. Trading the Forex without a plan is like sky diving with a defective parachute, chances of survival are slim. This book will help uncover highly probable trading methodologies and tactic for creating an edge in trading the Forex.
