The Forex Edge: Uncover the Secret Scams and Tricks to Profit in the World's Largest Financial Market James Dicks,2012-01-04 Generate greater profits while protecting your investments in the world's largest market Much has changed since leading forex expert and educator James Dicks introduced retail investors to trading in the foreign exchange currency market. The market's daily turnover has grown considerably, and more and more traders are achieving financial success by trading currencies—many thanks to Dicks's advice. Now, in The Forex Edge, he warns you about the less-than-honest practices and elaborate schemes many brokers use to prevent prosperous traders from retaining their wealth. This cautionary book is the result of Dicks's personal investigation into an assembly of forex brokers after a suspicious reversal of fortune forced him to close his trading account. It shows you how dishonest brokers pass themselves off as legitimate, the types of scams they run, and the ways you can use this information to your advantage. It outlines a straight-through process for taking more control over your trades to minimize your exposure to the risk of deceptive practices. With The Forex Edge at your fingertips, you'll be armed with: Practical guidance for using popular automated trading systems Effective approaches to back-testing with recommended software platforms Expert tips for spotting false and misleading information in online forums Proven strategies for profiting from options, hedging, swing trading, and trends From how the forex works and how brokers make money to the most common ways traders lose money—this accessible guide gives you everything you need to ensure your trading strategy draws maximum profits from the biggest financial market in the world. It features the same practical formulas and strategies Dicks uses to beat even the trickiest brokers. In today's forex market, you need more than a good trading strategy to survive. You need The Forex Edge.

Know Why the Sobs on Wall Street Succeed Trading Forex Williams Alalade, Dr,2013-12-27 After years of groping in the dark trading forex for almost 12 years on my own, I have found that there are exceptional methods peculiar to different traders and unique in their own rights to making outstanding profits in the forex markets consistently. I have painstakingly developed and designed my own unique methods to capture profits consistently in the ever-changing world of forex trading. While trading forex is not for everyone, it is unarguably the most dynamic market in the world, where human emotions is at play at its maximum, where seconds could mean a total wipe out or redemption, and it comes with unique opportunities. Forex is the granddaddy of all markets, it influences all other markets the world over, and it is very difficult yet not impossible to manipulate the forex market. So it is a level playing field. The purpose of writing this book is to show you what the forex world is all about and steadily take you through the basics of forex trading. Never before has the forex market been discussed in a more succinct way like the way it has been described in this book, you would learn the basics of forex and start the journey till you become an expert, yes truly, an expert. In other to make this book readable and avoid too much information in a single piece, I have endeavoured to keep the information to simple yet readable text for the newbie and the pro alike. Never before could beginners stand on the shoulder of giants without spending a fortune or their time to attend seminars or webinars, you can learn all you need to know on forex for a new career or just for the knowledge of it from this book at your own pace and on your sofa. For those who would want to make serious cash that is daily income from trading the forex market I recommend you get my book on advance forex trading strategies out in 2014. In these book you would learn the following; the basics of foreign exchange and currency pairs, the key players in forex market, what drives the forex market, how to understand and use technical and fundamental analysis and economic indicators also, what the carry trade is and it importance in keeping forex markets balanced globally and it sure path to profits and losses, using forex options to easily make money without the risks of spot forex trading. You expose the psychological aspect of forex trading by learning how to prepare mentally to trade, open a trade and manage risk and your money. At the end, we would discuss how to open a brokerage account and use one of the most popular trading platforms in the World of forex (MT4 platform) and how to handle losses in forex. By time you have finished this book, my hope is that you would get more that value of the money you spent to purchase it, and that it would be truly a blessing to you and your friends, that is my ultimate joy and when that is done, I would know I have succeeded. Drop me an email if you do find any error in this text or you have some praises for the book, I would be happy include your comment(s) in subsequent editions of the book. Thank You for purchasing the book once again. Thank You and for your Maximum and Consistent Profits, Dr Williams B.A. Alalade, Indianapolis, IN

Forex Trading for Beginners Rich Bond,2020-10-15 Are you looking for a complete guide on forex trading? Then keep reading... If you've ever travelled abroad, then you've already conducted a basic forex transaction by trading some of your home currency with the currency of the country you're visiting. In a nutshell, this is what forex traders basically do - they make money by first exchanging their home currency with those of another countries, and then making. There are hundreds of specific methods for trading in Forex and in markets. There are as many effective, tested and successfully tested methods. Why is the majority of traders not getting results? In the present world, investors mainly invest in real estate, financial management, funds and stocks, and some invest in futures, while few invest in foreign exchange. This is related to the late start and small scale of international foreign exchange market and the failure to establish a complete foreign exchange trading system, but drawback is more because investors are not familiar with this market. Forex is a monetary market that is utilized by numerous individuals everywhere throughout the world in an everyday life. At the end of the day, it is a social affair of individuals where buyers and sellers are included. It enables individuals to make a benefit consistently. Forex isn't a stage to get wealthy in a solitary day. It requires some investment and needs top to bottom information about exchanging. The worldwide

forex industry exchanges over \$6.6 trillion in normal day by day exchanging volume, making it the greatest money related market on earth. How would you take advantage of it? This Book Covers: Forex Trading The Principle Currencies The Currency Quote Forces That Drive the FOREX Markets Trading Approaches The Power of Volume Price Analysis The Mathematics of Trading Risk and Money Management Trading Plan The Psychology of Trading Choosing the Broker Choosing Your Currency Pairs Getting Started With MT4 Trading Platform And much more! Forex's notoriety charms remote trade dealers over all levels, from amateurs who are simply finding the open doors in the forex market to solid and steady specialists. Regardless of the fact that it is so normal to engage in forex, with constant sessions, access to basic use and for the most part low expenses, it is in like manners incredibly simple to lose money trading forex. Being afraid of losses can make beginning traders increase their level of risk in order to get back to breakeven quicker. It can also cause beginning traders to stop trading a perfectly good trading system. This, of course, leads to losses and frustration as these traders often see that their trading system would've gone on to be very profitable for them. So, the moral of the story here is quite clear, do not trade with money that you cannot afford to lose. If you do not have the money required by your chosen Forex trading strategy, then use a Forex demo account to sharpen your skills until you save enough to have adequate working capital. Prepare Yourself for Trading Success - Beginning traders should keep the famous Boy Scout saying, Be Prepared in mind. The most successful traders in the world became that way by being prepared so there's no reason you shouldn't follow their example.
